Life Membership awarded to Greg Fitzgerald, 1st Grade games record holder (163).

PRESIDENT'S REPORT

Well another Cricket year has come and gone, with our 1st Grade side finishing in 8th position with five wins (including two outrights) which was pleasing. Had we not suffered three soft losses against Mt Lawley, Claremont-Nedlands and Fremantle we would have finished in the top four and qualified for the finals.

That's cricket I guess, and other clubs could say the same thing. However, some positives did evolve, I thought our Coach Ian Herbert did an superb job bringing forward some players who have been around the 1st Grade scene for some time, in particular Vince Rule, who had an excellent season and was unlucky not to score his maiden 1st Grade 100. Of the younger brigade, Simon Leahy showed maturity far beyond his years and steered us over the line in a couple of tight situations which augers well for the future of the club.

Second & Fourth Grades both won five games and finished tenth on their Premiership Tables, however both showed improvement toward the end of the year.

The only side to make the finals was our Third Grade. Under the astute captaincy of Clinton Palmer and with a balanced blend of experience and youth, the thirds played well in scoring 250 plus runs nearly every time they played. Unfortunately they were beaten by Perth in the final, a game thwarted by rain with only one day's play over the entire Easter break, Dylan Allsopp scored a fine 70 not out.

Special mention must be made of Murray Goodwin who had a sensational season scoring 550 in the "Smoke Free" League, 100 plus in the "Bankwest" Sunday one day competition and 428 in Sheffield Shield, in all scoring over 1000 runs for the year, as well as posting his maiden century for WA and cementing his position at a 1st Class level.

Sponsorship money was hard to come by this season, specially with the loss of our previous major sponsor GIO, however we will still come though "in the black" with good profits derived from the Bar, thanks to John Worland, successful social events run by Bernie Le Tessier, and our Quiz Night "Master" Ronnie Burgess, together with other events such as the President's Dinner, Wilberforce and Legends Days, lunches and clever management from our Treasurer, Ted Leahy.

I cannot conclude without thanking all of my hardworking committee in particular, my wife Jan, who was thrown into the Secretary's job at the last moment due to lack of a nomination at last year's AGM, she also shared in preparation of lunches with Jim Rule, providing afternoon teas on the majority of occasions as well as catering for the "Wilberforce" and "Legends" days. Well done Jan, you have an amazing capacity for work and your efforts are much appreciated.

Our Scorer Phil Tompson did another great job this year and his efforts are greatly appreciated.

I have decided to tender my resignation as President of SFCC after this season and would like to offer my sincere thanks to all who have helped me over the past three years, I feel privileged and proud to lead such a friendly, professional cricket club.

Ian Plaisted
President

COACH'S REPORT

This season has at times been frustrating but overall a most rewarding experience. Subiaco-Floreat is a club that is rebuilding through the development of its own juniors. To enable these young players to develop into highly skilled cricketers greater emphasis needs to be placed on the importance of training. Every player must be more aware of his technical deficiencies and consult with coaching staff to develop training strategies to improve.

After a poor start the 1st Grade team finished the season strongly. Excellent victories were recorded against Wanneroo, Gosnells, Bayswater Morley (outright), North Perth and Willetton (outright). It was disappointing to lose close games against University, Mount Lawley and Claremont-Nedlands. Provided we maintain player strength and our young players improve as expected we should finish near the top four next season.

I would like to thank Murray Goodwin for his efforts as club captain. He again had a highly successful season and is to be congratulated on his fantastic performances with the bat for Western Australia. Peter Capes' return to the club was most appreciated. He contributed grandly with the ball and took over the captaincy when Murray was unavailable due to state commitments.

The 2nd Grade team's overall performance suffered as a result of losing many close games. Being competitive is not good enough if teams wish to play in the finals. By winning three of their last four games they showed exactly what they were capable of. Gary Godfrey did a fantastic job as captain and many young players will have learnt a lot playing under him.

The 3rd Grade team was the shining light in our club this season. Clinton Palmer led his team superbly. After finishing third on the Premiership Table they won the semi-final convincingly. Unfortunately they lost the final after suffering the consequences of a badly rain effected match. All players contributed strongly during the season and the club is proud of their achievements.

