PRESIDENT'S REPORT

The 1993-94 season was a very good one for the Club, both on and off the field.

The significant improvement in the A Grade performance greatly assisted the Club in its climb up the Championship ladder, however, the Second Grade Premiership was the highlight of the season. The efforts of Tim Beattie and Vince Rule in making centuries in the final ensured the team obtained the premiership that they had worked so hard for throughout the year.

The Inverarity Shield Team (U/13s) were again successful and much of this success must go to the efforts of all those involved in the administration and development of Junior Cricket within the district.

Off the field the Club is financially sound and is fortunate to have great sponsors and members' support, with a high calibre and effective committee and to all, I thank you very much.

As this report is delivered we shall await the outcome of the vote on the Boundary Sub-Committee recommendations which includes our amalgamation with Claremont-Nedlands in the 1995-96 season. Hopefully that will not be passed. If Clubs wish to amalgamate they can, but amalgamation should not be imposed on them unless all appropriate factors within the Cricket Council rules are taken into account. I don't consider that a proper comparative assessment has been made by the Boundary Sub-Committee in their report to the Cricket Council.

Kevin Payne

COACH'S REPORT

The 1993/94 season marked an overall improvement in the club's standing in the WACA competition. To finish fifth in the club championship was no reason to pop the Moet, but compared to the previous season it was encouraging to see the players had, to some degree, become fed up of losing.

Congratulations, of course, to the second grade for its premiership win, the seconds had a hard run home and two very intense finals, and it was their ability to concentrate (both with bat and ball) for long periods under pressure that got them through. Well done.

The one outstanding feature, from a coach's point of view, was that most of the seconds premiership team played most of the previous season in thirds. It is my belief that at least 3-4 players in the winning team can progress to become regulars in A Grade in 1994/95.

To single out players in the seconds for special mention would be unfair as almost all those who played contributed over the season. One exception is Geoff Hann, who announced his retirement at the conclusion of the season. Geoff was a big contributor both on and off the field during my stint as coach. I thank him for instilling some much-needed mental toughness on the field through his example, and wish him well in his future pursuits.

In the same category of hard-nosed competitiveness was Brian Raven who also decided to retire as a player at the end of 1993/94. Brian's feats in A Grade last season were marvellous and he certainly helped the A Grade players to "back themselves". I wish you good things for the future Bird.

To the committee, many thanks for your support in 1993/94, and I'm positive the players appreciated your work behind the scenes.

Peter Gonnella

FIRST GRADE CAPTAINS REPORT

The 1993/94 season was one in which the A Grade finished the season far better than it started. The barn-storming end of season run was partly due to a terrific level of commitment by the players and a greater pride in their performance. The embarrassment of finishing the season near the bottom of the table seemed to motivate most of the players.

The team finished in 9th position with 5 wins. I thought there were some very positive signs shown by the team during the year and with an ounce of luck our final position would have been better still. But it is results that count and 9th position is simply not good enough.

The summer for the A Grade team was broken into two distinctly contrasting parts.

At the start of the season, I was convinced that for our team to be consistently competitive then everyone selected needed to play to the best of their ability in every game.

It is unfortunate that only in the last half of the summer did the team perform as it should have where everyone was eager to make a contribution. Throughout the season, Subiaco-Floreat troubled some of the best teams in the competition but it was only when all team members contributed that we started winning games.

Many of my team mates seem quite happy to perform at a mediocre level without striving to improve their performances. The need to score more than just 20 or 30 when batting or to maintain the pressure on the opposing teams' batsmen when fielding or to chip in with more than just a couple of wickets when bowling are glaring shortcomings of our game.

The improvement on our performance of last year was very pleasing. From our 12 first innings' results, the batsmen produced 2570 runs at 214 per innings and our bowlers conceded 2716 runs at 226 per innings. The most pleasing aspect of these figures is the increase in average first innings totals from 180 last year to 214 this year. We must make this total our minimum target each game in order to improve on our position next year.

There were some very good individual performances during the summer including 4 centuries and 6 hauls of 5 wickets or more by the bowlers.

Brian Raven set the standard of our bowling attack throughout the year and showed the other team members his healthy competitive spirit and pride in performance. Brian "no I have not had enough!" Raven took 37 wickets that included 3 bags of 5 or more. I was able to feed off a lot of Brian's good work to pick up 32 wickets.

