4th GRADE BOWLING AWARD <i>donated by</i>	Faisal Rashid 15 Wickets @ 24.07

President's Report

2011/2012 was another wonderful year for a great and proud club. Included in our achievements were:

- 3 sides into Grand Finals – Firsts, Seconds and U/14s.
- 4th in the Club Championships was a terrific achievement.
- Spirit of Cricket Award for WACA Junior Cricket. A vote of thanks needs to be extended to Glyn and Jane O'Brien and all the other helpers, coaches and supporters. If our young players enjoy their cricket and play in the right spirit and respect the game, it is a good foundation for their futures in senior cricket at the Club. I believe it also increases the chances that they will stick with the game and the Club.
- David Bolton winner of the Second Grade Cricketer of the Year.
- Cameron Green U/14 Cricketer of the Year.
- Other awards for junior players of the round.

The season started with some challenges. The loss of key players like Dave Bandy, Tim Monteleone, Adam Bolton, Aaron Lilly, and Andrew Holder, plus David Bolton and Vinnie Sandhu opting to play lower grades, presented substantial challenges on the field. Some of our younger players stepped up and a couple of more experienced players took the opportunity to debut in First Grade.

Our biggest challenge was at the start of the season with the WACA leaving us high and dry in regards to Floreat Oval. Six weeks from seasons start of the season They advised us that they would not be honoring the contract to look after the Club's turf wickets. We were very lucky to have Peter Jones agree to fill the void. He flew back from Melbourne five weeks before the season started and threw himself into the work. We were one of the first Clubs to have turf wickets for practice at the start of the season and only Fremantle and Perth were above us in the pitch ratings at the end of the season. It was a great effort by Peter and we are very grateful.

A personal highlight for me during the season was seeing several first and second grade players make the effort to attend the Junior windup function. Despite having to travel quite some distance and being involved in finals they made it and it was greatly appreciated by the junior players and their parents. The same sort of respect is evident throughout the Club, with no regard to the level or age of various players. It is a trait in the Club to be fostered and celebrated.

Two other highlights were the return of Club veterans to play with their sons and the introduction of young women into our Third and Fourth grade sides. Kim Hughes dusted off the creams and played a couple of games with his son Brad and Glyn O'Brien played with his two sons Cam and Kim. When the women were selected I made a point of dropping in on the game and was proud of the way the boys accepted the women in the change rooms and the respect between all members of the team. It showed a level of maturity the Club is rightly proud of.

A successful season does not happen without the input of a lot of people. Firstly I wish to thank our many sponsors for their terrific support. We really appreciate the support of both our seniors and juniors. The costs of running a successful Club are significant and we need and appreciate the support of our sponsors.

The Club Committee has achieved a lot and I personally appreciate their support. It is particular gratifying to have people around the Club who are committed and respect the Club values and approach. There are others, not on the Committee, who also contribute to the total effort. I also appreciate the input from the players who offer their service on the Committee. They ensure we keep the players needs in our focus but also deal with some of the bigger issues needing a view that is not always in keeping with player interests.

A special thanks to Jane and Glyn O'Brien who are leaving their roles in the junior management structure of the Club. Their sons are both playing senior cricket next year. They have been tireless workers who have helped to establish a great foundation for those taking over the roles. Thanks also to Keith Blake who has been our Delegate to the WACA Junior Cricket Council.

Another special thank you goes to Phil Thompson, our wonderful Scorer for the past 17 seasons. Phil has indicated that he intends to wind back his scoring duties. He is not leaving the Club but can no longer put in the hours required of a First Grade Scorer. In his own unique way Phil has been part of the total package when you come to watch Subi-Floreat. He has also provided a lot of support to our Coaches and country recruitment efforts. Thanks Phil!

Finally, a thank you to the players who make the Club we all want to be around and support. I am very proud of the image they have throughout the competition and the contribution they have made to our Club being one of the most highly respect in the District Competition.

2012/2013 will bring its new challenges but I strongly believe we have the core values and structures necessary to ensure we remain a strong Club and a leader in the District Cricket Competition.

Larry Davies - President

Coach's Report

Defending our Premierships was always going to be a huge challenge and so it proved to be, despite an agonizingly close finish in the Retravision Shield final, losing by a solitary wicket on that dramatic last Sunday. Our one day season never really got off the ground with a number of players missing early games and we never recovered although we did manage to post some good performances later in the season. Despite the shield final loss, our season was filled with many great highlights, none more so than having both 1st and 2nd grades participating in grand finals. A significant achievement in anyone's language and a wonderful effort by skippers Alex Malcolm and Peter Farlie, both in their first season as captain of their respective teams. Indeed, every player who represented the club in those two grades, deserves congratulating for their efforts. No doubt, all will have a burning desire to rectify the final results and ensure the glory that eluded us in 11/12 is restored in the coming season.

Our 3rd and 4th grades, whilst not enjoying the same on-field success, had their moments and produced many outstanding performances. Perry Colyer began the season in charge of the 3's and demonstrated immense leadership qualities. Only inevitable elevation to the 2's halted his reign, enabling club stalwart Glyn O'Brien's playing comeback to gather momentum by taking over the captaincy mid season. Glyn is a man for a crisis and his answering the call ensured our young group would continue to learn and develop and I personally thank him on behalf of the club for his selfless gesture. By season's end, Emerson Walker had assumed control and showed why he is held in such high regard at our club. Congratulations to all 3 for their efforts and leadership.

Skippering 4th grade requires patience, skill and a general need to be able to maintain ones composure. Faisal Rashid, in just his second season at the club graciously accepted the challenge and reintroduced an enjoyment factor that was incredibly important. Evergreen Gianni Di Rosso put his personal aspirations to one side and took over during Faisal's absence and carried on the outstanding work. Both ensured the grade was, at least, competitive in each and every outing and are to be congratulated.

