PRESIDENT'S REPORT

Congratulations to all players officials and members of the Club on a very successful season 1987/88.

It is history now that the Club won the Club Championship, The Kevin Sullivan Cup for First Grade Minor Premiers and the Mt Newman League First Grade Premiership. The Second Grade Team performed admirably throughout the year and were not disgraced in going down to Bayswater-Morley in a semi-final. The Third, Fourth and Fifth Grades performed well and all had chances to play in the finals. Their collective contribution to the Club Championship was very important in the final analysis.

With three games to go it looked like being another ordinary season. As the saying goes, when the going gets tough the tough get going. The First Grade proved what we all knew about their ability by winning well against Wanneroo and then gaining outright against Melville and Fremantle to soar to the top of the ladder. There were too many outstanding performances to single any one player out, suffice to say it was a team effort which saw them gain that coveted trophy - First Grade Premiers.

The Club Administration backed the players up in an exemplary way. I would like to thank the three Vice-Presidents and the Committee for their unswerving loyalty and support. In particular I would make mention of David and Betty West for their unfounding energy during the season. They have endeared themselves to Players and Members alike.

Thanks to Peter Luff of the Perth City Council and his foreman and ground staff. Floreat oval has never been better. Thanks to Utah/BHP for their sponsorship of the Mt Newman League to Kevin Sullivan and Associates for the Kevin Sullivan Cup and to Toyota for the Toyota Cup Series.

Thanks also to our own sponsors :

Town and Country Building Society
 Fitzgerald Realty
 Ledge Group
 John Roberts
 Gemcor Limited
 Settlers House and The York Motor Museum
 West Coast Securities Pty Ltd
 Bond Corporation Limited

So much for last season. What of the next? Our prime aim must be to provide the best possible playing and social facilities for all players - juniors and seniors - and, by so doing, ensuring the strength of the Club. Back to back Premierships and Club Championships are the challenge along with finals appearances for the other four grades. Are you willing to play your part?

Ron Burgess

VICE-PRESIDENT'S REPORT - PLAYERS

The preparation, desire, intensity and attitude, evidenced by most players, brought about the successful culmination to our "must" year.

Elsewhere in this report there will be sufficient space given to the re-capping of events wondrous, and justified congratulations and accolades to those teams and club members warranting such.

However, in hindsight, it must be said that our overall level of performance, 'A' Grade in particular, was not of an even nature, there being too many troughs and peaks of considerable magnitude.

Indeed some 2 -3 losses were abysmal and placed an unnecessary strain and pressure on our latter matches in the season. Improvement is essential herein and winning opportunities must be taken, when on offer. We have the makings of a wonderful future in club cricket, provided all players remember that they are part of an "overall" team, a "team" who should obtain as much enjoyment from their team mates success, as that engendered from their own exertions.

That is what makes a cricket club successful and brings about "club championships" which the writer considers the most important result obtainable.

Finally congratulations to the President (Ron Burgess) who has been at the helm over difficult and troublesome times, and whose overall endeavours and strength of character, warrant him being a "Premiership President" of the W.A.C.A. District Cricket Competition.

John F. Wade

VICE PRESIDENT'S FUNDING REPORT

In last years report I stated that "it is an extremely difficult task to not only attract but maintain sponsorship support if the Club is not seen to be a winning Club." I went on to say that the senior players of the club needed to address this particular aspect with respect to their approach to the game to ensure that the club continued to be successful both financially and in a playing sense.

Obviously as we look back on the 1987/88 cricket season the clubs players and in particular the 'A' Grade side performed on the field where it counted and as a consequence this has led to financial achievement off the playing arena through the level of prize money which the club won as a consequence of the players efforts.

What was in retrospect a most difficult year in which to maintain the level of past sponsorship and fund-raising, due mainly to the decline in the financial markets not only here in Australia but on an international level, the performance by the players of the club proved to be not only pleasing with regard to the various awards that were won but also timely.

Reference to the financial statements for the club as at the 30th April, 1988 indicates that the club is in an extremely sound financial position.

The committee has taken the decision to retire part of the clubs borrowings thus leaving a small borrowing but in a position to continue its capital improvement programme, in particular the concept of constructing a new external balcony area to the northern end of the pavilion, if deemed appropriate.

