President's Report

The 2018/19 season has been one of great success for the club both on and off the field. Our 12 teams competed in 16 different competitions and qualified for 9 grand finals and won three premierships. An outstanding result by any standards. In particular, the female program has gone from strength to strength and they underpinned the strong on-field performance.

I have enjoyed the opportunity to reconnect with this great club after a +20 year absence and it has been rewarding to be able to give back to a club that taught me so much in my formative years. I am fortunate to be following in the footsteps of Glyn O'Brien, who did an outstanding job as President for the preceding 6 years and passed the baton over with the club in a far stronger position than it was when he took on the Presidency. I am hoping to be able to do the same. It was great to see Glyn (and Jane's) efforts rewarded with a life membership last year.

Everyone involved in the female program should be very proud of what has been achieved over the past season. Premierships in the A grade 50 over and Youth League competitions were the icing on the cake for a clean sweep of grand final appearances by the A grade, B grade and Youth teams across their 5 competitions. Well done to Jim Sansalone for once again leading the coaching team with aplomb and he was a very deserving winner of the Coach of the Year Award for the WACA's female competitions.

For me, the highlight of the senior men's teams' season was seeing the Colts and 1st grade sides play back to back games at the WACA in the T20 grand finals. Although the 1sts fell short, they should learn from the experience and will be better placed the next time they find themselves in that position. A fantastic effort by the Colts team which saw them fight their way back into the game after an early batting collapse showed a lot of ticker and belief. It brought a tear to my eye hearing Ross Williams lead the boys in a heartfelt rendition of the club song.

It was great to see the coaching team bolstered this year with the return of club legend Gavin Swan to the fold. Swanny provided a breath of fresh air to a coaching team that was unfortunately not operating at its maximum potential. Chris Hansberry very kindly stepped up in a time of need to take on the Caretaker Coach role, which was greatly appreciated by all. I am also very pleased with the addition of Wayne Clark to our coaching team for the coming season, and I'm sure the players will all benefit from his involvement. I would also like to acknowledge the efforts of Dermot Reeve and Ken Lilly for their valuable years of service to the club.

The junior program was once again led very capably by Andrew Sculthorpe, and whilst its success is not gauged only by wins and losses, it was an excellent reward for effort to see the U/17 and U/13 teams make it to the grand-final. A big thankyou to Richard Hacker, Tim Beattie, Dave Barbieri and Andrew Sculthorpe for coaching the respective junior teams and for developing the pipeline of future Lions stars.

Our very loyal and dedicated curator, Scott McLean was duly recognised for his efforts at Floreat Oval by winning the Premier League's Best Pitch Award this year. He helps our club to provide a point of difference compared to the other clubs by continually providing first class practice and match wickets.

It is also important to recognise the contribution made by our sponsors, the Town of Cambridge, the WACA and Cricket Australia. All of these partners provide significant amounts of funding to the club and we would not exist without them. A special mention to the ARK Group (the Kapinkoff family), Revo Sports (the Holder family) and the Inglewood Hotel (Murray Cutbush who has amazingly supported the club for over 30 years). In a very positive development, we recently received confirmation from the Town of

Cambridge that they have agreed to commit to a new 5-year Turf Wicket Maintenance Agreement, and this gives us the financial certainty we were seeking for the foreseeable future.

I have left my biggest thankyou to last. We are very lucky to have a committee full of highly skilled and good people that put in an enormous amount of work to give the players the best chance of success and enjoyment. I can't thank Stu, Sam, Doss, Scully, Erik, Phil, Willo, Larry, Ian, Josh, Monty, Kingy and Johnno enough for their dedicated and selfless service. Please thank these people whenever you get the chance, because you will probably never fully understand the work they do for you and the club. It was nice to see Stu recognised for his contribution when he won the Premier Club Administrator of the Year Award. A fantastic reflection on Stu and the rest of the Committee. I'm sure he managed to get Roughy, Ruth, Subi and Hawthorn into his acceptance speech. We were also awarded by the WACA for being one of the top 3 Premier League clubs from an off-field perspective.

I am looking forward to the year ahead where the Committee will do its best to implement some of the improvements identified by the club's members as part of a year-end survey. We will be introducing a new Leadership program to develop our captains and emerging leaders, seeking grants to fund an upgrade to the Floreat Oval changerooms, and working with the Town of Cambridge to deliver better facilities at Alderbury Reserve. We will also look to further engage the past players group, continue the integration of the male and female players and encourage more engagement of social club members living nearby to our facilities. These initiatives will all take time, but we will work hard to progress these as best we can.

Greg Fitzgerald – President

Coach's Report

I'd firstly like to thank the committee for placing their faith in me to take on the caretaker role following Dermot's departure following the Christmas break. It certainly wasn't an easy task but the assistance from the other coaches, senior players, Dos, Fitzy and Ian was very much appreciated.

There were a number of changes in the coaching personnel throughout the year and I'd like to start by thanking Dermot and Ken for their contributions to the club, not just this year, but for their contributions over their time at Subi. They have both been fantastic servants of the club and been integral to the success that we have consistently achieved over the years. I'd also like to acknowledge the ongoing efforts of Liam Davis and Gavin Swan who did a fantastic job this season and whom I know were well received by the players.

To the players themselves, I'd like to acknowledge that change is never easy, particularly not when everyone is focussing on personal and collective goals to achieve group success however everyone approached the second half of the season with a fantastic attitude and continued to focus on improving themselves and others as players and individuals. This determined attitude demonstrated by many made my transition into the caretaker coach role considerably easier.

It is a very exciting time for the club and I'm confident when I say we have a strong future ahead of us. We only need to look at the following performances this season:

2nd Grade making the Semi Final

1st Grade making the T20 Grand Final

1st Grade making the One Day Semi Final

Colts Winning the T20 Grand Final

If we take a further step back, we can also see the success of our junior programs which will undoubtedly play a key role in maintaining our position as a premier club in the competition as some very talented young players filter through to senior ranks in the coming years.

Looking forward to next year, I know the committee has appointed Wayne Clark as coach for next season and I have no doubt that the playing group will get behind and give Wayne 100% support.

I'd like to finish by saying it's been an absolute honour and privilege to hold the caretaker role this year and I'd like to thank everyone who has been involved at the club that has contributed to making this such an enjoyable experience.

Chris Hansberry – Senior Coach

1st Grade Report

Overall our season finished prematurely. I felt that we had an exceptional team however throughout the season we fell just short in a number of games and this ultimately cost us a place in the finals. This being said we had some positives for the team to take away from the season. Our short format form was exceptional, and we made both the T20 grand final and one day semi-final, however could not finish the job. Despite strong performances from several individuals in these games we could not secure victories.