The colts competition returned to a round robin format and Emerson Walker led his young team to a win and two narrow losses. Our team was younger and less experienced than our opponents in both losses but still the games were close and very competitive and Emmerson and his team performed admirably.

Nathan Coulter-Nile and Jason Behrendorff represented WA at first class level and the careers of both seem destined to launch into new heights. Alex Malcolm and Chris Hansberry gained second eleven selection and both have the capacity to take the next step. All four have represented the club with distinction and are great examples to the playing group.

As is the case every season, there are many to thank for their contribution.

Firstly the players, we ask much of them and I am always inspired by their commitment, drive and determination to improve and be a part of a successful and enjoyable club.

Noel "Hammer" Knight joined us as batting coach and how fortunate we were to have someone of his experience and great knowledge of the game. I know the high regard every player holds for Hammer and I thank him for his assistance, advice and dedicated work all season.

Peter Capes once again took our bowlers under his wing and their continued improvement is a credit to his guidance and direction.

Russ Mathanda had our boys in great shape and his value to the group cannot be underestimated. Not only is his work on strength and conditioning so important but he is also a wonderful ally to me and his support is unwavering and much appreciated.

Although still playing and sometimes captaining, Gianni “Dos” Di Rosso also took on the Net Captaincy, selector and self appointed expert buggy maintenance mechanic. Quite apart from his amazing passion for the game and the club, his effort in mothering the buggy through to the end of the year was nothing short of amazing. He is also a great support and friend and I thank him profusely.

Phil Thompson announced his retirement as our scorer and what a profound effect he has had at our club. Congratulations and many many thanks for your great service Phil, I am sure you will long be remembered at Subi Floreat and rightfully so.

Once again I received fantastic support from our committee. I certainly enjoy a much easier time than many of my peers at other clubs and to Larry Davies, Frank Collins, Alan Bolton and everyone on the committee, I very much appreciate your direction and support.

Skippering 2nd grade is perhaps one of the more difficult yet incredibly important jobs within the club. How fortunate we are that Peter Farlie accepted the role and his calm, composed and extremely thoughtful manner proved to be so successful. Certainly working with Pete was a very enjoyable and rewarding experience and I thank him for a tremendous effort.

Finally to my new best coffee companion and amazingly dedicated 1st grade skipper Alex “Pro” Malcolm. Few would appreciate the many hours Pro dedicated to his role and the great deal of deliberation that went into each and every difficult decision. His first and foremost thought at all times was for the best interests of his team and his club and his qualities as a leader of men was a treat to observe. To lead his team to a grand final in his first year and go so close to ultimate success is testament to his skill, knowledge and ability to lead from the front. Congratulations and many thanks Pro on a job incredibly well done.

To get so close and come up short was obviously disappointing but hopefully will fuel the fire to atone in the new season and that is certainly the aim as early as now. We will attack the pre-season with gusto and look forward to more glorious days ahead.

Brett Bowker – Senior Coach

~~~~~

Statement of Financial Position
As at 31st May 2012

Concise Statement of Income & Expenditure
For the year ended 31 May 2012

1st Grade Report

To defend a title is one of the toughest tasks in sport. To lose a grand final by the narrowest of margins is an even tougher thing to comprehend. The First grade side of 2011-12 almost accomplished one of the great feats in Subiaco-Floreat's storied history. With six different players from the team that won both the One-Day and Two-Day premierships of 2010-11, the side almost claimed back-to-back titles. Unfortunately it was not to be. Some ill-fortune and some unforced errors in the Final meant that Wanneroo escaped from 6-45 to run down our 210, and steal the Premiership.

We cannot dwell on what happened. It has happened and we can only move on. There were some wonderful team highlights throughout the year. Winning a one-day game at Burrendah against Willetton with the most inexperienced line-up the club had fielded in nearly three seasons was an exceptional achievement. A crushing 191-run victory over Flag favourites Melville in the semi-final was arguably the most satisfying of our eight victories this season.

We had 20 players that played First grade this year which is a testament to the talent and depth at our club.

We had five debutants in Calum How, Matt Thomson, Daniel Reid, David Colin-Thome and Luke McShane. The beauty of those five debutants is where they have come from. Calum is a recent graduate of the Under 17's, Matt and Daniel are from other clubs, and Luke and David are Third grade Premiership players from three seasons ago. From that Third Grade side, five players have now subsequently represented Subi-Floreat in First grade. That is a phenomenal achievement.

The wonderful part about our season is the evenness of the contribution from all 20 players.

We had three players; Alex Malcolm, Chris Hansberry, and Stefan Collins make 500 plus runs for the year. We had four centurions which is one more than last season and three of those players, Stefan Collins, Nathan Coulter-Nile and Ben Hansberry made their first centuries in First grade cricket which is a first in my time at the club.

We had three bowlers take more than 20 wickets, being Chris Hansberry, Jason Behrendorff and Matt Thomson. Those three, plus Nathan Coulter-Nile, each claimed five wicket hauls.

We had three players; Chris Hansberry, Malcolm, and Behrendorff, represent WA at 2nd XI level. Behrendorff and Coulter-Nile played Shield cricket for Western Australia.

Jason Behrendorff was selected in the Cricket Australia Chairman's XI to play against India which was an incredible achievement. He was also named Future Legend at the 2011-12 WACA awards. Nathan Coulter-Nile has been selected to go to the CA Centre of Excellence this winter as a full scholarship recipient.

We had three captains in first grade this year, due to some unforeseen occurrences. Thanks must go to Anthony Murphy and Steven Glew who both stood in on separate occasions and did a tremendous job. Both lead in their own unique way but both have been tremendous support to me this year.

Brett Bowker deserves enormous credit for the job he has done this season. I don't think anyone truly understand the time he has committed to the role. The job of coach has been taken to a new level by Brett. The time he gives away from the club is the thing that most impresses me and I am most thankful for. He has been a wonderful mentor and advisor not only for me for but a number of our young

players. He cares deeply about all of them. His influence on the group has been profound. Three Grand finals in two years is a remarkable achievement, and that is undoubtedly due to his influence.

Thank you to Noel Knight for his support this season. Noel's passion for the game, knowledge and experience proved invaluable to me throughout the season. Chatting to him was a great source of strength for me and my players.

Thanks to the selection panel for their support. This includes Chris Payne for the first half of the season, as well the other captain's Faisal Rashid, Perry Colyer and Glyn O'Brien. Particular thanks must go to the Gianni Di Rosso who has been a great friend and ally throughout the year, and also to Peter Farlie whom I have grown to know very well over the last six months. We are the first double act to take the First and Second grade sides to simultaneous Grand finals in the clubs history. I am very proud and honoured to share that with Peter.

Thank you to the committee but particularly to Larry Davies, Frank Collins, and Alan Bolton for their unwavering support throughout the year. It was greatly appreciated.

An enormous thank you must go to our curator Peter Jones. The state of the facilities at the club this season is amongst the best in all my time at Subiaco-Floreat. The wickets he prepared for both practice and game-day were first-class.

Thank you to all of the volunteers and sponsors around the club for their tremendous support. There are too many to mention individually, but without you the club would cease to exist.

Two volunteers do need mentioning though. Thank you to Dale Shenton for his work as part-time scorer this year.

But finally thanks must go to Phil Thomson who has been our First grade scorer for my entire career. Thank you Phil for your passion, enthusiasm, and love for the club and its players. You have been a magnificent servant. I am sorry we could not send you out with another flag. It's going to be hard to imagine turning up to play next year without you scoring each and every ball.

The challenge for the club now is to get better. The challenge for every player from First to Fourth grade is to improve, and we have the capabilities to achieve this. Every player at this club has the potential to become better cricketers. That should be our aim.

We are the envy of the competition and we need to continue to set the standards. Every player and supporter at Subiaco-Floreat should be extremely excited about the shape that the club is in, and the direction in which we are headed.

Alex Malcolm – Captain