To this end the club has a reserve provision in its accounts totalling \$ 5,300.00 to contribute to any proposed cost relating to future improvements.

Despite the changed financial environment after October, 1987 it was still pleasing to receive the continued support from Town and Country WA Building Society (Mr Ray Turner), Fitzgerald Realty (Mr Ray Fitzgerald, Phil and Mark Blizzard), The Ledge Group (Phil Botsis), West Coast Securities Pty Limited (Harold Christensen), Wembley Physiotherapy and Sports Injury Clinic (Greg Maskiell), NZI Securities Western Limited and Gemcor Limited.

I would also like to record our appreciation for the continued support of district cricket given by Mount Newman Mining, The Bond Group and indirectly all the other sponsors of the WACA.

I would also like to thank the non playing membership of the club for both their financial and player encouragement and support for the season. In particular John Roberts, a former player, for his generous financial gesture.

I also extend our appreciation to Phil Mulchay and staff at the Settlers House at York and the Shamrock Hotel at Northam for the

tremendous weekend that was spent there in September, prior to the commencement of the season when a club invitation 11 played the Northam Districts Cricket Club 11 as a pre-season fixture. All concerned had a memorable weekend.

Similarly, I would like to thank The Matilda Bay Brewing Company Limited for their support and assistance in putting together the wind up function at Plaistowes Bar and Grill. I am sure that all who attended enjoyed the evening.

In closing, I believe that the club is now financially well positioned to weather what I believe will be several difficult financial years ahead for district cricket in Western Australia.

I believe that the pennant clubs and in particular the W.A.C.A. will need to take a hard look at the financial foundations of district cricket as only the strong will survive in the future, with the result being a smaller number of clubs competing.

As such, as in the financial markets, I believe that our club should be pro-active and start to seek out opportunities to merge with other clubs of our own choice prior to being forced to, so as to ensure the continuing strength of cricket in the West Coast region.

Once again I thank all those involved with the club during the 1987/88 season for their financial commitment during a testing season.

D.W. Franks

SOCIAL REPORT

The 1987/88 social year got away to a great start with the pre-season match in Northam followed by the dinner and over night stay in York. All those who attended had a fantastic time and this will hopefully become an annual event. The weekend away was followed up by a chicken and champagne lunch. This function was particularly well attended and thanks must go to Steve and Jackie Wright and John and Tracey Fitzgerald for their assistance.

A Halloween party followed and this was a most entertaining night with some extremely interesting costumes, especially C. Smailes outfit, "son of John Wade".

With the alarming reproduction rate within the club it was inevitable that a party such as the Kiddies Xmas bash would come about. Special thanks to Betty West for her efforts here in making the afternoon a great occasion for the army of ankle-biters which infest our club.

The annual Xmas party for the "older" members was held along with several dinners and players teas as the season rolled along.

The debaucherous affair following the last qualifying game was a night to remember for a number of reasons. There were the frightening performances from a younger member of the club in the "subbie" races (and all prospective colts players must be a trifle concerned for their health in seasons to come) and some amazing efforts from Greg "rubber lips" Fitzgerald, but by far the most outstanding performance was an impersonation of a dial-a-dinos spaghetti delivery man on the Kwinana Freeway. Nice effort Social!

The grand final night was certainly a season highlight and the victory dinner at the La Cassetta restaurant turned out to be a fairly inter"arresting" night for some of us. The season wind-up at Plaistowes was a fitting end to what was a sssensational sssseason!

Finally, special thanks to the club persons of the year, Betty and David West for their tremendous help in the organising and running of all the parties and general around the club assistance.

Till next season, "Haurire Amplius!"

John Gillam

COACHING/TRAINING CO-ORDINATOR'S REPORT

Achievements for the 1987/88 season were as follows :

Club Championship	- First	Toyota Cup Games	- One Win
First Grade	- Premiers		- Three Losses
Second Grade	- Third		
Third Grade	- Fifth	Colts Games	- Three Wins
Fourth Grade	- Eighth		- Four Losses
Under 17's	- Seventh		

The above results were a good improvement on the previous season with the winning of the Club Championship and the First Grade Premiership being the highlights.

However, our First Grade team played well below our capabilities in the Toyota Cup One Day Games because of lack of dedication and application which occurred occasionally during the season in our pennant games.

