ASSISTANT CLUB COACH AND JUNIOR COACH	MR. I.H. KING

PRESIDENTS REPORT

I concluded my Report last year by forecasting that the 1977/78 Season would see us carry off the first of a long succession of Club Championships. It is history now that we didn't make it, but we went very close indeed. A few more wins in first grade and the flag would have been ours. As it was, four of our five teams played off in the Grand Finals which resulted in two Premierships and one lost on the final ball of the match.

We will do better next season.

At the time of writing this report no applications have been received for clearances from senior players. We should therefore be able to look forward to a full complement of players supported by the inclusion of Kevin Sharpe from Yorkshire.

The senior side will be captained and coached by Paul Nicholls who had an outstanding last season.

Jim Hubble will remain with the Club but decided to stand down from the Captaincy of the first grade and Daryl Foster found his other commitments too great to carry on as a Club Coach.

Whilst the players performed well on the field I have to confess that the Committee did not achieve as well as it could have in fund raising and general administration. Certain Committeemen worked extremely efficiently but overall the contribution was not good.

As President I take full responsibility for that and have implemented a system of commitment for the coming year where every committeeman knows his role and must play it to ensure our success.

So must players meet their commitments to fund raising where required and are expected to accept without question that if they have failed to pay last year's financial commitments to the Club they will be unavailable for selection. They will also become unavailable for selection after December 15th if current year's subscriptions are not paid by then or arrangements made with the Treasurer.

PRESIDENT'S REPORT CONTINUED

We have a comprehensive fund raising programme and all members are expected to assist the Committee when asked to do so. We have been unsuccessful in all our negotiations with the Subiaco City Council which can only be presumed to have the desire to wipe their hands of responsibility to senior cricket in the district. Some glimmer of hope has arisen from recent negotiations with the new Mayor, Mr. Richard Diggins, but once again the Derby Road No. 1 Ground will not be available in the coming season.

It is my opinion that if the Club had not amalgamated, the Subiaco Cricket Club would have been removed from competition in the W.A.C.A. as it would have had virtually no playing facilities. It would have been a matter of great shame for the City and the Club.

I offer my congratulations to Graeme Porter, Terry Alderman and Paul Nicholls for their inclusion in the 1977/78 Sheffield Shield sides and the latter for his appointment as Club Captain and Coach. Ian King deserves special mention and congratulations for tieing as the aggregate first grade wicket taker, as do Alan Bolton, Vaughan Veryard and Larry Davies who captained the sides which won premierships.

I look forward to working with the Committee in the coming season which due to increasing pressure of work will be my last as President of the Club.

RAY YOUNG
PRESIDENT

TEAM CRITICISMS 1977 - 1978 SEASON

FIRST GRADE

The 1977-78 season which promised so much turned out to be a bitter disappointment in the end. The weather was unkind during the early games and State representation had its

TEAM CRITICISMS CONTINUED

effect especially from December onwards. However apart from two or three players the team played well below it's potential and lost two or three games it should have won.

Against Scarborough we had the game won apart from one dropped catch and against Bassendean-Bayswater the dropping twice in three overs of Malcolm Wolfe ultimately cost us victory. The true potential of the side was revealed in strong wins against Fremantle and University when the results were never in doubt.

Of the batsmen only Paul Nicholls could be said to have had a successful season. Solid and reliable and most of our high scores were built around him. Kevin Sharpe who fell into our lap for the last few games made us aware of his ability in his four innings for the Club and there are few who doubt that he will wear the England cap before long. Most other players showed plenty of potential but little application and overall our batting was poor.

Terry Alderman with his 23 wickets in 6 games at a striking rate of a wicket every 4 overs was undoubtedly the best bowler. His efforts against Scarborough, Fremantle and University were outstanding and showed the value of having a fast bowler capable of running through the early batsmen. Ian King was dependable as ever and could always be relied upon to give 120% every time. His marathon stint against Melville was most meritorious. Harold Christensen showed signs of better thing to come and with increased opportunity should prove a useful "A" Grade bowler.

Our major failings were in the areas of concentration and application. Too few batsmen thought about their game and we would all do well to study Kevin Sharpe's approach to batting. There is more to making runs than hitting a ball with the bat and until our batsmen realise this they will remain in the category of "has potential but never makes any runs".

SECOND GRADE

The Second Grade was successful in winning the premiership for this grade. Throughout the season this team consisted of many experienced players together with some promising young players, success eventuated from ability, enthusiasm and strong team spirit engendered by captain Alan Bolton.

Five of the first games were won by the team but a slump occurred at the middle and end of the season. The change in form was due to promotion to First Grade by some players and lack of form by others. A close game was won in the first semi-final against Midland Guildford by 10 runs. The Grand Final saw many fine performances in all facits of the game and North Perth were defeated easily.

During the season the team's most consistent batsmen were Alan Bolton and Noel Knight. Other good performances came from Reg Statham (100), Neil Bolton, Glen Hughes and Harold Christensen.

The bowling was led by Harold Christensen with several match winning performances. David Raven showed promise whilst Giles Bush bowled well when playing in the team.

THIRD GRADE

This team lost only two games during the season, one of them unfortunately, the Grand Final. The team members combined into an excellent unit considering many of them did not know each other at the commencement of the season. Credit is given to team captain David Phillips.

Senior players, Reg Statham and Bruce Watt gave great encouragement to other members of the team engendering team spirit. Gary Bradshaw a young member of the team also excelled in this manner.

Several good batting displays were given including Bruce Watt 155, Reg Statham 99, Neil Bolton 112 and Steve Hulhall 91. Haydn Chrystal showed how to build an innings and he contributed several good scores.

Outstanding bowlers were David Raven, John Davies, John Mazza and Stephen Moore. David Raven and John Mazza have potential to play first grade cricket.

TEAM CRITICISMS CONTINUED

FOURTH GRADE

With consistent performances from the players the season proved successful with a great win in the Grand Final.

This success would not have been possible without being capably lead by captain Larry Davies whose superb bowling performances helped the team reach the final four. It was however, unfortunate that he was not able to play in the final.

His bowling was supported by Phil Hayden who achieved some outstanding performances. Other bowlers used successfully were Tony Bamford and Hadjimilakis.

Centuries were scored in batting by Kim Harris, Bill McIntosh and two by Glen Travers. Mention should also be given to Larry King and Geoff Hann for their fine opening batting performance in the finals.

FIFTH GRADE

1977/78 was the first season that the Club had entered a team in the W.A. Suburban Turf Competition, and it was therefore placed in a low grade. Captained by Bruce Klein they lost only 2 games during the year, unfortunately one of those was the Grand Final.

There were several outstanding batting performances during the year: Kim Harris scored an unbeaten century, Dave Shilbury made 84, Graeme Gaunt hit 79 in the semi-final, whilst Daryl Mansfield, Warwick Sharp and Mark Scott each made half centuries.

Bowling wise, Byron Hadjimihalakis took 25 wkts. (at 4.24) in just 4 games, Geoff Herbert took 29 and Mark Scott 24 whilst Steve Moore, Warwick Sharp, Barry Wilson, Neil Thompson and Brian Raven each took more than a dozen wickets during the season.

As the side finished on top after the qualifying games, it will be promoted to a higher grade for this coming season. In the Suburban Turf Double Wicket Competition for all grades Subiaco-Floreat's team of Kim Harris and Byron Hadjimihalakis were too good for the rest. Ironically, Byron made the more runs and Kim took the more wickets - versatility!

OUTSTANDING PERFORMANCES - 1977-1978 SEASON