~~~~~

*"Cricket is full of theorists who can ruin your game in no time."*

**Ian Botham** from his book, Ian Botham on Cricket.

~~~~~

2nd Grade Report

The second grade enjoyed a very successful season, and we almost managed to cap it off with a remarkable win in the grand final, but unfortunately we fell just short despite a great effort from all involved.

We hit the road for Round 1, kicking the season off at Rocky Bay, where we took a very young side down, including 3 first gamers and a very inexperienced side as a whole. We managed to get the season away with a win after a close game, with a few great individual efforts with the bat from David Colin-Thome and ball from Dave Bolton and a restricted Jason Behrendorff returning from injury. Wet weather played a part in the next few rounds as we lost to eventual premiers South Perth and drew semi-finalists Perth, before we were back on the winners list at Breckler against Mount Lawley. In this game we had two more young second grade debutants in Rohan Quain and Ben Reed. Both of these guys showed great talent and unfortunately injury got the better of both for the middle part of the season. They are definitely two to watch for next year and I'm sure they have the ability to put in great performances in higher grades.

We then ventured up to Illuka where the Centurions got the better of us in another tight one. At this point in time we were midway on the ladder and struggling to get some consistent performances together. This round we saw the debut, not just his second grade debut but his senior debut at SFCC, of the very impressive Ash Blake, who then played 2's right through to the semi-final. Ash exceeded all expectations this year and everyone has been impressed by not only his on-field performances but also his application at training and his attitude that belies his age. We then returned to Floreat Oval and finished off the calendar year with a strong win over Midland Guildford and took some momentum into the break.

In the second half of the year the side was starting to build on experience with Luke McShane and Simon Heyting returning from their overseas adventures and our debutants had become more comfortable in their roles within the team. Perry Colyer also started his rich vein of form with both bat and ball. Success for the side then followed, and we didn't drop a game through to the grand final which was a great effort from everyone who played two's during these times.

A few success stories from the year, in the first few games there were two blokes who were making the selectors stand up and notice and one of these was lower grades veteran David Colin-Thome. David kicked the season off with back to back fifties from the number 6 spot at times which were crucial to the our innings and the match. After many seasons battling away in the 3's and 4's it was great to see DCT rewarded for consistent performances and hard work with his A grade debut. The second was round 1 debutant Daniel Reid, who has had a great first year at the club. Reidy was the trump card for much of the year with the ball, taking several bags and forced his way into the A grade side. Whilst he conditions didn't always suit, he still managed to impress all and will hopefully continue to develop into a class A grade spinner. Luke McShane also showed tremendous application at the crease, and after several stubborn displays he was also rewarded with his first A grade game.

Not to be outdone by the emerging young cubs, some of senior members of the side also made valuable contributions to the two's, none more so than Dave Bolton who took out the competition player of the year. Perry Colyer has reinvented himself as a quality all-round cricketer, and after making his way into

the 2's in round 6 he managed to finish 3rd in the competition vote count. AJ Murphy needed no time to have a big impact in second grade, with two 100's and an 80 in the short time we had him. Kim Manolas returned from injury and blasted another big second grade century putting on. Our bowlers were consistent all year and a large part of our success can be attributed to not relying on any one bowler to do the job. Strong performances were shown by each of our bowlers at various points in the season, with Dave Bolton, Dan Reid and Perry Colyer picking up 5 wicket hauls, and strong 4-for's by Jason Hart, James Sansalone, Simon Heyting and Ash Blake. Never to be outdone, Tom Moscarda's six-for on a flat deck in the semi-final set up a great win to get us through the GF. Two magnificent partnerships were witnessed during the year, Perry Colyer (127) and Kim Manolas (167) put on 234 in Round 11 vs University, and David Bolton (117*) and Anthony Murphy (106*) combined for 243 in the Semi-Final.

A special thanks must go to the coach Brett Bowker for all his assistance and hard work put in during the year, from all the twos you did a fantastic job and thanks again for your commitment to the club. Further thanks to the assistants Noel Knight and Kim Hughes later in the season. My fellow skippers and also Chris Payne in the early part of the season deserve thanks for their input on all things teams and tactical, thanks Pro, Pez, Glynn, Emmo, Faisal and of course Dos who also helped a lot with the two's during the year. Also a big thanks to everyone behind the scenes with sorting out afternoon teas, after game dinners, running the bar, and generally making it the fantastic club that it is, you guys are an invaluable part of the club and thanks very much. Dale Shelton's scoring has been greatly appreciated by the two's and also a pat on the back to our curator Peter Jones for outstanding work during the season. Also a special mention to Dave Bolton for his on field guidance throughout the year which was very much appreciated. The side was also led by Ben Hansberry and Anthony Murphy in my absence so thanks boys for your help.

The 2011/12 season was highly enjoyable on and off the field for myself and hopefully for all the blokes who were a part of the two's along the way. Whilst we didn't get the medals around the neck, I'm very proud of the successes we had individually, as a team and as a club and I look forward to our continued improvement across all grades for next season.

Peter Farlie – Captain