Our Colts team developed into a fine team with great team spirit (thanks John Gillam) and will be hard to beat next year as most players will again be available.

We continued with our policy of a panel of coaches which consisted of appointed senior players and the captains assisting players develop technical skills in batting, bowling and fielding.

At training this year most of the emphasis was put back on the older players to be self disciplined and motivated to work hard, as many players had been involved the previous two seasons and knew what was required to be done at training without supervision to assist in performing well on the weekend.

However, on match days its that "In Built" mental toughness and application to the job at hand that produces players good performances and team wins.

Certainly players both young and old improved, examples being Martin Nice (17 years old) and Steve Wright (27 years old) who both ended up playing the the First Grade Premiership team this season after being members of the Third Grade Premiership Team last season.

Dean Gillies looked after pre-season training in respect to fitness and was responsible for keeping the players fit throughout the season.

Training was for learning and practising skills and young players were fortunate to be assisted by Peter Carstein, Peter Panegyres and our three "Rebel Cricketers" Terry Alderman, Tom Hogan and Kim Hughes who spent most of this season being involved at Club level.

Frank Parry was also a welcome addition at training and matches towards the latter part of the season.

Players were in the hands of their captains on match days and it was the captains responsibility to teach players about the game while the game was being played.

In Terry Alderman, Peter Farley, Ross Bolton, David John and Chris Payne we had outstanding Captains who always set a fine example both at training and on match days.

Glen Mitchell looked after the Under-17's at training and on match days and was ably supported by Kevin Payne.

As a group the Under-17's have ability and importantly are a close group of young men and those coming out of this age group next season will be selected into the senior sides.

We were indeed fortunate to have Tony Lock coaching the Under-15's and Under16's on a Wednesday night.

All W.A.C.A. Clubs have the challenge of developing young cricketers in their allocated areas and I believe Tony Lock being involved at this level helps attract young cricketers to play with our Club.

Congratulations to all players for their efforts in winning the Club Championship and especially to Terry Alderman and the magnificent twelve players who won the First Grade Semi Final and then the Premiership.

Since becoming the Subiaco-Floreat Cricket Club it has taken us eleven years to win the First Grade Premiership. For Chris Smailes and other players it was a reward for their dedicated and loyal efforts in previous years in which we were competitive but not successful.

We can improve further next season provided all this seasons players are keen to be available next season and they accept we are now a strong Club and they must show the character required to compete for places in teams.

Finally many thanks to the aforementioned people who assisted me and the players throughout the season.

Alan D. Bolton
Coaching/Training Co-ordinator

1st GRADE'S REPORT

Our 'A' Grade team won the Premiership and played a big part in the winning of the club championship.

Our first game of the season was against Scarborough at Floreat oval with the four WA "rebel cricketers" all returning to grade cricket in this game together with D.K. Lillee.

An estimated 1,500 people watched the game on an overcast and drizzling Saturday afternoon after the captain's had agreed to play in difficult conditions.

What an afternoon it was with D.K. Lillee charging in at our batsmen who all showed tremendous application and courage especially our openers Chris Smailes and Greg Fitzgerald.

Kim Hughes made a brilliant 100 runs and "belted" Lillee's short bowling and we ended up with 8 for 212 which was a winning score as we bowled Scarborough out for 95 with Terry Alderman, Brian Raven and Tom Hogan the wicket takers.

It was a great win in a very competitive game and displayed that "maybe" we had the team this year to win the Premiership

However, previous years traits followed us next game when we lost to Perth.

Once again we had first beaten a strong team and immediately lost to a so-called weak team.

We then beat Gosnells outright with Terry Alderman, Brian Raven and Giles Bush bowling excellently. Our next game (60 overs) was against Nedlands at the WACA another so called weak team.

We won somehow but played shockingly when we batted. Hayden Chrystal's 59 not out won the game with NO 11 batsman Brian Raven fighting for his life to not get dismissed.

At this stage of the season we had also played and lost all our Toyota rounds and it was obvious our bowling was going to be too good for most teams but our batsmen were not applying themselves and playing to their ability.

Fortunately Peter Gonnella was released by Fremantle on the understanding he could play for the club of his choice and he chose SFCC.

Peter joining us was a bonus because it registered to all players in the club that we were not happy with our batsmen and they all, including Peter, had to perform to keep their place in the 'A' Grade Team.

