PRESIDENT'S REPORT

Season 1988/89 was always going to be a difficult one for the Club after the incredible finish to the previous season. The Mount Newman Premiership Cup, The Kevin Sullivan Silver Cup for Minor Premiers and the Club Championship were there to be emulated. Anything less would appear to be a failure.

Nevertheless, we approached the season with vim and vigour, sound planning and a will to beat the odds. It is history that we, as a Club, did not achieve what we aspired to on the field. The seasons results can be seen as well below our potential. Many excuses can be given - but let us not look to excuses but, individually and collectively, analyse the reasons and together go forward into the Nineties with a positive attitude to regain our former glory. Certainly a godp portion of dedication and the old G and D will be required if we are to succeed.

Having talked about our playing season let me just add that our off field events were always of the highest order, well patronised and engendered, an excellent club spirit. The season culminated in an excellent wind-up held at the Floreat Hotel.

Many thanks go to David and Betty West for their wonderful contribution to the Club, theirs was always beyond the call of duty. Also to Jack Cooke for his work as Secretary and in particular for the wind-up, to Alan Bolton for his untiring work on playing matches, to Dennis Franks for his sponsorship and financial results. In fact to all the committee who contributed so well.

All Club members were pleased to see Terry Alderman return to Test Cricket and to be selected for the Ashes tour. Tom Hogan and Peter (Soc) Gonnella were also to the fore in Sheffield Shield Cricket and congratulations to both on being members of a winning shield combination. Kim Hughes had a good season with the bat topping the W.A.C.A. aggregate and he was unlucky to miss Shield selection.

And lastly to all players, members and supporters for their efforts during the season.

May we all work together to ensure the Club performs at the highest level in 1989/90 and thereafter.

Ron Burgess
President

VICE PRESIDENT'S FUNDING REPORT

The 1988/89 cricket season was financially the most challenging since my involvement with the Club's committee.

Reference to the financial statements will indicate that a loss for the year of \$ 7,587.00 was incurred prior to the transferring from provisions for future use, resulting in an overall deficit for the seasons operations of \$ 2,287.00.

The deficit is real in accounting terms but not in cash terms, with break-even being achieved if depreciation and amortisation provisions are excluded.

The major financial problem related to a shortfall in income in comparison to the previous season, the bulk of which being the absence of substantial prize money coming from on field performances.

It is obviously no secret that the Club had a fairly dismal year from a playing point of view after the unbelievable successes of the previous season.

The Club will now need to address its attitude towards fund-raising in the future as the prospects of obtaining financial support under the guise of sponsorship will continue to be most difficult.

Recent discussions with the W.A.C.A. executive indicates that they are becoming more aware of the plight of the pennant clubs in their pursuit of sponsorship and fund-raising and as such the W.A.C.A. has outlined a long term strategic sponsorship plan that should ultimately assist all pennant clubs.

This obviously will not occur overnight however, it is encouraging to see that the W.A.C.A. is finally addressing the financial problems of the clubs.

Once again I would like to thank Town and Country, Fitzgerald Starling Real Estate, Peter Briggs (Settlers House and Shamrock Hotel, Northam), Spargos Mining N.L., Gemcor Limited and Grants Patch Mining Limited for their financial support during the year.

We would also like to record our appreciation of Mt Newman Mining continuing their support for the pennant competition, Toyota for the Limited Overs competition, the Bond Group and the other financial supporters of the W.A.C.A.

Despite the difficult season the Club is capable of retiring all of its liabilities from current assets and thus leave itself in a position to enter the next era of cricket in the 1990's without being saddled with liabilities that are not covered.

After due consideration I have decided not to nominate for the committee for the 1989/90 season.

I believe that the time is now right for the Club to encourage new blood on the committee to meet the exciting challenges that undoubtedly lay ahead in the next couple of years in pennant cricket.

Undoubtedly there will be increasing pressure on the various clubs to consider amalgamation so as to encourage more cricket, better cricket and cricketers and more financial strength at pennant level.

I have enjoyed my involvement with the Club and feel privileged to have seen the Club carry off the Club Championship, Minor 'A' Grade Premiers, W.A.C.A. 'A' Grade Premiership and other grade premierships during my involvement.