~~~~~

*"I don't ask my wife to face Michael Holding, so there's no reason why I should be changing nappies"*

**Ian Botham**

~~~~~

3rd Grade Report

Season 2011/2012 for the third grade side was as volatile as the stock market. The side played a total of 12 matches, recording a home and away record of 4 wins, 1 draw and 7 losses, all in all a disappointing year. If you purely based our year on statistics, the results flatter the human eye although the progressive development of a number of players was a significant win for the cricket club. With the limited success throughout the season morals could have been expected to waiver, however that was never the case and the enthusiasm and encouragement from all the boys see each other success ultimately contributed to their development both individually and as a team.

Our season started with a limited overs game against Rockingham Mandurah at Alderbury Street, a game that was never in our grasp, culminating in a disappointing loss to a side who would eventually win as many games as we would. We started slowly against eventual premiers South Perth in round two but a disciplined bowling effort put us in a situation where we victory was a real possibility, unfortunately our batsman were not able to produce enough runs for the bowlers too defend.

Sitting at 0 wins and 2 losses, it was difficult to pin point which areas of our game needed improvement. The players were confident success was only a game away and rounds 3 and 4 brought that, with the side notching 2 success wins against Perth and Mount Lawley. With valiant efforts against Midland Guildford and Joondalup, the Christmas break saw the side enter with a record of 2 wins and 4 losses. Our disciplined bowling performances were the backbone to the side success, whereas our batting depth was ultimately our main issue that was highlighted. A conscience effort from the players was made to eliminate such inconsistencies, as the belief was there that we could make a real run after Christmas.

Highlights over this period included 123 from Nick Harmer against Mount Lawley, 5 wicket hauls from Perry Colyer, Rohan Quain and Sunny Singh against Mount Lawley, Perth and Joondalup, a spectacular outfield catch from Jake Colvin against Perth and consistent performances with the bat from Joel Heyting and Ben Sandhu. We had played some good hard competitive cricket it was just a matter of sustaining the efforts of all players over a longer period post Christmas.

We began the post Christmas phase with 2 disappointing performances against Claremont Nedlands and Fremantle being outplayed for the majority of both games. At this point in the season, sitting on 2 wins and 6 losses, the inconsistencies in our game were becoming more and more evident. Round 9 brought about some long awaited success, with a well overdue win against Gosnells. The elation the players showed after the game was evident to all spectators, as a young playing group showed maturity above their years.

The confidence the players gained from such a win was invaluable creating a positive atmosphere around the entire squad. The positive attitude of the side was prematurely halted with a wash out against Melville in round 10. Round 11 against University notched up the fourth and final win for the season with the players suffering a disappointing final round loss to arch rivals Bayswater Morley.

During this period notable performances included Tim Serjeant scoring of 66 and 50 against Fremantle and University, Mitch Debarro scoring 78 and 63 in consecutive rounds against University and Bayswater Morley and Ben Reed claiming 4 for 92 against Bayswater Morley in a losing side.

Although finishing the year with only the 4 wins, a number of positives can be taken from the year with young players Ben Reed, Kim and Cameron O'Brien and Alex Tsaknis and Josh Newman debuting, all of whom are either still playing under 17s or graduate the previous year. The experience gained from playing senior cricket will fast track their own development proves valuable for the club in years to come.

The introduction of the Singh's (Sunny and Laddie), Ben Sandhu, and Brad Hughes into the structure of Subiaco Floreat provided some fun and enthusiasm into the group. Their love for the game is second to none, especially Brad, as he had never played a competitive cricket match until this year. People like Brad are needed around such a club, as his attitude toward improving his skills and that of his teammates is what creates success and enjoyment for the game.

The introduction of Nicole Bolton into the side was a remarkable story and something that shouldn't be overlooked. Nicole, who captains the Western Fury, joined us towards the end of the season and proved a valuable asset to the side. Her professionalism towards training and games was of the highest order, making it no surprise amongst the players her easy transition to 3rd grade.

A special thank you must be given to Glyn O'Brien and Emerson Walker, who were great sounding boards all year and captained the team with great distinction. Glyn's involvement should not be overlooked considering his responsibility for the entire year was solely towards the under 17s. The ability to juggle both roles when required speaks volume of the man and love for the game, thank you Glyn. A massive thank you must be given to Brett Bowker and Noel Knight as their involvement in coaching, preparation and recovery is truly remarkable and brought a side of professionalism that has rubbed off on the entire playing group. The correlation of their plans and 2 sides reaching the grand final is no surprise,

Finally I would like to thank Brett, Noel, Gianni Di Rosso and the committee particularly Larry Davies, Frank Collins, and Alan Bolton for their support throughout the year. Their involvement enables all the players the ability to play the game they love especially at such a wonderful club like that of Subiaco Floreat. The facilities provided are among the best in the state and the tireless work put in by these men only reiterates why Subiaco Floreat are the most successful club in the competition.

I have enjoyed every part of the 2011/12 season and hope to celebrate more success down at Floreat Oval in years to come.

Perry Colyer – Captain

*"I absolutely insist that all my boys are in bed before breakfast"*

**Colin Ingleby-Mackenzie** explaining how Hampshire won the County Championship under his captaincy