Gavin Swan needs to gain more consistency but showed that he can trouble the best batsmen and he finished the year well. Robert Campbell showed improvement in all aspects of his game but must strive to improve again next year.

Once again Greg Fitzgerald's wicket-keeping was outstanding and his year included a game in which he took 5 catches. The less said about Fitz's batting here the better.

Murray Goodwin was by far the best of our batsmen whenever he was available to play. The improvement that I have witnessed in Murray this season showed that he is bound for higher cricketing honours. Murray made 2 quality centuries and 3 scores of higher than 50.

Glen Dehring showed a lot more determination in his batting throughout the year and was rewarded with his maiden first grade century that was scored against the "Townners". At other times during the year, Glen began to show more consistent glimpses of his undoubted talent and he must now strive for a very good season next year.

During the early part of the season, Stuart Page was the only real shining light in our batting lineup. He carried his bat against Scarborough scoring an unbeaten century and made several other good scores. Stuart showed that he can play at his level but he must be disappointed with his end of year fade out.

The club can look confidently towards next year if it takes steps to gain a couple of key players and to hold the ones we've got.

The year has been most enjoyable on the social front and calls of 'it wasn't me mate' and 'I'll take you on' have been heard regularly. When our team is as skilful on the field as it is off we will be in position to challenge the shield champions.

The fines system implemented by the enforcer worked very well. The final total of about \$500 allowed for a really good day out that will be well remembered by all.

My thanks to the committee, Jane Reilly, Graham Stafford, Jim Rule and Kevin Payne.

Finally, special thanks to Peter Gonnella who has worked hard throughout the year and has given me great support.

Peter Capes

SECOND GRADE CAPTAINS REPORT "WINNERS ARE GRINNERS"

After a reasonable year in Third Grade in the prior year, it was with some reservation and a degree of self doubt that I accepted the position as Second Grade captain for the current year. Fortunately for me, the majority of the guys who supported me in the prior camp came up to seconds and again offered great support. The second grade guys in the current year were an outstanding group to be associated with and knew exactly what was required of them when they crossed the white line. I wish to thank the players for their support and Vince Rule and Geoff Hann who filled in as captains when I was unable to play seconds, I also wish to thank the other captains for their support, Peter Gonnella for his coaching and playing exploits, the Committee and the supporters like Karl Plaisted, Reggie (The Bar) Wright, Jimmy (The Rolls) Rule, Chris Beattie, John Worland etc. who were there whether we won or lost.

The premiership in the current year was a result of consistent team performances throughout the year resulting in us finishing on top of the ladder and thus giving us the opportunity to dictate the terms in the finals. Consistency is the key to winning and this can be demonstrated in our batting where we averaged 312 runs in every first innings.

BATTING

Our ability to average high scores for the year can be put down to a strong batting line-up and lots of partnerships. We batted aggressively and put the pressure on the opposition at every opportunity. The main contributors were:

Nick (Meggsy) Rule	512 runs
Vince (Wincent) Rule	440 runs
Chris (Kev) Payne	412 runs
Tim (Himey) Beattie	400 runs

Other contributions included Geoff (Red Hank) Hann, Stephen (Boy) George, Martin (Wingy) Nice, etc. The greatest disappointment this year was the lack of opportunities given to our star studded lower order batsmen. To Kirky, Joel, etc. I apologise for batting you so slow.

Batting is 99 percent mental and 1 percent ability. This can be highlighted by the performance of Tim Beattie who has always had the ability (ie 1 percent) and in the current year applied himself to perform. Tim changed from a struggling third grade batsman in the prior year to a dominant batsman in the current year. Tim batted within his own abilities and with a bit of confidence (part of the 99 percent) he bunted his way to over 600 runs for the year. Congratulations to Tim (the bunting Himey) for a great year and go on with it in 1994/95.

BOWLING

We had 10 guys during the year perform the majority of our bowling. Early in the year Jason French showed the way and dominated the early wicket taking by continually bowling at the wickets and moving the ball around. This set a standard for our bowling for the remainder of the year and with consistent line and length we bowled dry, dry, dry. As Captain I can honestly say that we had the tightest bunch of pie throwers in the Association and it was sensational to watch them go through their paces each week.

Our strength was the flexibility in our attack and the attitude of our bowlers. Outstanding performances in the current year were from Geoff Hann, Vince Rule, Joel Murphy, Jason French and Paul Kirk. Vince was without doubt the best spin bowler in the second grade competition and his concentration to bowl tightly was unsurpassed.