I would like to thank Greg Catlin for his efforts captaining the 4th Grade team. Greg had to continually seek players willing to play and on many occasions had a very inexperienced team as we had to rely on players from the under 17's and 15's. This problem will need to be addressed next season.

Craig Harms again did a fantastic job. His assistance at training was invaluable. Players are showing the benefit of his work in the mental skills area.

The support I received from the committee in my first year as coach was most appreciated. I would like to thank our Practice Captains John Worland and Chris Beattie for their assistance at training. On behalf of the captains I would like to congratulate Kerry Darragh for the professional way he ran selections.

In concluding I would like to bring to the attention of all players the need of commitment to your team and especially the club as a whole. Players who withdraw from fixtures make it impossible to field teams at full strength. If we are going to be successful, all players must train regularly and be available for every fixture.

I look forward with optimism to next season

Ian Herbert
Club Coach

1st GRADE CAPTAIN'S REPORT

1996/97 was a year that consisted of some real highs and lows that were quite frustrating for all the players involved, not only on the cricket field but also most Saturday nights!

I must admit that I really enjoyed captaining the Club this year but the best thing about captaining Subiaco-Floreat is that every player once on the field gave 100% and that certainly helps any captain and makes things so much easier.

A very important part to any season is starting off well. We played University at James Oval, where it was an absolute freeway. All the guys were underdone as far as match pressure and match practice goes. My dismissal for handling the ball was most the most disappointing part as I was set to make a decent score. I didn't for one moment try and knock the ball away with my hand, I can only put it down to a reflex action, as I originally intended to protect my head. I honestly feel we would've made close to 300, as it was 228 wasn't enough.

Things could've been different if Paddy McKeown had been there to strengthen our batting. The University bowling was ordinary on a freeway, so he might have made a few and put his mind in a totally different frame, thus his season could've had a much different outcome.

Subiaco-Floreat's problem is not the ground or pitch (though a good one would help) it is simply that Subiaco-Floreat has a number of players who are good 2nd grade players who come unstuck when making the jump to 1st grade. I feel these 2nd grade players have the potential to play 1st grade, but it's like anything in life, you have to work hard to progress. I don't want to be a teacher and lecture the guys, but if they just took five minutes of their time to think what it would feel like to play in the finals of the 1st grade pennant league for Subiaco-Floreat they would realise finals cricket would be high pressure, intense cricket and would be the closest thing to 1st class cricket they would get to play.

Subiaco-Floreat has probably the best social spirit going around. From a personal point of view it was great to feel as though I could have a beer with anyone in the Club, proving how close and strong the spirit of Subiaco-Floreat is. However, this social spirit might have something to do with a lot of players not reaching their true potential and proving to themselves that they could perform well in 1st grade.

All the games I played in were mostly enjoyable but there was odd one that really annoyed me. I won't mention the close ones we lost or the odd one we got hammered in, because like everyone I like to win and celebrate.

The outright win against Bayswater-Morley was certainly the best win I have experienced from a game and team point of view. Everyone performed well and helped us achieve the outright. Peter Capes and Gavin Swan were devastating in their efforts with the ball and far too good for the Baysie Boys. While Robbie Campbell and Vince Rule got us off to reasonable starts in both innings, having Paddy come in and smash some big sixes was certainly the turning point as Bayswater-Morley lost the plot, taking a lot of pressure off myself. I must say these sorts of wins with the whole team contributing are what we play cricket for.

I must pay particular credit to Peter Capes and Gavin Swan on their efforts with the ball over the season. Peter is what I like to refer as a Rolls Royce opening bowler. His bowling amuses those of us behind the stumps as batsmen try to survive. It was the perfect opening combination having Peter and Gavin bowling in tandem with the new ball. Gavin had a number of catches spilt in the slips all season, but his bowling was tremendous providing the odd thunderbolt to put fear in fear in the batsmen facing and those waiting to come in. Gavin got better as the season went on and I feel he deserves a go in the State Squad because he has "it" as a fast bowler. "Swanny" gives 110% bowling down wind or into the wind and when it's swinging there aren't too many bowlers in this State who I

SUBIACO - FLOREAT CRICKET CLUB (Inc)

would rather have opening the bowling. Congratulations Gavin and Peter on a great season and I hope it continues next year as it was a pleasure to captain the best opening combination in 1st grade.