~~~~~

4th Grade Report

The 2011/12 season for the fourth grade was my second year at the club and first year as a captain. We played 12 games for the season with 5 draws and 7 losses. One of the most challenging things we faced in the fourth grade similar to previous year was having 11 consistent players on the field. I was very lucky to have support from Gianni Di Rosso.

We had a good season with few close games and the highest number of draws among all grades. We had couple of father sons played for the club this season, in round 2 Glyn O'Brien played with young Kym & Cam O'Brien.

We had some new recruits this year Ladie, Sunni Singh, Ben Reed & Brad Hughes. One of the greatest stories this year was having Brad Hughes playing his first ever game of cricket at the age of 28. Brad Hughes son of Australian cricket test Capitan Kim Hughes decided to give cricket a go. Prior to his first game in round 4 against Mount Lawley Brad had couple of training sessions, he made 33 runs in his debut.

In the Same round Gianni Di Rosso made his first ton for the club he along with Glyn O'Brien put on over a 100 run partnership it was certainly celebrated by the boys.

One of the greatest moments for 4rd grade was having former Australian test captain Kim Hughes to make a comeback and play along with his son Brad Hughes. Having Kim around the club and announcing to play one day games was a great opportunity for some of the young lads. Kim and Brad opened the batting in round 11 against university Kim & Brad put together a first wicket partnership of 59 runs.

In the same round Subi-floreat made a history in district cricket by introducing two female cricketers playing for the club. Nicole Bolton Western Fury Captain who made a debut for the club played a fantastic innings with 73 not out. Having Bolton & Kasper in the squad was a great initiative it was highly recognized by WACA & other cricket clubs.

Overall we played some competitive cricket, some great memories. We have some young talented players like Kym & Cam O'Brien, Josh Newman.

I would like to thank all 43 players who played in the 4rd grade this year, without their support we wouldn't be able to put 11 players on the field. In particular I like to thank Gianni Di Rosso and Glyn O'Brien who helped with organizing players and their support throughout the season. Also a big thank you to Brett Bowker for his support he spends a lot of his personal time catching up with players and always on the lookout for new players.

I like to thank all the captains Pro, Farls & Perry for their assistance this year. To all the committee in particular Bolts getting all the players registered last minute, Jane O'Brien thank you for all your support throughout the season & Don and Sue for organizing meals and everyone that I have missed a big thanks it was greatly appreciated.

It was a pleasure to be involved with a great club; I look forward to next season.

Faisal Rashid – Captain

Colts Report

The Colts side was made up of a diverse mix of players for the 2011/2012 season, with 17 representatives across the three games coming from six different sides. The side was knocked out in the qualifying stage, winning one game and losing two. The team was great in patches, but was prone to lapses at crucial stages.

The first game saw the side take on traditional rivals Scarborough at Abbett Park. After a good start from the home side that saw it reach 1/84, the miserly bowling of Mitch Debarro and Cam O'Brien saw the Lions take the ascendancy at the half way mark, having the Gulls all out for 120. Debarro and O'Brien shared six wickets, while Jake Colvin also chimed in with 1/14 from his seven overs. The chase couldn't have started worse for Subi, stalling at 3/17. However, Calum How (25) and Adam Bowker (41) steadied the ship with a 52 run partnership that looked to have the Lions back on track. As is often the case in colts cricket, the game turned quickly as the Lions lost 5/4 in 11 overs. O'Brien joined young gun Josh Newman at the crease at 9/103 with about 10 overs to go. In a slow, but nevertheless gripping nine overs, the score had reached 9/114 with five balls remaining. With the skipper questioning the defensive mindset of the pair, O'Brien proceeded to bomb the Scarborough leg spinner over cow corner in a display of clean hitting that none of the lads had ever seen. With a single off the next ball, the Lions secured victory with two balls to spare.

The second game against Wanneroo saw Subi suffer a heavy loss, mainly due to a magnificent individual performance from an opposition player that the boys just couldn't prevent. Despite posing a much improved total of 9/202 on a slow deck, Wanneroo were simply too good. Bowker (32) was again good with the blade, as was Debarro (36). Patty Wilson was the pick of the bowlers with 2/23 from his eight overs, and looks to be a real find for the club after crossing from his junior side, Scarborough.