I believe that we have achieved a great deal financially during the past few years and that the Club is well positioned to develop its cricketing strategies to take it into the immediate future.

I thank all the past committee members, players and supporters together with the sponsors for the many years of enjoyment that I have had during my involvement and I wish the Club all the best both on and off the field in the future.

D.W. Franks

SOCIAL REPORT

The premiership and club championship spirit spilt over to the 1988/89 Northam/York pre-season kick-starter with Subiaco-Floreat reigning supreme on the field where it rained sixes, and off the field where it rained red wine and middle mania in the "free zone". The after dinner entertainment was prompted by perennial ringleaders "Wrap Around" Fitzgerald and the days man of the match and cheap port connoisseur "Weight for Age" Page. The lovely York Settlers Inn and restaurant was a very cosy retreat after the game/picnic in Northam, and a tremendously pleasant day was had by all. However, later in the night, the full moon got the better of the Settler's waitress with the Subi leftovers, who were powerless to stop her Psycho-like attack on flash in the pan "Got a Fiver" Saunders. That signalled a mass evacuation of the restaurant and a premature end to the drop-your-glass-in-a-full-glass post dinner drinks frivolity.

Anyway, most of York didn't get much sleep that evening/morning with much commotion coming from the single men's quarters of the York Hotel. The ruckus was found to be coming from a blaring communal television with nobody watching it, in a trashy smoke filled room with a handful of Subi card players and port scullers destined for a bout of the helicopters. The way some of the guys celebrated that weekend, you would have thought it was grand final fever all over again.

The following week, the club's crazier brigade hopped on the faded green machine, the one local wreckers said would never make it, and headed for a short (10 hour) journey down to Bunbury, home of "Blowflies". This weekend marked the start of a phenomenon, the coming of "Play in the V" Grogan, a man to be feared especially in the confines of a rest room. On the Sunday morning, "Pres" Bolton and your social writer (you could say an Alan Joyce sitting in for Allan Jeans while Johnny Gillam completes his studies) happened to venture in to the wrong place at the most inopportune time and discovered the most horrific human movement ever seen this side of Israel. The magnitude and potency of Grogan's effort was disgraceful. May I say, lest we forget, to those players who were unfortunate enough to be in the ill-fated Chateau Le Mer motel room to witness the unveiling of Groag's effort. What an unceremonious dumping there Groags! God help the motel's proprietor, who's still trying to flush it.

Another sensation emerged during the Bunbury sojourn, but not anywhere near as gross as the Grogan landmark. Yes, it was Bunbury's answer to "Vaj Valley", the haven of moist tunzanellis, yes Blowflies!!

As for local Blowfly-goers, well, they could have been forgiven for thinking the tourists were staying at the nightclub where they wallowed in the sweat of bush-pig rock and roll for hour on end drinking themselves to stupor which culminated in several 4:00am wake up calls to motel guests. Get any sleep "Horse"? To those fortunate enough to have weathered the Bunbury weekend of debauchery, I salute your unwaivering self abuse.

A few weeks later, back in the big smoke, the club held a dynamic 50s night where one, Alice "Breakdancing in Wonderland", the voluptuous guest of new chum "Julio" Godfrey, broke the heart of many a young beau in attendance, and in fact left long after poor young Jules had read her the riot act. A great night and congratulations to those guys and girls who dressed for the occasion.

Next came the function which rates in the unforgettable class: the Raunchy Girls men's evening. After much serious consideration, planning, recruiting and previewing the organisers (who will remain unnamed to protect the innocent) decided, that following their arrest the week prior to the Raunchy night, the Adelaide Girls would be hired to do the job. Much to the fleshly thrill of invited guests, the Adelaide Girls put on a show and a half with plenty of full frontal support from the drink waitresses who, we all agreed had a big future ahead of them, and of course the latecomer Koo, unadorned and pure in her art, and now a regular star of Pagey's dreams. Hats off also to "The Ledge" who bid \$70 for a glimpse of a memento of sweetness. And what can we say about excitable boy Tom Sharkey who was allegedly kidnapped, but later seen around the traps at sleazy Tarantellas in Freo where the Adelaide Girls had apparently gone on to from the club show. Have some of our lads got brains in their head or "nissan"? For four members, the Raunchy night was just not enough, and they came back for more the following day at the Il Travatore Playboys Club for the Adelaide Girls finale. Way to go Vanessa, you beauty! Yeah Baby!