As with our batting, there were certain players who I rate highly but were deprived of the opportunity to display their talents. To Danny, Nick, Georgy, etc I also apologise.

PS. Good to Hanny has retired again (until next season), where the "SOFTY" will again try to avoid pre-season and come up with any excuse to get the spikes back on.

FIELDING

With pace to burn in our fielding side and some of the most sensational glass arms you are ever likely to see, captaining our fielding team was an absolute "walk in the park". All it came down to was not letting anyone field more than 10 metres from the bat and in a position where they don't have to move. If anyone runs out of some statue fieldsmen for their test match cricket game, I have a rough idea where they can get some life size replacements from. - Only kidding guys!!!

The second grade rarely missed a catch all year and put intense pressure on the opposing sides. We had great team spirit and this was lead by Danny who never stopped encouraging all year. It is always easier to sledge than to encourage a teammate when things aren't going your way, but Danny had the strength of character to always praise his own players and leave sledging to the opposition. This strength of character in players is what wins games for you.

Regular quotes from the quiet wicket keeper were:

- "Don't get out buddy or your gunna get a spray!"
- "I've seen better batters in a fish and chip shop!"
- "One mistake and its all over buddy!"
- "Back yourself buddy!"

As Captain, the hardest decisions all year was to try and fit 14 guys in to 11 spots in the final team. To the guys who performed all year to get us to the finals and missed out on playing in them, I thank you and know that your strength of character will have you back there next year and dominating.

In summary, it was a great year, we had an excellent team spirit, a good win in the finals and the most important contributing factor to my personal enjoyment for the year was the home front support from Jane and Cameron (COBBY) O'Brien.

THANKS and "BACK YOURSELVES" in 1994/95.

Glyn O'Brien

THIRD GRADE CAPTAIN'S REPORT

Season 1993/94 would not be one that the majority of the third team could look back on with any degree of pride or achievement. This may seem a hard statement to some, but a won 4, lost 8 ratio was a very poor return, considering the ability "on paper" of each player, even though we used thirty one of them during the season. Apart from a few individual performances, we lacked a commitment to succeed and a team discipline both on and off the field, required of successful sides.

After a good first up win, we collapsed in the second game from 4 for 217 to be all out for 234. Scarborough were in trouble at 7 for 185, but with overs to spare, just hung around to pass our score with 9 wickets down. Our inability to bat the full allocation of overs cost us the game and would do so throughout the remainder of the season. Our four victories were the only games we managed to bat all day, thereby making an easier job for the bowlers. This was a season that most of the side did not or could not achieve in eight matches during the season.

In three of the victories centuries were scored in a manner which should have been repeated. Steve George 151, David Harris 145 and Tony Flynn 155 NO, but generally our batting lacked discipline and too often players got out going for the big hit. Of the regular batsmen only Bernie Le Tessier, 217 runs at, 31.0 and Andy Worland 276 runs at, 30.6 showed any degree of consistency. Three visitors to the team should receive a special mention. Tony Flynn, 3 innings 233 runs at, 135, Steve George 2 innings 233 runs at 116, and Tim Beattie, 2 innings 142 runs, at 71 showed the rest of us how the game should be played.

The bowling performed reasonably well throughout the season, especially considering the pressure applied on them by our poor batting displays. In fact, we bowled eight sides out and had nine wickets down in three other matches. Justin Swan bowled with pace and spirit, without a great deal of luck, in taking 14 wkts at, 37.5 from 135 overs. Paul Kirk topped the averages, taking 16 wkts at, 18.3 from 106 overs, a feat that saw him elevated to the second team halfway through the season. Fourteen players bowled 30 overs or more, a testament to the continual changes made to the team. Dave Harris produced the individual bowling performance of the season taking 7 for 49 from 23 overs in dismissing Willetton for 188. We then produced the worst batting performance of the season by being dismissed for 177. Someone who indeed did give 100% in every game was Shane Liddelow, whose tragic accident whilst chasing a ball at Melville proved more costly than anyone had thought. He did not play another match, but during his four games, he scored 138 runs at 46.0 and bowled 36 overs taking 3 wickets at 28.6. Shane was sorely missed in the remaining games.