The side faced Willetton in its final pool game, and again went down despite a much more complete bowling performance. A total of 177 batting first was always going to be hard to defend, but the bowlers tried admirably, with Blake (1/21 from 10) and O'Brien (1/21 from eight) the pick. For the third game in a row Bowker held the innings together, with a gritty 44.

Despite being knocked out early, there were some significant positives to take away from the season. A number of young kids were blooded, such as Newman, Alex Tsaknis and Matt Blake, who will be much better for the experience. With the loss of one player from the age bracket for 2012/2013, hopefully we can use this to our advantage and play finals next year.

It was an absolute pleasure captaining the boys.

Emerson Walker – Captain

## Under 17's Report

Under 17's is a tough year with the boys having all of the distractions of adulthood within their grasp and all of the pressures that come with trying to achieve their dreams. This is combined with hopefully striving to achieve their parents' dreams of having well rounded young men who go into life with character and confidence.

As a coach I thought it only fair that I took on the responsibility of building character. After 11 games and not a single victory, the boys had their character tested and, I can say, they were brilliant. Their support and bond with one another could not have been stronger and their love for the baggy yellow was never in doubt. At all times they worked harder and toughened their resolve to improve until they developed into a highly competitive unit.

During the year Subi welcomed some new cubs into the pride including Matt Ness, Cameron Seagreen, Declan Evans, Nick Powe and Yash Moolchandani. All boys were good contributors for the Club and we enjoyed the boys company.

Nine months of training and playing doesn't happen without a great support team around the lads. So I must thank Stefan Collins for his assistance with training the boys during the last few years. Stef is a brilliant young man and I cannot speak highly enough of him. He has been an outstanding role model to the 17's lads.

To Dave Seagreen and Paul Newman, THANKS. Brilliant to have you guys help out whenever and wherever required throughout the year. To Wendy Flack, thanks for making sure we were all organized and your skillful management of the team was appreciated by all.

To Kim, sorry for having to drive home with me after the first 11 games, not a pleasant experience and he never once complained or took my ranting too seriously. Thanks Mate and thanks to Jane for keeping me in line and getting to the games organized every week.

During the year all of the boys developed well. Our bowling was led by Declan Evans, Jono Dean, Nick Powe, Alex Tsaknis and Josh Newman and it was great when other players like Bailey Waller, Matt Ness, Kim O'Brien and Ben Weeramanthri helped out and gained some success. Our batting was well lead by Kim O'Brien, Josh Newman, Nick Powe and Alex Tsaknis with a great charge at the end of the year by Jono Dean, Bailey Waller and Brad Carlisle.

So now after 11 games, we had 3 draws and a few last over losses that hurt. We now had the final game and we were playing a team that ended up grand finalists for the 2011/12 season. In a comprehensive display of skill, our maturing team out bowled, out fielded and out batted the opposition to confirm how close they were all year to being a dominate team. Our younger players grew in confidence in their own abilities and increased their desire to win when the opportunity presented itself. Some great bowling in week 1 of the game was followed up by a great team batting effort and a comprehensive 50 run victory.

It is not how good you are at the start of a journey that counts but how good you are at the end. Our lads may have started slowly but they finished brilliantly. I can only hope they have also made some lifelong mates with whom they can share the greater journey of their lives.

---

**17's awards** were as follows:

- 6 of the year - Alex Tsaknis with a straight hit over the bowlers head to seal our victory at Baysey.
- Sledging award for the year- Shaun Flack with a close second to Gwyn Nielsen.
- Wicket celebration of the year- Declan Evans (on numerous occasions).
- Batting Award – Josh Newman
- Bowling Award – Jonathon Dean
- Coaches Award – Declan Evans
- WACA U17s Award – Kim O'Brien
- Morning Tea of the year goes to the Subi mums. We look forward to the return of the Custard Horns courtesy of the Kalamaras household next season.

SFCC juniors also won the **Spirit of Cricket Award** presented by the Lord Taveners which is voted on by the umpires and recognized the junior players for their outstanding behavior and sportsmanship throughout the season. This was the first time Subi Juniors have won the award and the players, parents, coaches & supporters should all be proud of their personal conduct.

So with some sadness, Jane & I farewell the Subi Juniors and thank all concerned for the opportunity to contribute to a great club and to meet so many wonderful lads and their families. Good luck to all and never give up on your cricket dreams

**GLYN O'BRIEN** - Coach & Junior Coordinator

## Under 15's Report

Our year started in August with a number of indoor net sessions down at Revolution Sports. Although our numbers were down a little, due to some football and basketball commitments and also some pre-season injuries, we had a solid base set in readiness for full training and the year to come. As our turf net training began we gradually got our squad of 17 to nearly full strength for the start of the season.

Luke Kurtz was appointed Captain with Matt Blake and Bailey Rogers as vice captains. Luke and Matt in particular did a great job in leading the team both on the field and at training.

Our pre-Christmas form was quite good and resulted in 2 wins, 2 draws and 2 losses. Even in our losses we were very competitive and with a little bit of luck and maybe a little more experience we could have won those games.

The weather played a major role in our 2 draws but some good cricket was played in our wins and losses. Luke Kurtz was batting well and he put together a great innings of 85 v Perth as well as getting some good starts and not quite going on with it. Matt Blake made it into the 40s a couple of times and most of our batsmen managed some good scores but unfortunately we couldn't get 3 or 4 of them to do it on the same day. Our bowling operated very well together in most games, with Bailey Rogers finally making an appearance from Injury capturing 4/14 v Joondalup and Jackson Van Lemen taking a 4 fa

---

against Midland, being the best of the bowling figures before Christmas. As mentioned our bowlers combined very well together and when it was their turn with the ball they returned very economical spells in general.