The 1988/89 season marked the inauguration of the "Chinese nights", a network of consistent after-training and after-match club socialisers who furthered their cricket education with a regular quiz night/dinner/piss-up. Needless to say, who Rules the roost at quiz time! The nights at Chinese were a roaring success except for the odd occasion when a couple of "Lend me Fivers" were left wanting when it was time to pay the bill. To those with outstanding debts, its pay day!

Other functions during the 1988/89 season were the Christmas party and the end of season bash, both at the club, and the wind-up at the Floreat. These proved to be magnificent nights with highlights including Dave West's headstands, Glen Dehring's impression of Paul Young's "Where Ever I lay My Hat", Dirossi's live band and Wally Foreman's recollection of how he shot his load when the Australian Women's Hockey Team won Olympic Gold. Special mention must also go to that man "Weight for Age" who recorded the longest urination time in three consecutive challenges within a space of 30 minutes. Truly a marvel is young Pagey - we at the club are in the company of a man whose excessiveness knows no bounds.

May I extend my sincerest thanks to the "Awes", a threesome built on commitment, on loyalty, on pride, on respect, on buying, and most importantly, on attending. Way to go guys!

Last and by no means least, many thanks to all those members behind the scenes and in particular Betty and Dave West, who organised the afternoon teas and made all the trips and functions possible and so memorable.

Cheers and until next season, BUY for now, Soc!

COACHING/TRAINING CO-ORDINATORS REPORT

Results for the 1988/89 season were as follows :

Club Championship	12th
Toyota Cup Games	1 win
	3 losses
Colts Games	2 wins
	2 losses
First Grade	14th
Second Grade	15th
Third Grade	6th
Fourth Grade	7th

The above results were disappointing; however for different reasons we lost the playing services of many good cricketers from the previous season which drained our overall strength for this season.

This did enable us to filter into senior cricket many young players who will make up the club in the forthcoming years.

There can be no excuses for our 'A' Grade side as "on paper" we certainly had the depth of players capable of winning enough games to finish in the final four.

Pre-season training was enthusiastic and varied with us using the facilities at the Superdrome and W.A.C.A. Indoor Nets and our trips to Northam/York and Bunbury were enjoyable and successful both cricket wise and socially.

Our physical fitness man this season was Martin Anderson and the players responded keenly to his reasonable demands.

Net training throughout the season was well organised through a practise captain. Many thanks to the four Grade Captains and the senior players who assisted both myself and the players in respect to learning and practising batting, bowling and fielding skills.

However, we certainly missed the full time assistance of Peter Carlstein and Peter Panagyres, and with our first class players spending less time at the Club because of State Cricket commitments our "coaching team" was reduced most of the time this year.

Now is the time for the committee of the Club to make an investment for the future and appoint a more fully qualified coaching co-ordinator from outside the club to ensure the development into 'A' Grade cricket of our most promising young players.

Hopefully such a decision will result in a more disciplined and club/team orientated approach by all players which will improve overall performance.

I am sure the players will benefit and be impressed when they learn that Don Weir will be the coaching co-ordinator for 1989/90.

Alan Bolton
Coaching / Training Co-ordinator

1st GRADE CAPTAIN'S REPORT

First game of the season was against Mt Lawley at Floreat Oval. After being sent in Mt Lawley batted well to score 6 for 310. In reply we made 9 for 269 with Peter Gonnella making 55, Gary Godfrey, Marty Saunders and Giles Bush fought hard towards the end of the day to prevent Mt Lawley from gaining a 1st innings win.