Next game (60 overs) we thrashed University with Todd Breman hitting a blistering 82 runs.

We bowled Midland-Guildford out for 153 runs with Terry Alderman (4 wickets) and Todd Breman (5 wickets) the wicket takers.

However on a magnificent batting wicket at Lilac Park with our full team we made only 102 runs.

After this game Kim resigned as Captain so that he could concentrate on his batting and force his way back into form and the state side. Terry Alderman took over with Tom Hogan as Vice Captain and Chris Smailes deputy Vice Captain.

We then played South Perth and lost by 4 runs chasing 294. Hayden Chrystal being the last batsman dismissed for a magnificent 131 runs.

The crunch had come and we had to start winning again and we did so in beating Mt Lawley in a nerve racking finish. Mt Lawley batted first and made 219 with Tom Hogan taking 7 for 62. After Chris Smailes (71) and Tom Hogan (58) had batted well we found ourselves 9 for 213. Brian Raven and Giles Bush took the score past Mt Lawley's with Giles Bush doing some sort of dance down the pitch after hitting the winning runs.

North Perth (60 over game) were dismissed for 116, and after being 5 for 89 a solid partnership between Tom Hogan and Greg Fitzgerald we declared at 5 for 117.

We then lost to Bayswater-Morley (186 v 250). Chris Smailes made an excellent 91 and Giles Bush took 6 for 73. Although we lost this game it was closer than the scores indicated and we were confident we had Bayswater-Morley's measure.

We then played Claremont - Cottesloe (60 over game) who batted first and made 147 and we managed only 111 runs. This was again a lack of application by our batsmen.

We now had to win our last four games to make the final four so we then proceeded to make things more challenging by loosing to Southern Districts by 22 runs. Martin Nice made 83 and Peter Gonnella 66 not out.

We now needed to win our last three games and possibly win one outright.

After Terry Alderman appealed to the players before the commencement of the game against Wanneroo we had them 8 for 32 after an hours play. Needless to say the Captain had taken 5 wickets in 42 degree heat. He was well supported by Todd Breman.

We dismissed Wanneroo for 114 runs and then made a quick 6 for 266 declared with the "NEW" Kim Hughes making 146 runs.

At 9 for 192 in Wanneroo's second innings we dropped a catch which "may" have cost us an outright win so badly needed.

We then played Melville and declared at 7 for 385 one hour before stumps, with Kim making 205 runs, batting with his old form.

We bowled Melville out for 188 and 112 with about 6 overs to spare. With the outright achieved we had to win our last game

and hope Claremont Cottesloe and North Perth lost theirs to make the four.

Well we won outright again against Fremantle, while Claremont - Cottesloe, North Perth and other teams in front of us all lost.

Unbelievably we had finished on top of the Premiership table and also won the Club Championship.

Against Fremantle Steve Wright scored 165 runs and Giles Bush took 11 wickets in an afternoon, both outstanding performances.

Against University in the semi-final we lost the toss and were sent into bat on a damp wicket, the game being rescheduled to a 60 over game.

We played very well to score 8 for 177 off only 50 overs with Kim scoring a masterly 82 not out. Kim was ably assisted by Greg Fitzgerald who made a hard hitting 33.

We bowled University out for 81 with Terry Alderman being almost unplayable. He was well supported by Todd Breman, Craig Lubich and Giles Bush.

Now to the Grand Final :

We won the toss and batted and made 270 with Peter Gonnella making a patient 92. Chris Smailes (25), Greg Fitzgerald (20), Hayden Chrystal (34) and Tom Hogan (33) made useful contributions. Did we have enough runs ?

At 6 for 121 Bayswater - Morley were in trouble however, Jamie Snadden and Dave Frame took their score to 196 before Frame "holed out" to Giles Bush with Tom Hogan taking an excellent catch.

Terry Alderman who had saved himself for the moment of truth then came back into the fray and took a wicket in his first over. It was now 8 for 220 surely we would win.

At 232 Jamie Snadden decided to attack Giles Bush who was bowling his last over before the new ball was to be taken.

After hitting a four, then a six Jamie planned to hit another six but that great man Hogan was under the ball on the square leg boundary. A great man under pressure Tom took the catch, 9 for 232.