The after Christmas segment of our season was not so pretty and didn't match our pre-Christmas form. The boys did try hard though and never gave an inch even when the circumstances were dire. A lot of learning was done and experience gained during this part of the season proving every cloud has a silver lining. Once again a little bit of luck could have changed a result or 2 and we did prove competitive in most games. Luke Kurtz was the only batter to pass 50 after Christmas and also took a couple of 3 fa's capping a great all-round effort by him, with Bailey Rogers also taking a 3 wicket haul.

Josh May and Cameron Green rose above their age levels and joined the 15's. Josh played a great part in our team as well as his batting, part time leggies and great fielding he was an active member of the team on the field and at training. Cameron joined us midway thru the season and his all-round ability with bat and ball was amazing at this level considering his age and once again he was an active member of the team. James Whitechurch also helped out in a couple of games as wicketkeeper/batsmen and was much appreciated.

Our debutants for Subi-Floreat this year were Jackson Van Vlemen, Jake Broderick and Sam Bouffler. Congratulations to all of them as they joined our team with a minimum of fuss and acquitted themselves very well and I'm sure with a season under their belt they will be even better next season.

Special Thanks to David Reed for his coaching expertise (His navigation skills not so good) as he spent a lot of time with these boys both on Match days and training, improving them every week. Also to Glenys and Crispy (and the people who filled in –Mike) for the Job they did managing the team, they made sure the coaches had only one thing to do game days and that is coach (And have morning tea). To all the parents who also helped us out during the year thank you very much it was appreciated by us and the boys, special thanks to all the Mums for the best morning tea in the competition. Also thanks to Glynn and Jane for all the organising that goes into a season that we didn't have to worry about. Also the cricket wickets we played and trained on were first class so thanks to The Club for supplying and Pete for his work on them.

Lastly I would just like to congratulate the group of boys we were in charge of this year. They were a pleasure to coach and interact with and all parents involved should be very proud of these boys as cricketers and young men as we were proud to coach them.

**Craig Rogers- Coach**

## **Under 14's Report (McKenzie Shield)**

The Under 14s had a fantastic season this year winning six of their seven home and away games and finishing Runners Up for the McKenzie Shield. But just as important as what we achieved, was how we went about it and I could not be more proud of the way our boys conducted themselves this year. Throughout the year we developed a strong and inclusive culture amongst the entire squad, and it was this belief in each other and our positive approach to our cricket that helped us win a couple of close

---

games where, despite not playing our best cricket, we still managed to get over the line. In the end it was those close wins that enabled us to play finals and to ultimately finish Runners Up.

After having to endure five away games out of seven matches last year, the schedulers (thanks to the efforts of our influential junior co-ordinator and WACA rep) were more kind to us this year and we played four matches at home, three of which were on Floreat Oval. Each of these games drew good crowds and provided fantastic experience for young players.

We started the year by giving last year's undefeated Under 13 champions, Wanneroo, a cricketing lesson in round one, and this gave us the confidence and self belief to go on to win our first six games on the trot. Despite dropping a game to Joondalup in the last round, six wins was enough to not only secure a finals position, but to guarantee us top spot and a home semi.

Whilst in most of our wins, our more experienced players dominated the game, the most satisfying victories were those such as the wins against Bayswater-Morley and Midland-Guildford where we lost early wickets, but still managed to grind out wins from tough positions. It was these wins that showed the true character of our team and our boys' fighting qualities.

Six out of seven wins was enough to secure us a home semi final at Floreat Oval against Fremantle. We had outstanding support on the day, not only from the families of our boys, but from the entire junior club. As a result there was a fantastic atmosphere at the ground and our boys rose to the occasion, dominating the match by bowling Freo out for 141 and passing them with just one down, to book a place in the McKenzie Shield Grand Final against Joondalup. Special mentions go to Cam Green who took 5 for 23 and made 61 not out, and our skipper Josh May who made 73 not out in the semi.

Unfortunately the schedulers weren't as kind to us for the final, and the match was played on a pretty ordinary track at the second ground at Allen Park, Scarborough. Still, conditions were the same for both teams and Joondalup knocked over our top order early, before we struggled to a total of just 108. Unfortunately it was never enough runs, but our boys showed their grittiness again to fight back in the middle of the Joondalup innings with three quick wickets to give them a scare at 5 for 60, but they steadied to win by 5 wickets.

All in all we had a most enjoyable and successful season. Everyone made a contribution to what was an outstanding year from a results perspective, but more importantly each boy played a role in developing a team spirit and a culture that made this team a great group to be a part of. Special mentions must go to our skipper Josh May, who proved himself not only to be an outstanding cricketer, but an exceptional leader. Congratulations also to Cam Green, who was clearly the best cricketer in the competition, taking 21 wickets at an average of 7.7, and making 441 runs at an average of 63.

I would also like to thank our Assistant Coach Cameron Tweedie and the world's most organized Manager, Sacha May, for their outstanding support and assistance throughout the year. Thank you also to the parents of all of our boys for their support, involvement and understanding throughout the year.

Like many others, I would also like to acknowledge the outstanding efforts of Jane and Glyn O'Brien who are stepping down as junior co-ordinators and coach after many years of generous and tireless service. Their hard work and planning has made life for me, and for many coaches before me, so much easier, and the junior club owes them a great deal of thanks.

---

Finally I would like to thank the boys. They are a great bunch of kids and were an absolute pleasure to coach. The team spirit they created was a credit to them, and was a major factor in their success this year. I look forward to working with them all again next season and going one step further in Under 15s.