Against Wanneroo at Floreat we again struggled, bowling first and Wanneroo made 6 for 292, with Marty Saunders taking an encouraging 3 for 79 from 29 overs. Terry Alderman and Tom Hogan had State commitments. Gary Godfrey was injured and Giles Bush had floated off to Tasmania, with the Clubs best wishes, to pursue playing Shield Cricket for Tasmania. Kim Hughes captained the side well on the day, with a hard working, inexperienced bowling attack. On the following day we batted superbly to make 5 for 317. With Peter Gonnella 91, Kim Hughes 124 n.o. and 17 year old Glen Dehring in his debut making a superb 47 n.o. It was a magnificent win.

Todd Breman commenced cricket for the game against Perth to strengthen our bowling attack and bowled magnificently to take 6 for 46 from 31.4 overs. Hayden Chrystal bowled well taking 3 for 74 off 29 overs. Peter Gonnella's 1st over left everyone bewildered. We were very confident of scoring the necessary 275 runs to win however it poured with rain on Friday night and with the umpires unbelievably starting the game on time we had no chance, and at 7 for 60 after 1 hour 20 minutes of play Todd Breman hit a whirlwind 66 to enable us to be all out for 171. We batted again on a drying wicket and made 4 for 270 from 51 overs with Peter Gonnella making 100 n.o. Kim Hughes 86 and Hayden Chrystal 50 n.o.

The most disappointing thing from this game was to see one end of the pitch very much wetter and grassier than the other end.

Against South Perth we made 6 for 318 with Peter Gonnella making 80, Kim Hughes 80 and Glen Dehring 59 n.o. With Terry Alderman and Tom Hogan back from state duties and Giles Bush landing back from Tasmania we bowled South Perth out for 136 and then 88 to achieve the necessary outright. Terry Alderman bowled magnificently to take 11 wickets for the day.

Round 6 was against Fremantle at Floreat with Fremantle making 286 all-out. Giles Bush took 6 for 86 off 32.5 overs. The "Newcastle Kid" Jim Wilson, fast bowler extraordinaire, bowled fast and well in his first game. On a slightly rain effected wicket we made a gutsy 8 for 247 with Greg Fitzgerald making 52 and Marty Saunders a hard hitting 69.

University made 291 all-out with Tom Hogan taking 5 for 98 and Marty Saunders 4 for 34. You wouldn't believe it at 4 for 212 from 74 overs rain stopped play. Stuart Page (54) and Greg Fitzgerald (51) batted very well for an opening partnership of 88.

We batted brilliantly to score 6 for 374 against Willetton at Burrendah with Kim Hughes (133), Peter Gonnella (109) and Stuart Page (40). However we could only manage a winning draw with Willetton making 8 for 324.

We batted first against Melville making 233 with Kim Hughes making 84, Giles Bush renowned for his wicket taking achievements against Melville over many years took 7 for 62 from 36 overs to bowl Melville out for 200.

Tom Hogan also bowled superbly for 2 for 66 from 39.3 overs.

Midland Guildford made 301 in their 1st innings at Floreat oval in round 10, after being 7 for 207. Todd Breman took 6 for 81. Dropped catches proved very costly. On an over watered pitch we had no chance and were dismissed for 116 in our first innings. In our 2nd innings we made 2 for 157 Kim Hughes making 93 and Gary Godfrey a well compiled 37 n.o.

Nothing else other than bad batting saw us bowled out for 150 against North Perth at Charles Veryard Oval. They certainly made us suffer and declared at 5 for 303 and then took 5 wickets to have us 5 for 49 in our 2nd innings. Unfortunately our inept batting continued against Bayswater/Morley at Floreat Oval with us being all out for 146. Bayswater/Morley batted very well and scored 325 all out, with Tom Hogan bowling very well and competitively to take 6 for 96 from 42.4 overs.

We bounced back against Nedlands to have them all out for 195 with all bowlers bowling well. At stumps we were 1 for 36, rain prevented play the second week of this game.

Needing two out-rights and a lot of other lucky results to make the four Scarborough were bowled out for 174. Paul Hampton got the first 3 wickets and at 8 for 110 there seemed to be an outright possibility, however an eighth wicket partnership of 60 runs between Peter Henderson and David Clear ended our extremely hopeful dreams for 88/89. We were dismissed for 146 with only Kim Hughes (46) and Hayden Chrystal (43) batting well against some very good bowling from Scarborough English import David Capel who took 7 for 76.