Bayswater - Morley's last two batsmen took the score to 241 and Todd Breman took the new ball.

Third ball of the over he bowled Steve Miloz, we had won, and the players went berserk what a great game, what a great win.

The players had played to their ability from and including the game against Wanneroo and had been rewarded.

We are good enough to win again next year, provided we apply and dedicate ourselves "ALL" the time, not just some of the time.

Congratulations to the players who participated in the 'A' Grade team throughout the season and especially in the finals.

All players in the club should use this year to build on for the forthcoming years to win more Premierships in all grades and Club Championships.

For and on behalf of Terry Alderman
Alan Bolton and Tom Hogan

2nd GRADE CAPTAIN'S REPORT

The season started with a game against the previous years Premiers, Scarborough and with a new captain who was determined that the 2nd Grade would have a successful season.

Scarborough won the toss and in overcast conditions invited us to bat. Steady batting enabled us to reach 302 - 9 with major scores from A. Milne 83, I. Taylor 56 and M. Nice 53. As befitting a premiership team, Scarborough made a valiant effort but gave up the chase after losing eight wickets, finishing on 261 - 8 (J. Gillam 5 wickets for 63).

The first game success made the team believe in itself, "team spirit" improved with every game to the extent that after round 9 and only one defeat, we were top of the table - a rare event, but justly deserved. Our ability to put a large total on the board (we scored 260 or more in the first innings on ten occasions during the season) whilst using up the full ninety-six overs, was a major reason for our success during the season.

One of the most memorable games was round 8 against Mt Lawley. With five "regulars" unavailable, and facing a target of 285 to win, the first hours play saw us at 5 for 39. Mt Lawley made the mistake of thinking that the game was over, but I was still convinced that we could win. Showing the character and determination of a top side, Steve Wright (59), Peter Farley (36), Tony Flynn (24), Brett Islip (20 N.O.), Nigel Clements (6 N.O.) - a last wicket stand of 16 - and a great innings by Glynn O'Brien of 104 (who also took 5 wickets for 64) ended in victory for Subiaco-Floreat with two overs to spare.

There were many outstanding individual performances throughout the season. With the bat Glynn O'Brien and Steve Wright scored back to back centuries, with Stuart Page and Duncan MacNish scoring one each. With the ball (we bowled ten sides out in their 1st innings) the main wicket takers were Ben Ward (23), Nigel Clements (29), Paul Hampton (19) and Duncan MacNish (16) - including the game v Nedlands of 110 overs for 7M, 4W and 6R.

The fielding was generally of a high standard (even Ian Taylor started to improve) with some splendid catching from Stuart Page W/K (21), Vince Rule (8), Ben Ward (7), Glynn O'Brien (6) and Peter Farley (6).

The good performance by the seconds was reflected in two major club awards. Martin Nice - "Most Improved Player" and Duncan MacNish - "Club Cricketer of the Year".

After finishing second in the league, a semi-final game against Bayswater-Morley ended in defeat after a closely contested game.

Having batted well on a wet wicket to score 177 - 7 (David Reed 52) and then having the opposition struggling at 64 - 5, a dropped catch followed by some wayward bowling proved our undoing. Our consistency throughout the season should have been rewarded with a finals appearance - lets hope we all learnt something from that defeat, I certainly did.

Congratulations to the 'A' Grade in winning the Grand Final, the pressure that the seconds put you under throughout the season was not wasted.

Finally, I would like to thank all those people who gave me support throughout the season (particularly my family). Congratulations to all the players, a great season - I know that I was a bit hard on you sometimes (even after we had won) but thats the way I play - "being a runner-up is not good enough". Next season we will be in the four and we will be in the Finals - Subiaco-Floreat never loose finals.

RESULTS: Played 16, Won 12, Lost 4.

Peter Farley

3rd GRADE CAPTAIN'S REPORT

The 3rd Grade side once again performed extremely well during the year and were extremely unlucky to miss out on the final four, finishing in 5th position.

The side lost only 3 games during the year, but a draw, a tie and a winning draw robbed the team of match points which would have ensured a final four birth. The strength and balance of the side for the final three games would suggest that a premiership was well within the sides capabilities should we have made the four.