On an individual note there were multiple stand out performances but for me, two individuals really stood out:

1. Cameron Green – Greeny went from strength to strength this year and it was fantastic to see him making multiple hundreds and winning us games of cricket. The maturity that he approached his innings with is a testament to his cricketing maturity and it is clear he has a bright future ahead of him. It is an exciting prospect that to date Cam has not demonstrated his full potential as he has incurred a number of injuries over the past 2 years which ruled him out of bowling for the entire season.
2. Lucas Martin – Lucas had an outstanding year, he regularly took wickets with the new ball which is critical in setting up our bowling innings. He is also a consistent and reliable performer with an older ball utilising his extra pace and ability to gain reverse swing to make crucial breakthroughs when batsmen were set. Unfortunately, injury cut short Lucas' season prematurely, but we are all delighted with the continued improvement that he has made, and we look forward to him leading the attack next year and asserting himself as one of the premier bowlers in the competition.

I also believe we need to acknowledge the loss of Callum How. Callum has been a fantastic player for Subi for many years and been an integral part of our success in this time. His talent, leadership and contributions on and off the field will be missed by all members of our club. However, whilst this is a big loss it will also provide opportunities for players to step up. We have a wealth of talent at the club and any number of players are capable of developing themselves into an excellent first grade batsman.

I'm looking forward to having a short break before we get back to training and working hard as a group, so we can make the necessary improvements, so we can continue to challenge for a place in the top 6 and ultimately win a premiership next season.

Chris Hansberry – Captain

2nd Grade Report

Firstly, I would like to thank the committee for allowing me the opportunity to skipper in 2018/19. I've learnt a great deal about cricket and leadership, and hope that I have had a positive impact on what was one of the younger teams I have been involved in. My message to the group at the start of the year was that we were going to carry a 'club first' ethos to everything we did, make sure we enjoyed our cricket and had a great time together. Every player who featured in 2nd grade over the course of the year bought into this, and it was an absolute pleasure to skipper.

We had 22 players filter through the 2s this year, 9 of these players were under the age of 21, a number of these played critical roles over the course of the year, which bodes really well for the club going forward.

We got off to a poor start, losing three of our first four matches. We weren't playing our best cricket, but it was a testament to all of the players that the feeling at training and on game day was positive considering our start to the season. In amongst this, there were some really positive signs, with Jamie Collins making his debut in round 1, scoring some crucial runs and bowling important overs. The way the boys rebounded and turned our season around was a real show of character, starting in round five where we bowled Melville out for 27 and got our season rolling.

Going through seven rounds of cricket without losing set ourselves up for a finals' berth and gave us the opportunity to achieve something special. To get us to this position there were some really pivotal performances, Ben Tredget (492 @ 37.85), Kiran Prashanth (334 @ 30.36), and David Lane (245 @ 49), all performed well and worked incredibly hard to get us into the top six. The talent and upside of this group is immense, however, turning the 20s and 30s into 60s, 70s, 80s and hopefully 100s will see this group of batsmen take the step forward into 1st grade. Our performance with the ball at times saved us and got us out of trouble, with a number of players – Conor Moldrich, Andrew Hall, Ash Blake, Cam O'Brien, Jack Retallack and Michael Hart, all playing important roles to turn our season around, five of these six names played 1st grade which speaks volumes to the talent in the bowling cohort coming through.

A real highlight for the 2nd grade players was the opportunity to play finals cricket against older and far more experienced teams. Knocking off Mount Lawley in the Semi-Final was incredibly satisfying, watching two of our youngest players, Kiran Prashanth (62no) and Ben Tredget (59no), add over 100 for the second wicket and take us to a comprehensive victory was great to see and a positive sign for the club. The following week, we lost comprehensively to a fantastic Perth team, who would go on to be premiers, which was disappointing, but provided some fantastic learning opportunities of what a great team looks like.

An extra year under the belt for this young group and added experience in finals will set this group and the club up for season 2019/20.

I would like to thank the other skippers, Gianni and the coaching group for everything you have done to get four competitive sides on the field every Saturday.

Thanks to all the volunteers who gave up their time over the course of the year, the club would cease to function without you and the players are incredibly grateful for your contribution. An extra special thanks must go to Andrew Wilson and Phil Gregson who generously gave up countless hours of their time to help the 2s as we strived to realise our potential. The way in which they shared their knowledge and experience helped make us all better players and a better team.

Finally, thanks to every player that appeared in 2nd grade over the course of the year, you have all made it incredibly enjoyable and I can honestly say you have made my job so easy. I look forward to next season, which hopefully yields success for the club.

Angus McKenzie – Captain

3rd Grade Report

We had 35 players play third grade cricket this season, nine of these boys were a part of the 17s squad. A mix of youth and experience is always a good mix in any team and this season we definitely had that. Throughout the season I have no doubt the young cubs learnt a bit from the senior boys and vice versa. The 17s boys were able to come in and have an impact at third grade level and, with further hard work at their game, many of these boys will be able to have an impact even further up the grades in coming seasons.

Throughout the season, we found batting tough and losing wickets in clumps hurts any team. At times, our bowlers were left with too much work to do and this made it tough making a run for the finals. We were super in our one-day games and won all of them, even managing to topple top-of-the-table Bayswater-Morley convincingly. But it was our two-day cricket that let us down, often unable to get to 200 on the scoreboard – something we need to invest some time into over the off-season. We clearly had plenty of potential, now it is up to the boys to take that to the next level and continue to be the best cricketers they can be!

We had many memorable performances throughout the year and the boys were always a great group to be around. Tom Wilson's form at the end of the season was as good as any and I look forward to him taking this into next season and dominating at 2's and 1's level.

As was Ross Williams' form with the Duke. He was next to unplayable at times and took his all-round game to another level. Tom won the batting award with 301 runs @ 50.17 (averaged 70 in his last 5 games) and Ross won the bowling award with 19 wickets at a staggering 10.63! Congratulations on your awards boys. John Stoykovski's form with the bat was impressive and he continued his form from his English stint and his warm ups continue to be the best going around.

Our 17s players such as Nathan Bothma, Tom Murray, Nick Kane, Ethan Chivers and Oli Higgins all came in and had an impact in the 3's this season. Their ability to play their role against some good third grade cricketers, in pressure situations, was particularly impressive. They were a pleasure to have in the side.

Well done to the Girls, Colts and 17's on their successful seasons – the club is in good hands going into the future!

Thanks to Fitzy and the committee for their hard work and Dermott for his wisdom in the past four seasons. I wish him all the best for the future.

Gianni's work around the club, at times, goes unnoticed. His impeccable organisation and attention to detail is undeniable and is greatly appreciated. The club is definitely in a better place with people like Gianni volunteering his time. Thank you for all your work Dos!

A big thanks must go out to the many volunteers and various sponsors who allow the club to function so well. Without these people, the club doesn't function, and your assistance is greatly appreciated.

I look forward to season 2019/2020 and the next coach and players seeking advice to get their game to the next level!

Tom Moscarda – Captain

4th Grade Report

I was given the amazing opportunity to captain Subi-Floreat 4th grade men's team. Although we didn't have the best of seasons on the books, our performances on the day told other stories. We finished the season 13th with 4 wins, 1 draw, 8 losses.

37 boys took to the field over the course of the half year with the average age staying fairly low until the entrance of senior/almost geriatric Gianni Di Rosso boosting that whenever he played.