In closing, I must congratulate the 'WACA Team of the Year', Subiaco Floreat 2nds. Glyn O'Brien has lead from the front and shown all those qualities of leadership that I knew he was capable of. To Vince Rule and Tim Beattie "The Men of the Match" a truly exceptional innings by both of you, of which I had the pleasure to witness. To all the team, including Chris Payne, Joel Murphy and Tony Flynn congratulations on a wonderful season and a great finals victory.

Peter Farley

FOURTH GRADE CAPTAINS REPORT

With the majority of fourth grade players playing only their first or second seasons of senior cricket and with a lack of experienced cricketers in the team, the final result of the 4th grade in finishing sixth and missing the finals by a handful of points, was a very creditable performance.

As usual the fortunes of the 4ths depended on the availability of players. It was no co-incidence that of the four games lost, three were when the 4ths were left two players short and had to make up the numbers with friends, relations and U/17s. This was suprising, as pre-season there were over 50 players training, yet from the first game onwards we achieved full availability only twice, as players made themselves unavailable for a variety of reasons, some of which appeared to be flimsy.

While this was always going to be a problem, it appears to be getting worse each season. From a 4th grade point of view, it is frustrating when every game our chances of winning are dependent not only on the skills of the players selected, but also on our ability to field a full team of cricketers in training. It is also disappointing to see young players who have made a commitment to playing cricket each week for the Club, have their chances of playing in the finals hindered by the unavailability of other players, who were perhaps less committed to the Club, but when available played in higher grades.

It would be great to see next season, all players being committed to playing in a premiership team for Subiaco-Floreat, and therefore being committed to playing in every possible game of the season. Without this commitment, finals appearances will be possible only for the 1st and 2nd grades and a Club Championship will be beyond the reach of the Club.

On the playing side of things, the other great stumbling block to success, was a lack of consistency, especially in our batting. While all the players improved over the season and all made a couple of significant contributions to our victories, individually the players were not able to string together a number of major performances that would demand promotion to higher grades.

None the less, there were some fine performances that warrant recognition. Bernie Le Tessier's innings of 99 vs Claremont-Nedlands and Andrew Steindl's 93 vs Fremantle, both made when we were chasing totals, were full of merit. Phil Henryon's 6 wickets for 61 vs Claremont-Nedlands underlined his potential to be a matchwinner, while Greg Catlin took a hat trick against Scarborough. Perhaps the best individual performance was when 15 year old Chris Isles took 5 wickets for 8 runs off 8 overs to singlehandedly win the game against Mt Lawley.

The best team effort was when we recovered from being 2 for nought against Midland-Guildford to bat all out for 269 and then bowled them out, on a hot day, on a flat Lilac Hill pitch for 214. It was a fighting effort and showed the players what they were capable of when they fully applied themselves.

Our batting was technically sound, but over the season the batsmen found it difficult to turn starts of 20s and 30s into big scores, and we only had six individual scores over 60 during the season. This meant that we failed to bat out our overs in nine of the twelve games. The ability to bat out the overs is a characteristic of all very good

JUNIOR REPORT

teams and is essential to winning a premiership. It would be fair to say that, generally, our batsmen got themselves out more through bad shot selection and impatience, rather than from receiving unplayable deliveries. This was mainly due to lack of concentration and application, rather than ability, and is a situation that should improve with experience.

Derek Fry was our leading run scorer with 301 runs at an average of 37.63. Derek was our most consistent batsman, who next season should do well in higher grades. Top order batsman Andrew Steindl (235 runs @ 26.11) and Simon Botsis (289 runs @ 19.85 and 17 wickets @ 14.06) were both match winners in their games, then they could both succeed in higher grades.