**Andrew Whitechurch** - Coach

## **Under 13's Report (Inverarity Shield)**

The year began at Alderbury Oval, with great excitement and nerves for the round one fixture with Wanneroo. Despite our best efforts, we posted a modest score that was always going to be tough to defend. Nonetheless, the bowlers worked extremely hard and we fought our way back into the match, only to be overtaken by the Wanneroo tail in the closing overs.

This was a pattern that largely repeated throughout the season, where some lapses in concentration saw some costly run-outs and overly adventurous shot making that left us with either a small score to defend or an overly difficult run-chase. It was a great credit to the boys though, that in each game, we fought extremely hard with the ball to often give ourselves a shot at victory.

The best example of this was the final game of the season against Joondalup, when we scored only 68. Some inspired bowling and fielding saw Joondalup under pressure at 7-51 and the boys looking at our second victory for the season. Unfortunately, we were unable to sustain the pressure and Joondalup eventually passed our score.

It was a terrific learning year for all of us involved with the Under 13s and a focus on developing the little things such as running between wickets, catching and building partnerships will no doubt see real improvement next season.

Whilst nominally the coach, the Under 13s were in fact co-coached this season by myself and Andrew Bartley, whose experience, knowledge, candour and humour helped to make training and game-day lots of fun. Andrew is again coaching the Under 13s next season and we wish him and each of Rylie Morgan, Will Bartley, Zac Binning and Jack Bardsley, who will also again be with the Under 13s, best of luck for next season.

I would like to thank the senior players, in particular, Stefan Collins and AJ Murphy, for giving up their time on a weekly basis, often in sweltering heat, to help develop the fielding skills of our junior players. Not only were these sessions a major factor in improving the fielding skills of the Under 13 boys who were able to attend, but the manner in which Stef and AJ conducted these sessions, greatly enhanced the sense of club felt by the boys.

Finally I would like to thank Glyn and Jane O'Brien for their tireless efforts in going above and beyond the call, in performing any number of roles, to enable our junior cricket teams to 'turn-up and play'.

It has been a pleasure to work with the Under 13s and to make a small contribution to the Subiaco-Floreat cricket club. While the win-loss record may not have been as hoped, we look forward to having a crack in season 2012-13.

**Stuart McKenzie** - Coach

## 2011/12 Batting & Bowling Averages

## Club History

The Subiaco Cricket Club was admitted to the Western Australian Cricket Association in 1907 and was formed from the remnants of a mercantile cricket club based at Whittaker's timber mill in Subiaco. The Club played originally at Subiaco Oval before re-locating to Rosalie Park in the 1960's. Some of the better-known Subiaco players were Johnny Rutherford, Jim Hubble, Des Hoare and former Prime Minister Bob Hawke.

The Floreat Park Cricket Club was founded in 1956 and admitted to the Western Australian Cricket Association as a 2nd Grade Club. The most famous players to be produced by the Floreat Park Club were Australian Test players Kim Hughes and Terry Alderman who both went to the Subiaco Club to play 1st grade cricket before returning to Floreat Oval when the two clubs merged.

The Subiaco-Floreat Cricket Club was founded in 1977 as a result of the amalgamation between the Subiaco Cricket Club and the Floreat Park Cricket Club and commenced playing in the 1977/78 season. Ray Young was the inaugural President and Paul Nicholls the inaugural 1st Grade Captain.

Since the amalgamation the Club has produced from within its own ranks, many 1st class representatives including Glenn Hughes, Giles Bush, Todd Breman, Gavin Swan, Michael Clark, Steven Glew and Murray Goodwin.

In season 2000/01, the Club won the Club Championship by a margin of 300 points. This was the largest winning margin on record. In 2001/02, the Club became the first club since 1982/83 to win successive 1st Grade Premierships, the first club since 1986/87 to win successive Club Championships and the only club in the history of the WACA competition to win successive 1st Grade Premierships and Club Championships and at the same time.

In season 2002/03 the Club won a third successive 1st Grade Premiership. This was only the third time in WACA history that a club has won three successive 1st Grade Premiership; the previous occurrence was back in 1924/25. In 2004/05, the club won the Sunday League one-day competition for the first time since it began in 1978/79.

In 2005/06, the club had a distinguished season, being the only club with all four grades making the semi-finals and, in what is probably a national first, all four captains losing the toss on rain-affected wickets (Richie Benaud would receive a frosty welcome if he was to repeat the quote below). The club

---

was also the runner-up in the club championship and we were semi-finalists in both the Sunday League and Colts competitions, whilst our Juniors took the flag in the U/17 competition.

In addition, the umpires awarded champion bowler Sam Howman the prestigious Olly Cooley Medal as fairest and best in the WACA competition and awarded the club the Lords Taverners' Spirit of Cricket Award on the basis of points for each match in every grade throughout the season. Previous Subiaco-Floreat Olly Cooley medallists since it was first awarded in 1976-77 have been Kevin Sharp, who won it in 1980-81, and Brian 'Big Bird' Raven, who won it in 1989-90.

Also in 2005/06, Chris Hansberry was awarded the 2005/06 WA Media Guild prize as State U/19 Cricketer of the Year and Adam Bolton was awarded the JP Robbins Medal as the Second Grade Cricketer of the Year, determined by umpires' votes in a similar manner to the Olly Cooley medal. In the Juniors, Tim Monteleone took the WACA Junior Cricketer of the Year Award and Jimmy Sansalone won the WACA U/17's Cricketer of the Year and WACA bowling aggregate and averages trophies.

## Club Premierships and Championships

### Club Premierships

| 1 <sup>st</sup> Grade | 2 <sup>nd</sup> Grade | 3 <sup>rd</sup> Grade | 4 <sup>th</sup> Grade |