The batting honours during the year were shared, with Peter Carlsteia having an excellent year scoring 448 runs which included scores of 100, 78 and 74, Nick Rule scoring 401 runs, Ross Bolton 369 runs and David Harris who recovered from a number of poor umpiring decisions to score 318 runs including two 70's and a 50 in the last few games. Vince Rule also scored a magnificent 150 not out against Midland Guildford before returning to the seconds. Glen Dehring, who came up from Bunbury to play the last two games also impressed greatly in

scoring 91 and 47 in three third grade innings. Anthony Flynn showed excellent potential with the bat although big scores eluded him.

The bowling was shared by quite a number of bowlers during the year with very few bowlers playing the majority of games in thirds. Although the attack generally lacked penetration, this was made up by some superb line and length bowling during the year. Bowlers such as Anthony Flynn (16 wickets), Nick Rule (12 wickets), Bruce Palmer (14 wickets) and Wayne Davies (8 wickets) bowled extremely well, with Wayne Davies, who only played in the final three games, showing he is still a superb bowler by leading the way against very strong batting teams in these games. Brett Islip took 14 wickets in 3 games before his obvious talents were recognised by the 2nd grade captain and Cory Gill bowled some fine spells during the year and should have finished with more than his 16 wickets. 'Spud' Tate bowled well early in the year before an injury forced his temporary retirement, Glenn Mitchell took over the spinners role late in the year and not only bowled very well but also played some handy innings. Other bowlers who also contributed well in the 3rd Grade games they played were John Gillam, Nigel Clements and Gary Kirk.

The fielding generally was adequate, although in comparison to some of our opposition, lacked desperation and brilliance. David Harris proved an outstanding slips fieldman in holding all six catches that were presented to him. Anthony Flynn also showed he is an excellent fieldsman and along with his all rounder status is an excellent player to have in your side.

Another player worthy of mention was Ray Horsman who batted well in the games he played and always gave his utmost to the team.

My thanks to all those who played thirds during the year, especially to Peter Carlstein whose assistance in the on-field tactics during the year were responsible for many opposition batsmens downfall. Peter also helped most players in the side both with batting and bowling and for those players prepared to listen, reaped the benefit of Peters experience during the year. Thanks Pete.

Ross Bolton

4th GRADE CAPTAINS REPORT

The 1987/88 4th Grade cricket team had no less than 36 different players pass through its ranks over the summer. It was very pleasing to see a number of these players graduate from 4th Grade and give encouraging performances in higher grades. 4th Grade was not without its own good performers including Ric Dunstan (leading run scorer and century maker), Wayne Davies (leading wicket taker) and Dave Narbey (match figures of 11 for

33). Even with these good performances and others by Panegyres, McIntosh, Oliver, Horsman, Pass and Sanders it was not enough to see our side in the final four. However, our side performed creditably and was never lacking in encouragement for each other, team spirit or advice to the captain(s). The team certainly benefited from the advice of Peter Panegyres and Bill McIntosh at various stages of the season and I hope they continue their association with the club in the forthcoming season. Furthermore, I hope the great number of young players who played in the lower teams this year strive to improve and force their way into the higher grades. Remember that many of the members of the 1st and 2nd Grade teams also played 4th Grade at some stage of their careers.

Perhaps one very memorable incident sums up this season for the 4th Grade team. When A.B. (Alan Bolton) strode to the crease against Southern Districts we required 3 runs to win with 2 wickets in hand. Alan received the perfect ball; on the fifth bounce travelling at a snails pace. And so, with bat and head aloft he swung lustily to win the game. Alas, poor Alan missed the ball and was subsequently run out.

Our team was never quite good enough to make the final four; however, no-one could ever question our endeavour and there was never a lack of humour (Was there, Alan?).

On behalf of the 4th Grade team may we extend our congratulations to the other teams for their fine performances but do remember, that without the efforts of the 4th Grade Subiaco-Floreat could not have won the Club Championship.

David John

UNDER 17's REPORT

The 1987/88 season started and finished on a high note for the U/17s. Successive victories over Gosnells and Nedlands placed us in the top four after the first two rounds while a victory over Melville in the last game gave us some satisfaction as Melville went on to become Premiers.

University provided us with an unexpected loss in the third round as they finished well below us in the final placings. This loss was indicative of our season as victories over South Perth and Bayswater-Morley (two other sides to make the finals) were offset by losses to Claremont-Cottesloe and Wanneroo. These losses led to our subsequent seventh placing at the end of the season.