The quality of youth coming through was highlighted through the season with under 17 Maxwell Hinch coming in 3rd of our top scorers behind the returning Kim O'Brien who had a fantastic second half of the season topping the batting for 4th grade and ending his 4th grade season with a 51 and an incredible 98. Although we had some great performers with the bat it was what indefinitely held us down over the season with the team struggling for players to convert some decent scores and the famous weekly batting collapse. Tom Murray, Blake Davies and Mitchell Repsevicius however shows that there is some very good young talent coming through with them all posting a half century.

Out of the 37 boys who played, 25 of them managed to get the ball in their hands. And on most weeks all 11 could have had the opportunity to be at the top of their mark with our keeper even taking the gloves off to take the stumps out on the other end.

We did however have a few stand outs, with Thomas Ness having a season not reflective of his stats. His pace and accuracy were unlike any other causing most top order batsman strife and beating the bat. Other honourable mentions to go Ranoul Ratnawibhushana, Callum Stevenson and Campbell Dawson who took the new ball to next levels and Mitchell Repsevicius and Matthew Swain who turned the ball into the stumps more than once.

Only two men managed to keep the match ball with both David Colin-Thome and Jason Kalamaras both taking 5 for in an innings and Jason converting to a 10 for in the match.

Our fielding was average at most times, but Jaxon Geddes deserves a mention to his outstanding season with the gloves – definitely one of the youngsters to keep an eye out for over the next few years.

Away from performances, this season was incredibly enjoyable to captain with all the boys contributing each week. I had an extremely rewarding season watching some of the youngsters grow and develop their skills and will be excited to see them excel in the grades above over the next few periods.

Thank you to all that helped in and around the team but a big mention to Gianni Di Rosso, who if not for him, I most likely would not have had 11 people rock up on Saturdays with his relentless work and commitment to the team.

It was a pleasure to be part of this remarkable 4th Grade 11 and we look forward to next season.

Jason Kalamaras – Captain

Colts Report

The Colts and I were very excited for what the season of 20/20 cricket held. The first training showed the depth and strength of players that were eligible for selection in the coming season. A real mix of young up and comers and some experience in boys who had played First grade. From the start, the drive and bond created between the group was something that I believed would place us in good stead for the entire season and I think is something that is indicative of the strength and future of the club.

The Colts comp had a more carnival feel this year with games being played over three weekends with men's t20. We were matched up against Fremantle, Uni, Rockingham and the Country team in the group stage and Bayswater and Joondalup in the finals. We knocked off all six teams in in the with all round good performances and everyone standing up in at least one of those games. Cam Green, Bailey Gregson, Kiran Prashanth and young gun Ethan Chivers all stood up with the bat and adapted to T20 batting. Lucas Martin, Michael Hart and Jamie Collins were standouts with the ball. Our fielding throughout the season was fantastic, with a real team feeling and purpose to the cricket we were playing.

The group was extremely excited to play in the final and to play at the WACA. The WACA in some ways proved our downfall as we couldn't adapt to the pace and bounce and slumped to 6/32. A fighting innings from Jamie Collins (20) left us with a less than optimal score of 86 off our 20 overs. Although a low score, only one team had scored over 90 against us and we were hopeful we could cause an upset, and we did. The next hour and a half was some of the most intense and exciting cricket I had ever been involved in. Lucas Martin was superb with the ball taking 4/14 and ripping through the Scarborough top order leaving them reeling at 7/20. Hamish McKenzie, Michael Hart and Andrew Nicholson all chipped in with one each to finish the job.

An outstanding reward for the season we had, but it all came down to the hard work put in by everyone in the squad. It was an absolute pleasure to captain the team and great to see everyone flourish in their respective roles. The environment we created was one of the closest and most enjoyable I've been a part of and I think an integral reason that we won the competition. Thanks go to Dermot Reeve, Chris Hansberry and Gianni Di Rosso who all assisted in preparing us and organising the group for the games.

Jack Retallack – Captain

Under 17s Report

The 2018 – 2019 was a roller-coaster season with the significant achievement of the team reaching the grand final vs Gosnells. Unfortunately, the boys weren't able to come home with the flag. We started the season off with Dermot Reeve coaching and ended up with Gus McKenzie, Richard Hacker and Ian Geddes working as a team to fill the coaching role after Dermot went on sick leave. We had a number of matches going down to the wire, most won, some lost creating many nervous supporters in the process!

We had twenty-six boys in the U17 squad, with ten non-PSA boys. Two consistent characteristics were evident from the playing group - attitude and effort – all the boys put in and the general attitude was positive and fun. As the season went on and the PSA boys had commitments at school and weren't able to represent SFCC, the core team of boys built on the strong, positive and fun culture with a growing belief in their capacity to win, developing game by game. These boys developed into a team that strangled oppositions with tight bowling and fielding and a focus on doing the '1' percenters right.

To ensure the boys' season was a good one, many people contributed, and we thank them for their efforts, dedication, belief and passion.

A big thank you to Gus for running the nets sessions and particularly for stepping up when Dermot left our ranks. The boys liked your no fuss approach and words of wisdom. I know the boys appreciated you coming to the Grand final and helping them warm up together with your words of encouragement and support. The 17's will benefit from your involvement next season if given the opportunity.

Richard thanks for taking the reins and riding out the rest of the season after Dermot's departure. The boys fed off your drive and enthusiasm and whilst they may not have enjoyed the fitness sessions, I know they benefited!

Dermot Reeve got our season off to a start before succumbing to health issues and needing to focus on getting himself better. Thanks for your passion in wanting the best for the boys and their development and enjoyment of the game.

We had a number of U15 and U14 boys who helped us out during the season in the absence of the PSA boys. Ethan Barbieri took a massive step up from U14's to play two games for us as did Jack Beggs (1 game). Mani Kalia (U15) ('GFT' - Grand Final Team) played three games during the regular season and then was outstanding in his appearances in the finals, taking wickets and scoring invaluable runs.

Scottie and Bruce McLean for producing great surfaces for playing and training. Thanks for all your hard work.

Cambell Geddes (GFT) – our athletic Captain courageous, who took a stunning catch which was the momentum changer in our semi-final. Always there with a word of encouragement and belief, he backed the boys and gave them the freedom to shine. A strong 41 in the final helped us to a competitive total.

Tatenda Makova (GFT) – our Vice Captain with competitiveness his middle name. 'T' won the best batsmen award for his consistency throughout the season and his capacity to lead by example. A great fielder who always keeps the opposition honest.

Maxwell Hinch (GFT) – the team voice and leader of the team song! Always encouraging the boys and backing them. A batsman who is learning his craft, watch for him in the future. Good set of hands in slips and took a few blinders throughout the season.

Ross Crawford (GFT) – the silent achiever, coaches award, 120% all the time, never quit and a mixture of pace, variations and guile. Ross's performance in the finals was inspiring. In his first 7 matches he had figures of 42 overs, 5/123, ave. of 24.6 – In his last 5 matches Ross bowled 48 overs and took 14/119, ave. of 8.5 – talk about lifting at the right time!