The last game was against Gosnells and provided an opportunity for many of our young players. We had bowled well to have Gosnells 6 for 220 however a big hitting 114 n.o. by B. French saw Gosnells score 8 for 341. All bowlers tried very hard with Glyn O'Brien taking a rewarding 5 for 83. Unfortunately on a magnificent batting pitch we were all out for 213. Andrew Milne (65) and Tom Hogan (75) batted very well.

The game finished early and so had the season.

In summary we had an unsettled season in some areas which need reviewing for the forthcoming years. We played some outstanding cricket on occasions however, overall our batting application and fielding, especially dropped catches, cost us playing in the finals. Also, unfortunately during some games it rained when we seemed likely to win.

Congratulations to Terry Alderman on playing Test Cricket again and also to Kim Hughes, Tom Hogan and Peter Gonnella for playing State Cricket, and to Martin Nice and Glen Dehring for making the U/19's State Team and Geoff Barr the U/17's State Team.

2nd GRADE CAPTAIN'S REPORT

PLAYED	14
WON	4
DRAWN	2
LOST	8

Never has that well known saying of "cricket is a funny old game" been so true than this season. Last year we were never out of the top two, this year (with on paper a more experienced side) hardly ever out of the bottom two.

Our form didn't help push the 'A' Grade as it had done last season, but with thirty players used in the 2nd grade (eight more than last year) which is too many players for any team.

We never recovered from a one run defeat in the first game - the importance of a winning start is so vital. Our first victory did not arrive until round six, an excellent team performance to beat Fremantle (who had won their previous sixteen games) by 25 runs. Stuart Page (79) and Nick Rule (89) put on 160 for the first wicket, Brett Islip bowled 35 overs for 5-97 and there was a great piece of fielding by Peter Farley, who ran out P. Sumich (59) with a throw from fully 50 metres to capture the 9th wicket.

The game also saw a fine display behind the stumps by Doug Dallimore. Six catches that game, a total of 21 catches and 1 stumping from five 2nd grade games as well as a batting average of 28.5, shows that Doug has the ability to make the 'A' Grade one day.

The bowling lacked penetration at times - we only managed to bowl out five sides all season. Glyn O'Brien (19), Paul Hampton (15), Peter Farley (15) and Corry Gill (13) were the main wicket takers, in all 19 players took wickets.

In the batting, only Stuart Page (393 runs at Ave 34.3) maintained any consistency, although Ian Taylor (356 runs at 25.2), Vince Rule (two 100's, 105 and 113), Steve Wright (one 100) 140 and Andrew Milne (one 100) 135 showed occasional good form.

On a positive note, we have the ability to do well, after all of our four victories this season, two were against sides who finished in the top three. Success is not a right, you have to work for it - on and off the field.

Thank you to the many friends who have assisted me throughout the season. Lets all look forward to a successful season next year, I am, because as I said at the beginning "cricket is a funny old game".

3rd GRADE CAPTAIN'S REPORT

PLAYED	14
WON	8
LOST	4
DRAWS	2

For the second year in a row the 3rd Grade side just missed out on the final four, finishing the season in 5th place. After loosing three out of the first five games the side settled into a formidable combination in the latter half of the year.

This years side was generally very young and inexperienced with a number of last years U/17 side graduating to senior ranks. However, players such as Chris Payne, Toni Sharkey and Gavin Swan all showed their potential to develop into higher grade players.

Tony Flynn once again had an excellent year taking 28 wickets and making 348 runs. Carl Plaisted developed during the year into a very reliable batsman. Doug Dallimore proved an excellent wicket keeper who has the potential to wicket keep at top level. Doug's batting also shows promise.

Of the experienced brigade, Ross Bolton (422 runs), Nick Rule (322 runs) and John Fitzgerald (280 runs and 12 wickets) all had a very good year and provided stability in the side. John also bowled very well in a couple of second grade games later in the year. Warren Ralph's return to the club and to the 3rd Grade side was a real bonus during the final games, taking 14 wickets at a cost of only 10 runs per wicket. Watch out for Ralph next year.