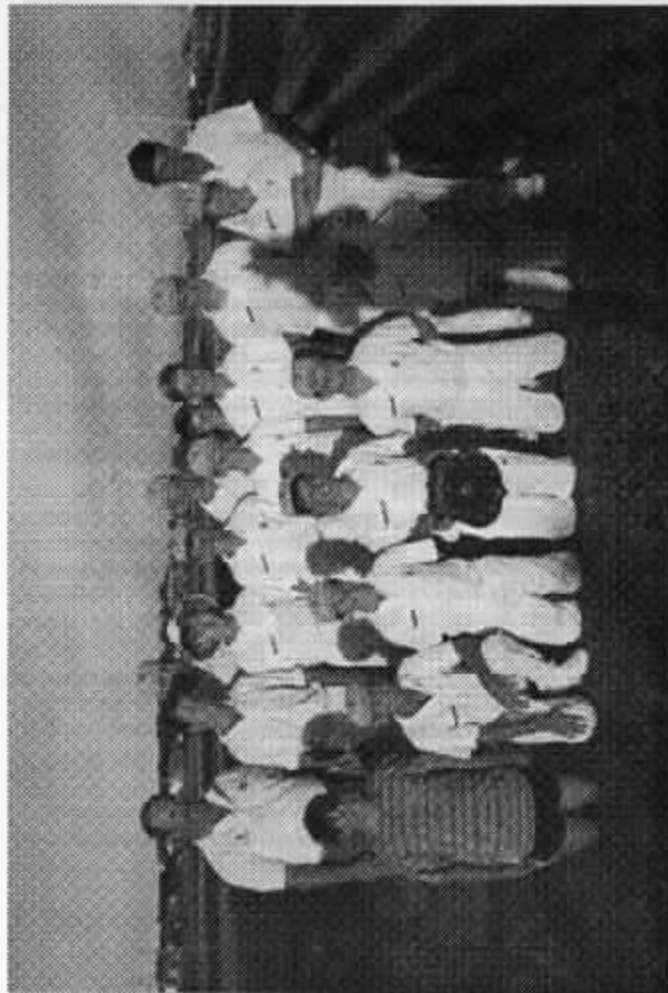

Our bowling, was a bit more consistent than our batting, only once did we fail to bowl out the opposition. The bowlers generally bowled to plan, and bowled tightly, although sometimes, especially with the new ball, we did not attack the stumps enough and bowled too wide. Of the bowlers, Phil Henryon impressed, not only with his pace, but also with his application and determination, in taking 18 wickets @ 28.06. If we had been able to catch in the slips better, then Phil would have taken many more wickets. Cameron Barnes also impressed with his control in four games, in taking 11 wickets @ 15.86. Andrew Steindl with 8 wickets and offspinners Derek Fry and Simon Botsis with 4 wickets each, all bowled well when required.

Overall our fielding was of an ordinary standard, with all the players showing a lack of proper fielding technique and at times, concentration. Too often, during the season, opposition batsmen took singles when hitting the ball direct to fielders, with no pressure being applied to the fielders and rarely did a runout result. Unless this situation is addressed early next season by the coaching staff, and the players themselves, then we will see more and more inefficient fielders within the club.

On reflection, our record was a fair indication of our abilities over the season, but a finals appearance would have been good experience for our younger players development. Overall it was an enjoyable season (apart from Friday night recruiting!) and hopefully all the players learnt something that will help them to improve and play successfully in higher grades next season.

Finally, I would like to thank the small core of young players whose attitude and commitment to playing for the Club, was exemplary and a credit to themselves. Well done.

Greg Catlin

**SUBIACO FLOREAT CRICKET CLUB INC.
INVERARITY SHIELD (U/13) PREMIERS 1993-94**

BACK ROW: Alan BOLTON, Curtis LIND, Daniel BARNES, Brett JONES, Russell SCOTT, Andrew BOWEN, Sam BIRMINGHAM, Michael WORTH, Steven HERMANS, Paul ISAACHSEN, Joel HUBBLE, Lester BARNES.
FRONT ROW: Adam BOLTON, Davinda SANDHU, Cameron BOLTON, David BOLTON, Michael HUTCHINGS, Sam RANDALL

JUNIOR REPORT

The continued growth and success of the Junior section of the Club was again in evidence during the 1993/1994 season.

The winning of the Inverarity Shield (W.A.C.A. Under 13) Competition for this second year in a row is a testament to this. Not only does it reflect the excellence of the efforts of coach Alan Bolton and that of his player's, but also the underlying administration and development of the players occurring at Kanga Cricket level.

The District Under 15 team also showed considerable improvement during the season and with the success of the under 13 team in recent seasons, a further improvement for the next season is expected. Coach Glen Bond is to be congratulated for his diligence with the team which is sure to be reflected in the player's future development.

The District Under Seventeen team was coached by David Isles (Doctor Zhivargo) who did an admirable job with this team. Unfortunately numbers were a problem when fielding a team as we continue to be affected by the unavailability of the private school boys.