Michael Humphryson (GFT) – Our opening bowler who won the coaches award for best bowler for his 23 wickets at an average of 16.4. Probably would have more wickets if not for a number of dropped catches. Always created problems for the opening batsmen and often got an early wicket to give us the upper hand.

Antony Mizzi (GFT) – gone from strength to strength over the season. Mr Positive with unbounding energy and infectious enthusiasm for the game. He continued to develop his game sense and shows promise as a fine leggy and solid batsman.

Dylan van der Meulen (GFT) – had the gloves and improved as the season went on, aggressive batsmen and clean hitter of the ball.

Luke Giglia-Smith (GFT) – opening bowling partner with Humpy, consistently creating havoc and taking wickets with a no fuss approach.

Tom Hacker (GFT) – Left arm chinaman who bamboozles oppositions and a batsman often under rated – quiet and determined but always in the hunt. Played a strong role in helping us win the Semi-final with a valuable 28. Came back from Tonsillitis to represent us in the final – gutsy effort – well done Tom.

Nathan Bothma (GFT) – Master blaster with bat and ball with a rocket arm in the field and a safe pair of hands. After talking with an opposition batsman it was evident that Nathan takes wickets by scaring them out with outright pace! First game back after recovering from a finger injury he knocked the ball around for a 122 not out, off just 125 balls.

Joey Betts (GFT) -Jetts scored consistent runs when back in the fold after having his knee reconstructed from a football injury. Rolled the arm over and collected a couple of wickets as well as always great in the field.

Jacob van der Meulen – line and length bowler with a number of slow ball variations which result in regular wickets. Hits the ball long and hard and goes about his work without fuss.

Matthew Sculthorpe – great all-round cricketer with both bat and ball. Played five games and always figured in runs and wickets. Great intensity and competitiveness at all times and has represented the state.

Oliver Higgins – stylish batsmen and very handy fielder. Ollie is another of our quiet achievers who scored 148 at an average of 74.

Tom Murray – magic with bat, ball and in the field, always in the competition. Great team man - another representative at state level.

Will Cornish – spin king in the making with the capacity to hit a good ball. When bowling with rhythm and self-belief he is unbeatable.

William Foster – surprised with the ball at times given a dodgy back and worked hard in the field.

Cam Gregory - some valuable contributions with both bat and ball, helping us across the line with a 21 against Centurions.

The following boys only played a handful of games between them and on their day, all made contributions. Riley Waters, Ethan Chivers, Charlie Hurst, Griffin Binning, Bray Lyon, Nick Kane, Piers Kirk and Alex Osborne.

We had a number of the boys representing the state.

Matt Sculthorpe and Tom Murray represented the state at U15 level in 2018.

Ethan Chivers and Nick Kane played the U17's national competition during the season in Queensland in early October 2018. Ethan was WA's second highest scorer including 98 vs Queensland.

For the U17s we had the following trial for U17's (Squad not announced at time of writing) Ollie Higgins, Matt Sculthorpe, Tom Murray and Nathan Bothma.

Ian Geddes – Team Manager

Richard Hacker – Coach

Angus McKenzie – Assistant Coach

Under 15s Report

This season was another one of consolidation and improvement for this year group as they built further on their experience from previous years in terms of individual skills, applying those skills in game situations and knowledge of the game in terms of strategies and tactics.

The early part of the season was very disjointed as 3 of the first 6 days of the season were washed out by rain. From an individual perspective, this made form and rhythm hard to find and from a team perspective, it robbed us of a couple of games against very beatable opponents.

When we finally got into the swing of the season, we put together a meritorious effort in a 50 over fixture against the eventual premiers in Gosnells, followed by a thrilling win in our first 60 over game at Richardson Park against South Perth.

This win was driven by a strong group effort with the ball, highlighted by 3 for 35 off 12 overs from Mani Kalia and 2 for 17 off 10 overs by James Kerr. The highlight of our batting was a fine 70 off 88 balls by Zak Beattie and the highlight of the game was a scrambled single by Henry Vaughn off the final ball of the game to secure the win!

Unfortunately, we let the next game slip as we were unable to make the key moments go our way. A strong effort with the bat highlighted by 68 from Zak and 55 from Preston Campbell got us to a solid total of 186, but some more urgency during the middle overs could have seen that total pushed beyond 200. Similarly, while we bowled well throughout and held the upper hand at times, we couldn't find the killer blows and Joondalup got home with just an over to spare.

From there we went into T20 mode which was an education for us all. We found Scarborough and Bayswater Morley too strong for us in this format, but we put together a great run chase against Wanneroo only to fall 3 runs short in the final over.

We finally managed to clutch a key moment in the final T20 fixture where a double-wicket maiden in the second last over of the game by Henry Vaughn got us over the line.

Notable performances through these T20 games came from Duncan Bent who scored solid runs at around a run-a-ball throughout and Mani Kalia whose 'death' bowling showed great character and skill.

We then returned to the longer format and duly put together our best batting performance of the season, 197 from 60 overs against a strong Midland-Guildford side. Zak again lead the way with 55, though it could have been so many more, and he was ably supported by Alex Beattie and Duncan Bent who both played beautifully, only for both to be run-out for 49!

Unfortunately, we couldn't control their strong batting line-up the following week and the boys endured a tough morning chasing leather.

The final stanza of our season saw the exit of the PSA boys and opportunities open-up for others in our squad along with some of the boys from the U14s. It was great to see the 'train-on' members of our squad get the opportunity that they had absolutely earned through strong and consistent training performances across the season.

A disciplined bowling effort saw a reward first up for this new-look team as they defended 117 against Centurions. The stand-out performance with the bat was 53 from Blake Davies and the bowlers managed

to maintain great discipline with line and length to strangle the Centurions' batting line-up. 3 for 15 off 9 overs from Jack Beggs and 2 for 10 off 9 from Mani Kalia were the headlines of a strong group effort.

In what turned out to be the final game of our season, we were hit hard by a strong Willetton team on day one but showed great character to fight it out on day two. More wickets to Jack Beggs and quality batting from James Pampacos and Ethan Barbieri gave proof of their potential and we finished up having the better of the second half of the game.

Overall, it was another season of improvement but also another season of some missed opportunities. The quality of the individual players in this year group has not yet been reflected in the team's results and this comes down to a combination of not taking some opportunities in key moments and not pressing home the advantage at times when we had the upper hand.

If this group can find ways to nail those important moments more often, significantly more wins will result.

Once again, it was an extremely enjoyable season for me. This is a great group of kids to be part of. I look forward to watching them continue to improve over the years and assisting in any way I can. I sincerely hope to watch many of them turn out for the SFCC senior teams in years to come.

Lastly, I would like to thank Tom Wilson and Peter Kerr for their efforts as assistant coaches, the whole parent group for their support throughout the season and in particular, Kate Haynes, for her efforts again this season as our Team Manager.