One of the highlights of the year was 15 year old Murray Goodwins 102 against Midland-Guilford. Murray hails from Bunbury and only played the one game but I'm sure he will be a player of the future for the club.

Once again, I would like to thank all the players for the support that I had as captain during the year and hopefully most of the players not only enjoyed their cricket, but learnt a little about the game during the season.

4th GRADE CAPTAIN'S REPORT

A wise old cricketer once said "there is no shortage of humour in fourth grade!" The 1988/89 Subiaco-Floreat fourth grade team proved this old wise tale to be inordinately correct. Initially with an emphasis on youth combined with a couple of veterans plus some interesting player gains the 4th grade started the season slowly. As the season progressed performances both individually and as a team began to improve. The end result was a 7 win, 5 loss, 1 losing draw, and 1 draw record. Not sufficient to finish in the four, however, certainly strong enough to beat several of the top teams in the second half of the year.

Twenty six players passed through the side during the course of the season and this always creates difficulties with stability. By mid-season a nucleus of players including, Duff, Cato, Dos, Simo, Grogan, Deano and Ossie combined with the skipper to provide some team morale and interest in striving for victory each week. As the season progressed Ossie strung together some fine bowling performances, none better than his huge effort against Scarborough where Ossie bowled 14 overs taking 2-56 plus 1 catch and 2 run outs. This followed a miraculous run out earlier in the season against Midland where Ossie threw the stumps down from the boundary, changing the course of the game. Ossie finished with 17 wickets at 19.11. Dean Rettalack provided steady support with the ball as well as chiming in some useful performances with the bat. Dean typified the spirit within the team and was happy to contribute in whatever capacity asked of him. Duff, Dos and latecomer to the team Simo all contributed at various stages.

Duff and Dos need to develop a little more consistency and both should subsequently move up the grades. Outside of the skipper, Duff was the only other member of the team to qualify for the batting averages scoring 217 runs. Dos the mean machine, terrified the opposition with the mean Italian glare, also weighed in with some useful knocks. Who will forget his blistering 31 against Scarborough (including one ball into the lake) and his 50 not out against Fremantle (also one lost ball over the fence). Simo on the other hand was most consistent with the bat scoring a total of 215 runs from his 7 innings. This included two scores over 50. Simo took over the wicketkeeping duties mid-season finishing with 14 catches. Simo found the catches from the medium pacers to be much slower than those slow gentle darts from the skipper. Actually Simo took over from Danny O'Regan who had picked up a useful 17 catches before progressing to third grade.

Cato bowled steadily and by the end of the season was considering opening up a used car yard. Good job this year Cato. The bulk of the wickets were taken by captain Shilbury finishing with a healthy haul of 38 wickets at 10.97. The veteran Pana chimed in early before going on long service leave and also bowled some fine spells. Veterans Bolton, Stafford, Botsis and Cooke (Jack each week) were also seen to pass through the team. Bolts in typical fashion compiled one score everyone has heard about, an 83 not out against Willetton, on a very fast outfield. No threes!

This in fact was the highest score made by any Subiaco-Floreat 4th Grade player this year. The batting honours in the end went to Shils, displaying consistency in compiling 378 runs which included 4 scores of 50 or more, plus 2 scores over 40. After an initial "pair" in the first game it looked like runs were going to be hard to come by! Thankfully Groags fixed that with his usual commentary. Other youngsters to play this year included Tayls (A) and Alister Barnes, both being useful contributors.

In summary it was a good year where I'm sure most learnt something about the game and this should be put to good use next season. It is not true (Ben) that we lost the first game outright to Mount Lawley and that green helmets have been re-introduced for potential Australian players. To all 4th Grade players thanks for your efforts and I hope you enjoyed the season as much as I.

David Shilbury.