Throughout the season Subiaco-Floreat had some promising performances with the find of the season being Brendan Balcombe. "Bomber" had a solid season in his debut in 1st grade rising to the level required and performing well. Stuart Boyle showed he has promise not only with his hard hitting and free scoring but also with his handy seamers. Robbie Campbell, Vince Rule and Simon Leahy will all be important to Subiaco-Floreat's top order next season as we do tend to collapse at the top.

There was a quiet contributor throughout the year and no-one has more pride in his performance than wicketkeeper Micheal Simpson. "Simo" had a solid season behind the stumps and is more than capable with the bat. I hope "Simo" realises that he can bat as I really feel he could average close to 40 and help our middle order immensely.

It was an inconsistent year for Subiaco-Floreat but finishing with an outright win was fantastic, I'm glad I was able to be there to watch and support an extraordinary last day.

I want to thank all the players who played 1st grade this season. I really appreciated the effort and all the guys were good fun especially when a win or if it was a Saturday night or any night for that matter. Many thanks to "Herbie" for putting your time and effort in and I am also speaking on behalf of the Club. Your efforts were greatly appreciated and you did well.

One final thank you to Phil Tompson for scoring. On behalf of the 1st grade everyone of us appreciated your time and effort that you put in.

Murry Goodwin
1st Grade Captain

*A Captain's role - "A PR officer, agricultural consultant,
psychiatrist, accountant, nursemaid and diplomat."*
DOUG INSOLE

SUBIACO - FLOREAT CRICKET CLUB (Inc)

2nd GRADE CAPTAIN'S REPORT

Entering the 1996/97 season following the loss of so many senior players from the top two sides, second grade were unlikely to be a force in the competition. Following the disappointing loss of round 1 the situation was made worse by the surprise retirement of Peter Gonnella who had returned to the club offering valuable experience and worth in his capacity as second grade captain. Not surprisingly the team was crushed by previous premiers Perth in round 2, suffering an embarrassing outright defeat. Another narrow loss in round 3 and a position at the bottom of the ladder suggested that this was to be a long season indeed.

To the credit of the players, the team was able to regroup and despite some shaky batting performances, inflict two morale boosting victories and totally control two matches for unfortunate draws up to Christmas. A disappointing three run loss to Claremont-Nedlands, followed by a sour defeat at the hands of Bayswater-Morley, put an end to an otherwise promising trend after Christmas, and again the outlook was become somewhat bleak. Resisting the traditional end of season "fade off", the players once again rallied to win three of the last four matches, the last of which was an exciting outright victory over Rockingham-Mandurah, ending the season on a terrific note. Only a hard fought one wicket loss to North Perth on a difficult pitch blemished an otherwise remarkable sequence of weeks.

In retrospect it was largely inexperience that resulted in the four narrow losses throughout the season that would have otherwise seen the team finish as leaders on the points table, such was the nature of the points system. Though it is unlikely that every close game during a season will end favourably, converting at least two of these matches would have guaranteed a finals berth. The drain of playing stock, though devastating in the final analysis this season, enabled many promising young players to emerge and grasp manfully the opportunities afforded. The rise to first grade of Simon Leahy, following some accomplished batting displays; the immediate success of George Christodoulou as a wicketkeeper of class; the emergence of David Bolton as a capable batsman who shows the steely resolve familiar to his name; the demonstration that Damien Casson is indeed a future first grade batsman; and the inclusion of state U/17 representatives Sam Howman and Chris Cann, the latter of whom displayed his immense batting promise with some fine innings, heralds a new and exciting series of cricket seasons ahead. I have no doubt that all of these young players will become regular first grade participants for many years if they fulfill their potential.

In a season of relatively moderate personal achievements statistically, some outstanding performances are worth noting:

David Darragh showed that he is an improved batsman with more than good reason to re-acquaint himself with first grade cricket with a particularly competent match winning innings of 133 not out against trendsetters Fremantle, backed up with some important innings of 89, 63 and 58 throughout the season.

Danny Quai's innings of 96 not out against Gosnells transformed the match completely and resulted in an unexpected victory. No doubt a full season in second grade would have seen him record some very impressive all round statistics.

Simon Leahy's innings of 99 not out against University reflected a maturity beyond his years and our disappointing loss was a total injustice to his remarkable innings

Robert Campbell's only innings of 151 following a four week "tour of duty" in Mauritius showed that such "duties" are not only good for the soul!