Tim Beattie – Coach

Under 14s Report (McKenzie Shield)

This year has been a real pleasure to be a part of, especially given the talented group of boys I was fortunate enough to coach. My objective for our year was to encourage and instil confidence in the players and also to make them aware that they are extremely capable players with a special talent. Reflecting back on the season it was certainly one of individual development and continual improvement, both technically and with personal growth. Despite only securing three victories for the season, we were highly competitive in each and every game. With just a bit of extra luck the win-loss ratio could have been much more positive.

At the start of the season we set three core values for what we wanted to be and stand for as a team. They were **commitment**, **respect** and **mateship**. It was really satisfying to see the boys display and take these values to heart more and more as the season progressed. By the end of the season they demonstrated these values at every training session and on game day.

Throughout the season there were some outstanding individual performances with both bat and ball. Ethan Barbieri excelled throughout the season finishing as our teams leading runs scorer and wicket taker. He produced batting scores of 64 vs Joondalup, 57 vs Mt Lawley, 62 vs Claremont Nedlands. Most significant was the game against Bayswater Morley where he scored 39 runs and had bowling figures of '5 for 14' off 7 overs.

Making their first 50's at Premier Cricket level was Jack Cooper - 57 vs Midland Guildford and 69 vs Claremont Nedlands, Thomas Hopwood - 62 vs Mt Lawley, Jack Beggs - 56 vs Bayswater Morley and James Pampacos - 56 vs Wanneroo. These significant milestones really highlighted the talent of these boys and the development they continued to undergo throughout the entire season.

The improvement from Jack Foster with both bat and ball and his great attitude towards the game demonstrated the immense value he offers the team. Players such as Finlay Chivers, Banjo Harold showed really great batting promise. Leighton Ardagh and Xavier Binning developed not only as solid batters but also excelled at wicket keeping.

Really strong and consistent bowling performances by Riley Disisto, Matthew Quadrio, Eamonn Murray, Fraser Hyatt, Jack Beggs and Harry Broadridge this season indicates not only the depth of talent of the boys but also the strong position we hold going forward.

Nathan Murray, despite being injured and unable to play during the season showed great dedication to his team. His commitment to attend every game and training so he could support his team mates was an inspiration.

I would also like to congratulate Ethan Barbieri for having received an invitation to the WA Premier Cricket Junior Awards Night at the WACA where he received an award for Outstanding Performances in Junior Cricket for Player of the Round.

Overall it was a pleasure to see the boys take responsibility for their own game and make the strong connection that what they put in is what they take out of the game. They represented SFCC with great honour and made me proud as coach.

My appreciation goes out to Donna and Chris Murphy who took on the role as Manager. Their unrelenting efforts and organisational skills definitely made my job easier and more manageable.

I would also like to thank Matt Beggs for his commitment, time and effort in assisting me this year. Thank you also to all the parents who helped out and supported me and our team throughout the year.

I would like to express my appreciation to Andrew Sculthorpe and the Committee members for giving me the opportunity and responsibility of Coaching the U14 team and I am looking forward to coaching the U15s in the upcoming season.

Dave Barbieri – Coach

Under 13s Report (Inverarity Shield)

What a wonderful season on every level.

The basic story tells us that the 13s made it all the way to the Grand Final after a hugely successful campaign. The team lost to South Perth in the John Inverarity Shield GF and every member of the squad should stand tall after performing well throughout the whole season.

However, even these impressive facts and statistics don't tell the whole story. The development of each player's skills has been a pleasure to see and the positive culture within the group was at times extraordinary to witness. In fact, the team spirit often carried the side to victory against the odds. The boys lived their values of "energy and encouragement" in each game and brought boundless enthusiasm wherever they played. The mateship and love for the club was plain for all to see and was commented on by opponents and umpires alike.

Much of the above is thanks to a keen parent group along with the great help from Manager Nicky Sculthorpe and Assistant Coach Mike Thacker, all the more exciting as Mike will coach the 13's next season and the leadership team remains the same for the 14's.

Whilst every game was a triumph of teamwork, there were many highlights from individual players. Louis Clayton regularly played the role of sheet anchor as opening batsman and amassed 170 runs in his debut season, along with his excellent close catching. His and the team's highest score of 68 ensured victory in a very tight game with Bayswater-Morley. A name to watch for the future is Will Malajzcuk who scored 165 runs for the season, particularly impressive as he is two years younger than his peers, a strong and instinctive left hander destined for great things. Neel Kalia was the season's leading scorer with 180 runs and his overall contribution was all the more impressive as he also claimed 4 wickets. There were strong all-round contributions from other players like Jimmy Hart and Lachlan Cattalini and their excellent fielding lifted the whole side every game.

It was with the ball that the side really caused the most damage, such as outstanding bowling performances from Tom Lambo (7 wickets) and Lachlan Geange (8). The nerveless Charlie Watson and Lachlan Teakle both bowled consistently well under pressure and they were all ably helped by strong fielding from all players. However, the bowler who made the biggest impact was George Sculthorpe with his 12 wickets, he even won the WACA 13's bowling prize for the season to add to his strong batting that saw him score 148 runs.

Every player progressed individually, and 4 boys will remain with the 13s for the 2019//20 season, one that both the 13's and 14's can look forward to with eager anticipation.

Andrew Sculthorpe – Coach and Junior Coordinator

Female Coach's report

The SFCC Female Cricket program went from strength to strength in 2018/19. We are fortunate to have an extremely talented and loyal group of players in our Female program and with the club being able to retain the vast majority of players from last season, the expectation for the group was to improve on our results from last year. The group decided to maintain the same values we established last year which are;

- Respect
- Loyalty
- Community
- Ruthlessness
- And most importantly fun

What was to follow was something we believed we could do but knew it would take plenty of hard work. Our players jump almost weekly from T20 to one day games. This along with WNCL, WBBL and Representative cricket means there is a considerable amount of fluidity between grades and teams each week. This is hard on coaches but even tougher on players but to their credit everyone's 'team first' mentality went a long way in ensuring the terrific results we achieved this season.

There were several significant individual and club achievements throughout the season.

The first was that we were one of six inaugural participants in the Premier Girls Youth League (PGYL). This was a leap of faith for the club but one that has already paid dividends through introducing a number of quality young female players to Subi as well as bringing home the first ever PGYL premiership. SFCC has always placed great emphasis on our Colts/Youth programs and to win the Men's Colts, PGYL and finish runners up in the Under 17s holds the club in great stead for the future.

On the senior front, we qualified for all four grand finals across A and B grade. The highlight of the season was finishing on top of the A Grade 50 Over ladder, gaining a home final at Floreat, then rather emphatically, beating Midland to achieve our first A Grade 50 Over Premiership as Subiaco-Floreat. This is a massive achievement for our relatively young club. In this team, the majority of our 12 players were under the age of 23.

We finished second on the ladder in the A and B Grade T20 and the B Grade 40 Over competitions. I'm proud to say the girls fought to the end, however, came up short against deserving Premiers Melville.