Our batting lacked consistency, however Danny O'Regan batted superbly. Danny was well supported by Tim Beattie, Chris Payne and Paul Kirk. Paul started the season brilliantly but unfortunately lost form towards the end of the season. Support was given to those four by Shaun Duffy, Michael Simpson and Gavin Swan.

The bowling was a strong point throughout with the attack very well led by Gavin Swan; assistance came in the form of Tom Sharkey, David Lorimer and Gianni DiRosso. Paul Kirk must also be congratulated on his great bowling performances in the second half of the summer.

Jamie Foster and Shaun Duffy both fielded magnificently and were also very good team men. This is a credit to Jamie especially as he experienced a very lean summer with the bat. Michael Simpson kept well and Danny O'Regan gave good support in this area when Michael was unavailable.

The season included many individual highlights. Hundreds by Danny O'Regan and Paul Kirk respectively were contrasting innings but both laid the foundations for victories for the side while Gavin Swan took many 5 wicket hauls for the team. The obvious season highlight was the partnership between David Lorimer and Jason Newall for the last wicket against North Perth. The two tail-enders added in excess of 50 runs and in a game which we won narrowly, it was definitely a match winning partnership.

Although we were disappointed at our seventh placing, it must be remembered that this group of players had only won one game the previous season.

Thanks must go to Glenn Mitchell for his support and guidance as coach and to the parents who helped the team out on match days. I would also like to thank the team and especially Gavin Swan for their support on and off the field throughout the season.

Alan Bolton and the senior players must also be congratulated on their positive involvement with the side both at training and during matches. I would personally like to thank the team and the club for a very enjoyable season.

Chris Payne

COLT'S REPORT 1987/88

The 1987/88 Colts Team consisted of many inexperienced but skilful players. The results achieved of 3 wins and 4 losses, including a berth in the quarter final, may seem a little disappointing to some, but as almost everybody can play Colts next year it provides a solid base for improvement next year.

The season started out shakily when we experienced losses against Midland-Guildford and Bayswater-Morley. The game against Midland was one, although we lost, in which the players showed great character and fight to nearly snatch victory after being 6 - 70 chasing 176. We had brought the score along to 7 - 150 when Gary Kirk was unfortunately "mahnKat-ed" when the game was in our grasp.

The next three games provided some excellent performances as the team lived up to the tag of a talented team. The wins included an exciting 2 wicket victory over the Metropolitan Eleven in which good performances were achieved by Gary Kirk 61, Ben Ward 39 with David Narbey the chief wicket taker with 2 - 16. The next win saw our best performance of the year when we defeated Perth by 118 runs. Good performances in this match came from Tony Flynn, with a brilliant 96 N.O. and Gary Kirk 82 N.O. The main wicket taker was Brett "the mouth" Islip with an accurate 3 - 23. Our hat-trick of victories occurred against struggling Nedlands. Subiaco-Floreat batted first and reached a shaky 8 - 174, thanks to a hard hitting (slog), from that man again, Brett Islip 44 N.O. and David Harris 31.

Our bowlers again performed strongly with the main destroyers being Paul (I'm injured again) Hampton 3 - 14, Brett Islip 3 - 24 and Marty Saunders scared out two victims for 17 runs.

Our glory run however came to a quick stop when we lost a hard fought match against Fremantle. We batted first and reached a total of 196 with Martin Nice scoring 49 and Tony Flynn 41. In reply Fremantle reached 2 - 204.

Going into our last match against Wanneroo we had the option of winning and advancing to the semi-final or losing and being knocked out of the 1987/88 Colts Cricketing World, unfortunately the later prevailed and this spelled the end to a season that contained many highs and lows for the players.

Wanneroo batted first and reached 8 - 200 after they benefited from a number of lucky umpiring decisions. Tony Flynn snared 3 - 34 while David Narbey achieved the figures of 2 - 25. In reply Subiaco-Floreat were dismissed for 147.

On behalf of the Colt players I would like to thank David John and Alan Bolton for their continued advice and support.

A special thanks should also go out to the great clubman John Gillam for his encouragement and special coaching hints, especially on the social scene.