Tim Silinger's worth as a batsman became evident and he will no doubt have a more fulfilling season as an allrounder next year following his consecutive innings of 49 and 50 as a surprise opener.

Phil Henryon proved that he still has much to offer the club with a string of bowling performances that all but embarrassed the opposition. In particular his 6/59 against Fremantle demonstrated his improvement in both skill and temperament, and his return to first grade was more than justified. With careful nurturing, Phil will become a proven match winner.

In general terms, Paul Kirk turned in another solid season both on and off the field, whilst the captain managed to occasionally justify his position in the side beyond tactical and managerial purposes. A solid pre-season effort will do nothing to dampen the prospects of either of these gentlemen in 1997/98.

Joel Murphy enjoyed moderate success by his own high standards but nevertheless proved to be a valuable contributor each week. His attitude and work ethic on the field set a great example and the void he leaves upon moving to the U.K. will not be filled easily. He has served the club well over the past seven years and we wish he and his family every success in their new life overseas.

Finally in summary, the second grade of 1996/97 can be proud of their achievements in overcoming many of their initial setbacks. The team must however continue to improve on what has been effectively been a development year. The players with such great potential as mentioned must aim to quickly realise much of this promise and take every opportunity that exists to further their careers. All players in second grade have a responsibility to the club to ensure that it is represented to its maximum capacity in first grade each week, as a result of strong competition for positions.

On a personal note I would like to thank the players for their support in my first season as captain and in particular Ian Herbert for his marvellous efforts which certainly eased many of my responsibilities. I look forward to 1997/98 and the possibility of continuing the captaincy over what promises to be very successful season.

Gary Godfrey
2nd Grade Captain

*"When you win the toss - bat.
If you are in doubt, think about it - then bat.
If you have very big doubts, consult a colleague - then bat."*
W G GRACE

3rd GRADE CAPTAIN'S REPORT

Despite not achieving the ultimate goal in the third grade competition, there are numerous positives to take away from the 1996/97 season. From the teams perspective, an eight win, two loss record and three draws in the qualifying rounds and a berth in the final reflects fairly the keen desire to achieve success as a team. This desire came from within the players, who each wanted success from their teammates as much as for themselves. This was particularly evident towards the end of the season when we came home with a run of five wins and only a wicket away from winning six consecutively.

The two early season losses provided the team with some valuable cricket lessons. From these games we learnt how to cope better with pressure being applied from the bowling side. Such experiences were not lost on the younger members of the side and so the club will benefit as these players progress.

As a captain it seemed a waste to me to have ten other brains on the field and not to use them, and so I would like to thank the players for their input when it was requested and encourage you to always be "thinking cricketers". Special thanks to my vice Nick Rule, Richard Brown, Martin Nice and Daniel Quai in this respect.

Commenting on the individual performances, I would firstly like to congratulate Dylan Allsopp for his fine performance with the bat. Dylan took a little convincing of his own ability, but once he believed in himself the runs flowed. A good example was his 110 against Fremantle and his unbeaten 70 in the final. As can be seen from the seasons statistics Dylan was not alone. Daniel Quai who joined us relatively late in the season was a tremendous asset. His 126 was instrumental in one of the teams most satisfying victories of the year against North Perth. "Brownies" caribbean style batting was always a pleasure, if not a little nerve numbing to watch. Richie also has the ability to apply himself to scoring big runs and deserves credit for his 106 against Claremont-Nedlands when the team needed such an innings.

The above mentioned batsmen owe some credit to our usual openers, Nick Rule and Martin Nice, who could always be relied on to see off the new ball and go on to make valuable contributions themselves. Nick's re-ignited thirst for runs was rewarded with an energy sapping 104 against Fremantle. David Bolton was the first to get the ball rolling with the centuries. His 117 against Gosnells showed he has the ability to concentrate for long periods of time and for this deserved his promotion to the seconds.

Middle-order batsmen who can time the ball well are invaluable in destroying a tiring attack. We were fortunate to have two such batsmen in Brendan Bow and Duncan Bond who both accepted that this was their role and rarely failed to demoralise oppositions. The rest of the batting line up was given little opportunity given that the top order got the score to 280 and beyond on eight occasions primarily by themselves. However Nick Plaistead and Sam Howman showed their capabilities whenever the occasion arose.