At Representative level, Nicole Bolton represented the club at the International level with distinction. Bolts was joined by Co-Captain Emma King, Heather Graham and Megan Banting at state level and throughout the Perth Scorchers WBBL campaign. Heather Graham had the distinction of being named the Domestic Player of the Year, which was deserved recognition for a great season.

SFCC also had six players in the final 15 for the State Under 18s with five going away to the carnival. Millie Monaghan was named Captain of the team. Whilst the team results were below par the contribution of the SFCC players was admirable given they all have at least one more year in the program.

We also had 2 players in the WA Under 15's squad with one player and our Youth Coach Josh Monaghan travelling with the team. To have so many players in elite and pathway programs is a tremendous advantage for the Club.

At the end of season Karen Read Medal Night a number of Subiaco Floreat players were recognised for outstanding individual seasons. Megan Banting was awarded her first Karen Read Medal as A Grade Player of the Year as well as taking home the A Grade T20 and One Day Batting aggregate. Emily Johnston won the first ever Jenny Owens medal as B Grade Cricketer of the Year. Like Bants Johnno also took home the B Grade T20 and One Day batting aggregate. Well done Karen. Subi also had four players named in the WAFCC Team of the Year. Joining Bants and Johnno were Heather Graham and our 14-year-old leg spinner Evelyn Brock. Well done ladies.

I would like to thank the coaching group we have expanded this year. Aaron Lilly continued his great work from last season. His knowledge and enthusiasm for cricket are amazing to have around the group and a big part of our rapid success. We were also fortunate to secure Club Captain Chris Hansberry to assist mentoring our younger spinners and batters. Having someone of Chris' calibre at training was a coup for our program and the growth amongst our talented young spinners was easy to see.

A new team means greater resourcing and we were fortunate we didn't have to look very far to find more than capable people to step into roles. Thank you to our Co-Coaches Josh Monaghan and Jordan Brock for their hard work establishing our newest side. Jordan also took on an unofficial role as B-Grade Coach/Manager/Scorer. Both men are tremendous assets for Subi, and the club is extremely fortunate to have them. A big thank you also to Trina Quadrio. It is difficult to put a name to Trina's role within the program, but the mountain of work Trina does for both the girls and boys is certainly appreciated by coaches, players and the club.

I would like to thank our senior playing group leaders this season of Emma King, Nicole Bolton, Megan Banting and Emily Johnston. The work and example they set for our squad is nothing short of incredible. I would also like to thank our numerous captains throughout the year who stepped up without question and lead sides at different occasions throughout the year.

Personally, I would like to thank the club for their continued support of myself and the program. The assistance in allowing me to achieve my Level 2 accreditation, hopefully, has and will be reflected in the Club's results. To my wife Jess and our new cub Lenny, thank you for your support and understanding allowing me to be involved at a club that means so much to me.

Finally thank you to our amazing squad. The comradery and willingness to jump in wherever and for whatever never ceases to amaze me. The last two seasons have been two of the most enjoyable and rewarding I have had at Subi. Your enthusiasm around learning and playing the game of cricket is infectious and you are winning admirers throughout the cricketing community.

We are building a club and culture that many clubs are envious of. We had a tremendous season in 2018-19 and I look forward to bigger and better things next season and beyond.

Subi Once Subi Twice

James Sansalone – Coach

Female A Grade Report

What. A. Season! No words can describe how proud I am of this squad and how far we've come.

For the first time under the Subiaco Floreat name, we played in all 4 Grand Finals:

- A Grade T20 – Runners Up
- B Grade T20 – Runners Up
- A Grade 50 Over – PREMIERS
- B Grade 40 Over – Runners Up

The A Grade T20 season began like every other year with an early wash out. After that, Megan Banting bullied opposition bowlers. Banting made 55 (41) in Rd 3, 60 (43) in Rd 4 & 52 (25) in Rd 8. Rd 9 was the defining round for our season. Our Fury AND our U18s State girls were away. However, Jess Emery (3/11) and Sophie Fletcher (3/15) stood up along with a great team performance with the bat to beat South Perth. A true reflection of how far we have come as a club (not just a team). The T20 final unfortunately wasn't to be, although there's no doubt it assisted with our hunger for the 50 over title.

Our 50 Over campaign started off with a loss, however from that moment we didn't lose another match. As a team we were consistent and ruthless. Every player had a moment where they stepped up throughout the season when it mattered. We cruised into the Grand Final on top of the ladder booming with confidence. Highlights included Sam Quadrio in Rd 3 when she took 3 wickets in 1.4 overs. Heather Graham chipped in 44 (46) in Rd 3, with a cheeky 4/18 (off 10) in Rd 7. Banting continued her brutal dominance with 54 (55) in Rd 2, 68 (56) in Rd 3, 91 (89) in Rd 4 and 109 (148) in Rd 6 to top it off. Only 2 of our bowlers were needed in Rd 8, when we rolled University for 25 after 16 overs. I had the best seat in the house down the other end watching Nicole Bolton 110 (104) in Rd 9. Her return really lifted the group to another level this season. However, nothing beats her performance in the Grand Final. Bolton scored 84 (108) and led the way to the flag!

Jimmy Sansalone, what a man! The recognition he received from the WACA for the Female Coach of the Year says it all. He has provided unbelievable support and guidance for our squad and puts in even more work behind the scenes. Jimmy drove the development of our new Junior Program and ensured everything ran like clockwork. Here's to our Premiership Coach!

Thank you to Aaron Lilly for his continued support he provides for our girls. His one on one coaching has been a major factor in improving our standards across both teams.

As always, a big thank you to SFCC and the committee for your ongoing support towards the female program. Also, a big thanks to Jordan Brock and Josh Monaghan for assisting with our new Junior side. I look forward to hopefully being a part of many more successful years in the yellow and maroon and I have no doubt there is more silverware to come shortly.

Emma King – A Grade Captain

Female B Grade Report

The 2018/19 season was arguably the most successful season for the B grade team in the 5 years it has been in the WACA premier competition. After taking out the B Grade T20 premiership in the 2017/18 season, the squad was looking to build on this success and challenge for the 40 over flag. The squad started pre-season training earlier than previous years and proved valuable for the team's new recruits for the 2018/19 season. The most notable newcomer was 14 year old leg spinner Evelyn Brock who finished the season as the team's highest wicket taker and finished as the competitions 2nd leading wicket taker.

Winning six out of ten T20 games was enough to finish second on the ladder and make our second grand final appearance in a row. Unfortunately, another premiership wasn't to be as we shifted our focus towards a 40 over grand final berth. Finishing with 7 out of 10 wins and second on the ladder in the 40 over competition was the best win-loss record for the side in its history. The grand final was hotly contested and came down to the final two overs with the Lions going down graciously in defeat. The team showed exceptional character, enthusiasm and Subi spirit throughout the season and were a delight to take the field with each week.

Acknowledgement must go to James Sansalone and Aaron Lily for again providing exceptional leadership throughout the season. Special mention goes to Jordan Brock who's support at all matches throughout the season allowed the players to have organised and comprehensive warm-ups.

Throughout the season there were some stand out performances with bat and ball.