COLTS REPORT - 1988/89

The 1988/89 Colts season for Subiaco-Floreat was expected to be very successful after losing only one player from a team that reached the quarter finals the previous year. The team was also strengthened with the inclusion of the pocket dynamo from Bunbury, Glen Dehring, and the talented Geoff Barr, and therefore anything except the flag would lead to an unsuccessful year.

The first game of the year was played at Alderbury Oval against a potential threatening metropolitan X1 side, which included the services of former Subiaco-Floreat master blaster, Ben Ward. Metropolitan X1 won the toss and elected to bat, and it wasn't long before Geoff (Cracker) Barr, and Brett (Steroid) Islip were being congratulated for capturing four early wickets. This brought Big Ben to the crease, the field moved back in expectation of one of his savagely hit shots. On his third attempt he connected, the ball rifling into a distressed Corry (Dummy) Gill, Corry slowly moved back to his mark and ran into bowl, only to see Ben get a snick and be dropped by Chris (who cares anyway) Payne. At this stage Corry could be excused for going home in pain, and in frustration, but two bats later we were greeted with Ben's wicket, which was well caught by Doug (Iron Gloves) Dallymore. After this dismissal Metropolitan X1 collapsed badly and were all out for just over 100. In reply Subiaco-Floreat had no trouble in gaining the runs, thanks to some sensible batting from Martin Nice and Glen Dehring.

Our second encounter was against long time rivals Fremantle, and the stage was set for another fiery match at Stevens Reserve. Subiaco-Floreat won the toss and elected to bat and was immediately off to a bad start losing opener Stuart (Blank) Page for a well compiled duck in the first over, and Tony (Carpark Kid) Flynn shortly after. Glenn Dehring and David (Sloth) Harris were then involved in a rewarding partnership before Dehring was out for 61 and Harris for 59. At the end of the allotted 50 overs Subiaco-Floreat reached 8/206. In reply a pathetic Fremantle could only muster 114 runs. The best bowlers were Geoff Barr 3/21, Corry Gill 3/8, and a fired up Paul Hampton 2/33.

The third game was against a very strong Claremont-Cottesloe side, who had included four regular A-Grade players. They batted first and compiled a well made 6/256 off 50 overs. Several dropped catches proved very costly. The best bowlers were Geoff Barr 2/41 and Paul Hampton 2/44. In reply Subiaco-Floreat got off to a flying start and had 50 runs on the board after 10 overs. However we collapsed badly to be all out for 155, with the main contributors being, Chris Payne 24, Tony Flynn 23 and David Harris 22.

The final game of the year was against a traditionally strong Wanneroo side. Subiaco-Floreat lost the toss and were sent into bat. After losing a few early wickets Page and Dehring were involved in a 100 run partnership that set the base for a very big score.

However due to some very undisciplined batting in the middle order it was left to Paul (Hammer) Hampton, to hammer 16 runs off the final over to enable us to reach 9/199. Stuart Page contributed 70 not out, while Glenn Dehring finished with 50. In reply Wanneroo, unlike Subiaco-Floreat, batted sensibly and reached our total with the loss of only three wickets.

A record of two wins and two losses was not enough to put us through to the next round. This was a very disappointing result as the side had many skilled players and team morale was also high. Our main problem however, was players inability to concentrate for long periods of time. The team loses one player next year so there should not be any excuses as to the teams performance. The player that is retiring due to old age is the Carpark Kid, Errol Flynn. He has been a fine player with the bat and ball over the last two years and his place will be hard to fill.

Finally I would like to thank John Gillam, David Shilbury and Alan Bolton for their guidance and advice to the Colts Team this year, and hopefully next season will be more successful.

Stuart Page.

VETERANS REPORT

Once again the veterans were out in force and although we didn't enjoy the best of seasons from a performance point of view, nevertheless an enjoyable time was had by those who carried the flag.

One possible exception was the last game of the season where a communication breakdown saw us short of players and where one notable ex-veteran was dragged from an eight can roast lunch to throw the bat mid afternoon but failed to come up with the goods and needed an alcohol transfusion afterwards.

However, all was not lost as we rediscovered a couple of young blokes in the form of the blistering pace of Earl (Gabby) Hayes and the wily talents of Wayne (Nicko) Nicholson who will no doubt strengthen our ranks as the elderly get weaker.