The Local Scarborough Competition saw us represented by the City Beach, Wembley Down's and Marist Clubs. Our performances in this competition were excellent and provided another level of competition for the boys. City Beach White under 13's won the premiership in this grade and followed their premiership victory when playing in the under 12's competitions in the previous year. On both occasions Wembley Downs were the runner's up. City Beach Red were runner's up in the under 12 Division whilst City Beach were eliminated in the under 14 semi final.

Junior President Ron Birmingham has worked tirelessly and is to be thanked for his efforts in establishing a network of coaches and administrators who are helping lift the profile of Junior Cricket in our District. The W.A.C.A.'s Development Board is aware of the challenge that cricket is receiving from other sports and is moving to establish an Independent Junior Board which will establish regional zones. These zones are designed to more effectively control Junior Cricket with a greater emphasis on participation by more numbers at different levels of competition.

1993/1994 Inverarity Shield Final

Subiaco Floreat 7/130 (Daniel Barnes 68, Brett Jones 35,) defeated Melville 126 (Brett Jones 3/31, Stephen Hermans 2/7, Russell Scott 2/25).

VETERANS REPORT

Subiaco Floreat "Vets" had yet another very successful year proving once again to be one of the best sides in the competition. The boys proved to be tough competitors once they cross the white line and won 5 out of 6 games.

The first game was against Claremont Nedlands on a very wet track at Creswell. The opposition made 159 batting first with an old Floreat boy Graham Gaunt making 75. Best of the bowling was Peter Simpson (3/7) and Graham Stafford (3/18). Subiaco Floreat had no difficulty making the runs finishing with 6/161 (42 overs). The best batting was Graham Stafford 34, Peter Simpson 31, Paul Forrester 31 and Ivan Lally 24.

The second game was against arch rivals Fremantle who always proved difficult to beat. We batted first and started very well with a 75 opening partnership between Peter Simpson 34 and Ross Bolton 38. Apart from Ray Elliott's hard hitting 27 the rest performed poorly with the total reaching only 158 in our 45 overs. After having Fremantle 2/1 after two overs they recovered to make 6.160 (41 overs). Former footballing great John Gerovich making 69 not out. Many dropped catches proving to be disastrous. The wickets were evenly shared with the best performance being Graham Stafford's 1/16 (9 overs).

The third game against Claremont-Cottesloe proved to be a comfortable win to Subiaco Floreat who made 7/204 (45 overs) after winning the toss and batting. After a slow start the momentum increased with some lucky blows from Graham Stafford towards the end of the innings. Graham retired for 85 (4 sixes, 7 fours) while Ross Bolton contributed another solid 47 retired hurt. Claremont struggled against some tight bowling to be all out for 151. Reg Statham with 3/21, Malcolm Lee 2/15 and Ray Elliot 0/6 (7 overs) did the most damage.

The fourth game produced another comfortable victory with Subiaco Floreat making 5/213 defeating Melville 144. Ivan Lally with 81, John Fitzgerald 48, Paul Forrester 26 and Graham Stafford 24, struck the most telling blows, Noel Knight bowled very well to take 3/17 (9 overs) with Paul Forrester taking 2/5.

The fifth game against the strong South Perth again turned out to be an easy victory. South Perth batting first struggled against some tidy bowling to reach only 96. Larry Davies 3/6 (5 overs), Paul Forrester 2/23 (9 overs) and the miserly Jack Cooke 1/3 (5 overs) made it tough. Subiaco Floreat looked like making a game of it when we slumped to 4/30 and then 5/51, before recovering to win easily making 5/97 (27 overs). John Fitzgerald 34 NO, Ray Elliott 23 NO and Phil Botsis 20 made sure of the win.

The final game was a tough one against Midland Guildford at Lialc on a stifling hot day of 40°C. Fortunately we won the toss and batted but found the bowling of Bill Van Vliet much better than what we were used to. However Roas Bolton batted superbly to make 98 from 107 balls and was well supported by Larry King in the innings with 69 from 57 balls. After 45 overs we finished at 6/221. Midland got off to a blistering start and were 0/80 off 14 overs and later cruising at 2/140. Spinners: Larry Davies 1/28 (9 overs), Paul Forrester 1/33 (7 overs) and Graham Stafford 2/23 (9 overs) made some inroads. Midland were all out for 198.

Again the feature event of the season was the Richard Wilberforce Memorial Game between Subiaco and Floreat C.C. Subiaco again won for the fourth consecutive year putting enormous pressure on Floreat to improve their rating.

Graham Stafford
Veterans Co. Ordinator.