T20

Sophie Fletcher 3/11 (round 1) Olivia Bunter 4/7 (round 4)

Shannon Alderdice 52 (round 1) Jackie Naidoo 31 (round 7)

40 Over

E Brock 5/21 (round 2) 6/16 (round 7), K McGhie 3/5 (HATRICK round 4), S Fletcher 4/10 (round 6)

E Johnston 123* (round 1) 101* (round 7), K Handicott 40 (round 4), S McClurg 39 (round 5)

I look forward to the 2019/20 season as we continue to build year on year and will hopefully continue to challenge for silverware.

Emily Johnston – B Grade Captain

Female Youth League Report

After a short trial series at the end of 2017/2018 the WAFCC Youth League was created this year, with the objective of providing a pathway for female players to transition from Community Cricket to Premier Cricket. With 6 clubs joining the league, the format was for 5 T20 rounds and a 2 stage final series.

While the goal of the competition to provide a pathway into Premier Cricket, Subiaco-Floreat were incredibly lucky to have a number of players who had already played a number of seasons of Female Senior cricket. This meant that we were able to build a squad with a mix of “senior” players, along with a number of players stepping up to turf cricket for the first time. The mix of experience and “youth” proved invaluable throughout the season.

The team formed with a group of players from Wembley Districts Junior CC, Leederville-Mt Hawthorn Junior CC and Claremont-Nedlands-Bassendean!

The Regular Season

Looking solely at the statistics for the season you might think that the entire competition was a bit one-sided. Subi-Floreat won 4 of our 5 games, and only lost 10 wickets in those 5 games. However, there was strong competition from Melville and South Perth, with all three teams ending up on 16 points. It was our quotient that helped us end on top of the ladder.

Standout performances throughout the season are hard to pinpoint, but that doesn't take away from the talent and dedication of all the players. The entire season was truly a team effort. Each game had multiple wicket takers, the top order shared the runs around, and the fielding was exceptional. Catches were taken, runs dried up, 12 run outs were affected in the season, and on the rare occasions that a mistake was made, the recovery was quick and strong.

Samantha Quadrio took out both the Batting and Bowling awards, with some fantastic performances, making the most of a regular spot at the top of the order, and some tight bowling. However, it's a testament to the overall strength of the squad that but for an umpiring decision or two going the other way, the bowling award could have been shared amongst 3 or 4 players.

A word must be said about the team Captain, Millie Monaghan. Tireless in her effort, preparation and dedication to the team, she truly made the coaches job incredibly easy. At times it seemed that all we needed to do was turn up, make sure the boundary was in place and Millie took care of the rest. We can hope that we have captains like her in the future, and it was because of this that we awarded her the Coaches Award.

No team can be successful without someone making sure that everyone knows where they need to be, who's available and what needs to be done when and where. For the Youth League team, the stellar Trina Quadrio was all of this and more: Manager, Scorer, Morning Tea Baker! Her tireless organising made our jobs that much easier and ensured that the team ran smoothly and efficiently. Many heartfelt thanks.

Grand Final

“They” say that just getting to the GF is an achievement in itself. As coaches, particularly of younger players, our main hope going into a grand final was for a competitive match, with everyone being able to contribute to the team effort. That hope was realised a hundredfold, in a manner that gives goose bumps weeks later.

The final was played against a very strong South Perth team, who seemed happily surprised that Millie chose to send them in to bat upon winning the toss. They got off to a steady start, only losing 1 wicket as they got to 50 in the 9th over. Then the spirit of the Lionesses showed through as we lifted in the field and began a run of dismissals. 4 big wickets fell in the next 4 overs, which began to put pressure on their middle and lower order.

Through a combination of great bowling, catching and fielding, South Perth were unable to score freely for the rest of the innings, and a flurry of late wickets kept their total to 86. A score we felt they were unhappy with, but one that would require application to chase down facing a strong bowling line up.

Having 7 players who had played in Senior Women's finals throughout the season proved to be invaluable, as it gave us the ability to concentrate on the game, and not be overawed by the situation. Batting with maturity beyond their years, the top order knuckled down in the face of quality bowling. We were scoring steadily and had only lost 1 wicket when we passed the half-way mark in the 12th over.

That left an increasing required run rate, but with wickets in the shed, it was still achievable. As we stepped up the run rate, the wickets began to fall, with a number of direct hit run-outs stepping up the pressure. We continued to score, and wickets kept falling, and then it was the final over: 6 runs required, with 3 wickets left.

A run off the first ball, and a wicket on the second and the pressure starts rising. 5 runs needed off 4 balls. Another run. A wide, and it's down to 3 off 3. A dot ball! Fingernails disappearing. Then it's South Perth's turn to feel some pressure, and there's a no ball and a sneaky run and the scores are tied. One run to avoid a super-over. A dot ball off the free-hit and it's down to the final ball of the season. It's on the stumps, but Katie Leonard is stone-cold, and flicks it over backward square for the winning run. Chaos ensues!

Some thoughts on SFCC

When James Sansalone asked if we'd be keen to coach the team we both leapt at the opportunity. It's not every day that you get to start off with a clean slate, helping a group of new players form into a Team.

That said, I personally had some trepidation at the beginning of the season, particularly as it was the first year of involvement with a Premier Club. It turns out that was completely unfounded because of the incredible sense of community, purpose and support that the club has built.

Having an environment where the Fury and Scorchers players and the entire senior squad are at training, helping out, offering support and advice made for training sessions that you'd look forward to as much as game day. Special thanks must go to Emma King, Nicole Bolton, Megan Banting, Heather Graham, James Sansalone and Aaron Lilly for their tireless efforts at creating a fantastic club atmosphere that welcomes all players and encourages them to do their best.

Josh Monaghan and Jordan Brock

YOUTH LEAGUE CAPTAIN'S REPORT

It's an amazing feeling knowing that we won the inaugural season of the new female youth league competition. The team that Subi Floreat put together was a group of different aged girls from all different teams, that all share the same passion for cricket. The way everyone came together as a team and played for each other in the team was incredible. Watching on looked like we had been a team for many seasons.

Getting to the grand final and winning wasn't on the back of one or two specific people it was the seventeen players that played for us this season, every game a different person stepped up and took on the challenge of winning the game for us.

Out of the seventeen players, fifteen were bowlers, which made choosing bowlers very difficult, but I had great confidence that I could hand the ball to anyone and they were capable of doing their role. We didn't have two bowlers of the same style and each had their ways of getting the best batters out, which is why when we bowled first, we were able to keep other teams to chaseable totals for our batters to get to job done.

Our team has a very deep batting order and the top order did a very good job, which meant only in two games did we use the deep batting order. Our top order was able to chase these totals and when required the lower order did a great job at finishing off what was started.

The majority of the team will move onto to seniors next year, but I'm sure those staying will do a great job of leading the team next season and hopefully to another grand final.