So, as it can be seen, the team experienced some good results and it will also learn from its losses. The season provided good experience for the young side and I am sure the team, which will be virtually unchanged, will bring home another flag next year.

Stuart Page

VETERAN'S REPORT

This season the veterans were again out in strength and in the very fortunate position of having over 20 active players available for selection. This enabled us to select the teams in advance, which gave all players the opportunity to swap if they couldn't make it on a particular day.

The system worked well and would have been better except for the weather which washed out two games before Christmas and stopped a few of us running into form. However, we ended up winning two against Scarborough and North Perth and went down narrowly to Fremantle and comprehensively to Melville for a 50/50 record.

Once again the highlight of the season was the annual Subi v Floreat old boys game, an important fixture by anyones standards. On the day, the Subi boys were a bit thin on numbers as well as hair and lead by Red (yes, no, wait) Bond failed to prevent the Floreat run machine, skippered by Reggie Ray Elliott, from putting together a convincing win.

AWARDS

Best "FULL" time drinker : Alan Bolton
Best part time drinker : Red Bond
Best non playing drinker : Max Butt
Most promising youths : Jack Cooke / Graham Stafford
Best cricketer : No-one!

All in all, a good time was had by all and with a bit of luck next season, we can get some early matches in, and providing we don't become overtrained and manage to control our youthful exuberance, there is no doubt we will win many more than we lose.

Max Butt

JUNIOR COUNCIL REPORT

Kanga Cricket continued this season under guidance of Jon Banks. The upper age limit of Under 11 was retained, but there is continuing request for children below this limit to participate in more conventional cricket.

Thanks are due to Jon and his assistants and the players as well for their representing he Club in Kanga Cricket demonstrations at the WACA.

Local cricket competitions were sustained at U/12 and U/15 age groupings.

Two divisions were formed in the latter group to cater for the range of skills and strength of players involved. U/16 age

group players were catered for within the WACA Saturday morning competition and the U/17 Sunday afternoon grade team as well.

Age groupings maintained for season 1987/88 local competitions were in response to previous adjustments in WACA junior competition age limits and continuing change in the ages and numbers of players wishing to play cricket.

Continuing change in numbers of potential players within the Club district will be a problem for some time yet, and will further tax those responsible for organisation of our Junior Cricket. Some changes in structure of cricket organisation on the periphery of our district as foreshadowed towards the end of the past season should however strengthen our competitions next year.

Despite problems referred to above, the local competitions were keenly fought and resulted in some very close and entertaining games, none more so than the U/12 final. There were also the usual surprises.

Our thanks are due to all those people who sustained our local cricket competitions, plus the players and the parents who encouraged their children to play at whatever level.

Local competition results were :

U/15 Marist d City Beach

U/15 Marist (McEvoy) d Wembley Downs

U/12 Wembley Downs d City Beach

Participation in the WACA junior competitions continued as :

Inverarity Shield (U/13) where Andy Pudovskis continued his valuable contribution. The team performed creditably without matching the 1986/87 achievement. There were also several outstanding individual performances.

U/15 District - Management of this team was taken over by Lester Barnes with coaching assistance provided by Tony Lock. The team made steady progress under Lester's guidance through the year, with some improvement shown in comparison with the 1986/87 season, although match results were little different. Many of the players will still be eligible to play in this age group next season so the experience gained should prove invaluable.

U/16 - Management of this team was undertaken by Barry Webb. He had a particularly difficult task, but handled it admirably

For the team, the season overall was marked mainly by opportunities lost by individual players, but also the occasional notable performance. Only one player managed to return a consistent level of performance. This is the first requirement for success. The experience gained should prove valuable because ability was present.

Changes in the structure of the WACA age cap competitions prior to commencement of the 1987/88 season resulted in the U/17 group being supervised by the senior playing committee, although some U/16 players participated and performed creditably.

From the viewpoint of the Club Junior Council organisation, and our contact with players involved at U/17 level over the past two seasons, it is clear that the U/17 format has been most successful, catering for a real need within a structure providing for a good game of cricket within a highly competitive group.

The proposal to further change the structure of under age cricket put forward during the 1987/88 season at WACA level in this regard after only two seasons of experimentation with U/17 are thus considered questionable.

In closing, thanks are also extended to all others not specifically mentioned above who helped sustain our involvement in junior cricket.

R.T. Prince
for Junior Council