Other significant events of the year were the marriage of Jack (when will I ever learn) Cooke to Debbie, and Alan (When will I ever learn) Bolton who went home early once and ended up with another woman in his house.

On a very sombre note we wish to record our deepest and sincere condolences to Gordon Watson who tragically lost his daughter in a car accident during the season. Chin up Gordon our thoughts are with you.

In the annual Subi V Floreat Old Boys game Subiaco finally managed their first win of the series when they somewhat controversially seconded some real current playing cricketers in the form of George Young, Neil Randall and Co. who well and truly did the job for them. A protest is being considered.

Floreat were unfortunate when they failed to regain the services of Balding Beer Baron Cutty Cutbush to open their attack when he failed to materialise after it was reported that he accidentally fell into a beer vat in Chicago where it took paramedics five days to sober him up and wipe the smile off his face.

Many thanks for the continued support of all involved.

Max Butt

JUNIOR COUNCIL REPORT - 1988/89

The Sunday morning Kanga Cricket program was continued with an age limit of U11. David Forbes was recruited immediately pre-season to supervise this program following the withdrawal of Jon Banks due to family commitments. Thanks are due to Jon for his contributions over the past three seasons, and to David for assuming responsibility at very short notice.

The sessions organised by David were enthusiastically attended by a keen group of budding cricketers. It was particularly pleasing to note the support provided by parents, including some of our current senior players. The efforts of all concerned were much appreciated.

Kanga demonstrations at the W.A.C.A. were rearranged this season, and our players were only able to participate on one day. This opportunity to play at the W.A.C.A. was again much appreciated by the children, with the presentation of participation certificates at the conclusion a highlight.

The problem of small numbers of potential players to support local competitions as foreshadowed in previous reports further taxed our organisation, but despite some other pre-season difficulties, local cricket competitions were sustained for U12, U13 and U15 age groups. Hoped for participation of teams from neighbouring clubs did not eventuate. Nevertheless, all competitions were keenly fought and produced some good cricket.

Local competition results were :

U15 Wembley Downs d City Beach
U13 City Beach Red d Wembley Downs
U12 City Beach d Wembley Downs.

Thanks are due to all those people who sustained and supported these local competitions, to the players, and to the parents who encouraged their children to play. Thanks also to Rod Phillips and Ross Bond for umpiring in the U12 and U13 finals.

Participation in W.A.C.A. junior competitions continued in :

Inverarity Shield (U13). Team management was passed to Graham Gaunt, with Andy Pudovskis moving up to U15 District. Our team performed creditably, winning two of three games. Bowling and fielding generally outshone the batting, with the team missing participation in the final rounds on quotients. Thanks are due to Graham, to those who assisted him and to the players for their efforts.

U15 District. As noted, Andy Pudovskis managed this team. Some very good individual performances were recorded, but problems with player availability through the season could not be overcome. At full strength, the team was very competitive.

The effort could not be carried through to match wins however. Thanks are extended to Andy, his assistants and the players, particularly those who were able to play the full season and the others who filled gaps in the latter part of the season.

U17 Saturday Shield Competition. This competition replaced the former U16 competition as a result of continued change in the structure of W.A.C.A. under-age cricket. Lester Barnes assumed responsibility for this team, and also the U17 District competition (also restructured after two very successful previous seasons).

Many of the players representing the Club in the U17 Saturday competition were inexperienced, but the team performed creditably overall without winning many games. Lack of bowling strength was a problem. Alistair Barnes, the top batsman in the team, also played in several 4th Grade matches and performed well.

It is pleasing to note that Lester Barnes' efforts in supporting junior cricket in our Club district, and with our W.A.C.A. representative junior teams in recent years, were acknowledged this year with presentation of the Best Clubman award at the end of the 1988/89 season. Thanks also to other helpers and the players.

In concluding this report, continuing changes in the structure of W.A.C.A. organised age limited competitions as proposed are noted. The long term value of these proposals in strengthening and promoting the game of cricket seems doubtful at best on the case provided.

R.I.T. Prince,
for Junior Council