Millie Monaghan – Youth League Captain

Outstanding Performances

Batting – Centuries

	Runs	Player	Grade	Round	Inns	Opponent
1	131	Jeremy Fatouros	1st Grade	13	1	University
2	123*	Emily Johnston	Female B Grade 40 Over	1	1	Midland-Guildford
3	122*	Nathan Bothma	Ted Hussey Shield (Premier U17)	6	1	Joondalup

Club History

The Subiaco Floreat Cricket Club was formed in 1977 when the Subiaco and Floreat Park clubs merged.

1900 to 1949

A cricket club in the Subiaco area was first formed in 1896 and played in the Senior Matting Association based at the Shenton Park Lake ground. In 1907-08 the Subiaco Club was admitted to the WACA A Grade competition but after two seasons were relegated to B Grade. During this time the Club moved to the newly developed Mueller Park in Subiaco where at the western end (later Subiaco Oval) they shared the playing fields with the Subiaco Football Club.

In the 1910-11 season, Subiaco combined with fellow B Grade team; Whittaker's and was re-admitted to A Grade as the Subiaco Cricket Club. The following season Subiaco merged with the neighbouring Leederville club to form the Subiaco-Leederville Cricket Club and played under this name until 1930-31, when they reverted to Subiaco Cricket Club.

By this time Mueller Park had been renamed Subiaco Oval and from 1929-30 the Club enjoyed sustained success winning six premierships in the 17 seasons until 1946-47. Many Subiaco players from this era represented Western Australia, in the days before WA was admitted into the Sheffield Shield competition. Future Prime Minister, R.J. Hawke, played for the Club in the post-war years.

1950 to 1977

The Subiaco Club did not enjoy team success during the 1950's and 1960's finishing runner-up twice and making the finals one other time. The highlight for the Club from this era was Jack Rutherford being the first Western Australian to be selected for Australia on a major tour and the first to be capped when he was included in the Australian side which visited England, India, and Pakistan in 1956. Rutherford's single test was against India in Bombay.

In 1965-66 the Subiaco Club left Subiaco Oval and moved to Rosalie Park on the west side of Thomas Street. Jim Hubble became the Club's second Australian representative, touring South Africa in the summer of 1966-67, playing in nine matches, but not in the Tests. During the 1960's former England player Tony Lock played for the Club.

The Floreat Park Cricket Club was formed in the post-war years. In the 1959-60 season, Floreat Park was admitted into the WACA competition as a 2nd Grade club fielding teams in the lower grades only. Talented Floreat Park juniors seeking to play 1st Grade invariably moved to the neighbouring Subiaco Club. Notable Floreat Park juniors who made the move to Subiaco were Kim Hughes, Terry Alderman and Sam Gannon who all played Tests for Australia.

The recruitment of former Australian player Des Hoare as Captain-Coach in the late 1960's saw the Subiaco Club play in the finals four times in seven years, winning Premierships in 1971-72 and 1973-74. However, while the Subiaco Club was competitive at 1st Grade level, a small district and declining junior player numbers saw the Subiaco Club merge with the 2nd Grade Floreat Park Club. The Club was named Subiaco Floreat Cricket Club and commenced playing in the 1977-78 season.

The last match played between the two clubs was the 1976-77 4th grade grand final where the Subiaco 4th's captained by future President Larry Davies triumphed.

The amalgamation was a true merger with administrators and players from both Clubs sharing the roles. The new Club's headquarters was Floreat Oval, with Rosalie Park retained as the second ground (until 1981) along with Floreat's Alderbury Street Reserve. Subiaco's Lion emblem and gold and maroon colours were combined with the royal blue of Floreat Park, but there was no room for the Floreat Park grey.

1977 to 1999

WA Parliamentarian Ray Young was the inaugural President and Jim Hubble the inaugural Captain of Subiaco Floreat and Terry Alderman returned to Floreat Oval but the first season did not bring instant success. During the following three seasons the Club were runners-up twice and semi-finalists once, as well as being Club Champions in 1978-79. All-rounder, Graeme Porter played for Australia in the 1979 World Cup.

1st grade success was finally achieved in the 1987-88 where a strong squad including Test players Terry Alderman, Kim Hughes and Tom Hogan alongside present or future 1st class players Giles Bush, Todd Breman and Peter Gonnella won the first 1st grade flag for the amalgamated Club and the ninth overall.

In 1983-84 future cricket broadcaster Glenn Mitchell, captained the Colts undefeated for nine matches to capture the Club's first Colts Premiership.

The 1980's decade was overall successful, in addition to the 1st grade and Colts, the Club also won a 2nd grade and a 3rd grade flag, while the 4ths won a hat-trick of flags under the wily leadership of club stalwart Alan Bolton.

The 1990's were fairly lean for the 1st grade with only three final appearances. However, this decade saw the debut of Bunbury junior, Murray Goodwin, who would go on to play Test cricket for his native Zimbabwe. In 1990-91 all four senior sides qualified for the finals and the Club was once again Club Champion. The lower grades continued to be successful in this decade, the 2^{nds} and 4^{ths} both won two flags each as did the Colts. The 1997-98 Colts were captained by Steven Glew in his first of seven Premierships for the Club.

2000 onwards

The 21st Century began with a bang. Under the inspiring leadership of fast bowler Gavin Swan, the 1st grade team won three successive premierships from 2000-01. The 1^{sts} competed in the finals in eight times in the first decade of the new century. The dominance of the 1st grade team in this period saw the Club also claim the Club Championship in successive seasons 2000-01 and 2001-02. The Colts added three more flags to their collection, while the 3rds with two flags and the 4ths with one continued the success of the lower grade teams. In the One Day Sunday League competition, the Club finally found a winning formula, winning titles in 2004-05 and 2008-09.

Success continued into the 2010's. Under David Bolton the 1st grade did the "double", winning both the Pennant competition and the One Day League in 2010-11. The following season, the Club finished runners-up after losing a close grand final. The 1st grade bowling attack was particularly strong with fast bowlers Nathan Coulter-Nile and Jason Behrendorff operating. Coulter-Nile has gone on to represent both WA and Australia while Behrendorff debuted for WA in 2011.

The 3rd grade won a flag in 2012-13 and in the following season with Noel Knight returning to the Club as Head Coach the 1st grade once again won the Sunday League Championship

2014/15 saw the Club expand when the local WA Female Cricket Council A and B grade teams elected to join Subiaco Floreat. It was a homecoming of sorts, as back in the 1970's the Subiaco men's and women's cricket clubs shared the facilities at Rosalie Park. The ladies made an immediate impact, winning the T20 final at the WACA ground.

Season 2016-17 saw Chris Hansberry lead the First Grade team to a premiership, with gritty victories against top teams Fremantle and Claremont in the semi-finals before a memorable victory over Joondalup in the grand final. Cameron Green also made his debut for Western Australia.

In 2017-18, the Colts competition was changed from a 50 over format to 20 overs. In 2018-19, the Subi-Floreat Colts produced one of the most remarkable performances seen at the WACA. After reaching 9/86 off 20 overs, an inspired spell of opening bowling dismissed Scarborough for 66 and saw the boys bring home the premiership.