With good totals to defend the bowlers all had a good season with aggressive fields able to be set. The three highest wicket takers - Adam Cross, Sam Howman and myself captured 74 wickets at an overall average of 16.81. Fortunately for the club, two of the three are young prospects. Sam's impeccable line & length and an enviable ability to move the ball either way at a good pace made him a worthy recipient of the bowling award. Adam was our most destructive bowler snaring 28 wickets. As the batsmen that he bowls to improve so will the number of times he finds the edge of their bats. The improvement in Adam's bowling was most encouraging.

Opposition captains often remarked on the depth of our attack, which was not surprising given that Duncan Bond, Martin Nice, Daniel Quai, Dylan Allsopp and myself could be relied upon to provide good support and each had spells during the year that turned matches our way.

The intensity and effectiveness of the bowling attack can only be as good as the support received from the field, and to this end Nick Plaistead should be well pleased with his effort. Nick organised the slip

cordons making sure most catches went to hand and usually stuck. He also gave a lot of encouragement to the bowlers and kept us all alert in the field. He and the rest of those in close proximity to the batsmen made sure the batsman always had a couple more distractions to deal with. "Bowie" was a fine short-leg fieldsman but this wasn't the only reason we had him camped under the lid.

Unfortunately for the team we lost the services of Martin Nice on the eve of the finals with a broken finger. Martin's contribution with both bat and ball during the season showed what a good cricketer he is. His absence opened the door for Daniel Barnes in the semi-final and he didn't waste the opportunity, taking two catches and putting together a stylish unbeaten 36.

The team played almost faultless cricket in the semi-final in disposing of Gosnells with just under two sessions to spare. After the bowlers did the job dismissing Gosnells for 152, Nick and Dylan set us on our way finishing the day at 0/68. Sunday took care of itself with Nick Rule, Richie Brown and Brendan Bow scoring fifties.

We had beaten all the sides which made up the four and were coming of a comprehensive win in the semi and so were looking forward to playing more good cricket in the Grand Final. As we still are.

Factors beyond our control like two inches of rain and overly conservative umpires forced our hand (bad pun considering the amount of cards we played over Easter) and we declared at our first day total of 5/161 leaving us just over a session on the final day to get 10 wickets. It wasn't to be. I hope the feeling of being robbed of a fair chance at the flag will help us win the minor premiership next year.

In conclusion I would once again like to thank the members of the side throughout the year for their support. This helped in making the season one of the most rewarding and enjoyable. My thanks also go to Ian Herbert for his guidance and interest in the future of the club, Kerry Darragh, John Worland and Ian Plaistead for their encouragement and all those who make it possible for us to just front up on a Saturday and play.

Clinton Palmer
3rd Grade Captain

4th GRADE CAPTAIN'S REPORT

What started out as a promising season when the 4th's won the first three games, quickly turned into a season of disappointment when the 4th's struggled to win only two of the last nine games to finish the season in tenth place.

The poor performance can be attributed to three factors,

- a lack of depth in the Club following some early season retirements and a significant number of players being unavailable in each round,
- woeful batting performances,
- an inability to hold catches.

This season 35 players played for the 4th's, including eight U/17's, five U/15's, three mates of players and a dad. With the exception of the two of the U/17's who were regulars, these players were called into the team to make up the numbers, when players throughout the grades made themselves unavailable, often at the last minute. This instability made it difficult to create and maintain a team spirit and to play cricket to a consistent match plan. It also contributed to the fourths playing some real dismal cricket.

However, the junior players who turned out for the 4th's all showed that they possessed the basic skills to develop into good senior players for the Club. Their willingness to play at short notice was much appreciated by the Captain.

The lack of batting in the 4th's is best demonstrated by the fact that we scored over 200 only four times. It was no co-incidence that we won those games. Individually only three 50's and one 100 were scored by 4th's players over the season, a very poor return. Duncan Bond's 123 against South Perth and 16 year old Myles Quinn's 95, against University in his first senior game, were fine efforts that set up two wins for the team. Of the regular players only 15 year old Daniel Barnes with 275 runs and Andrew Rintoul showed any degree of application when batting.

The bowling on the other hand was of a good standard and we consistently bowled teams out for between 150 and 200. However, this is was of little use when the team could only score 120! Ryan Parkin was the pick of the bowlers, taking 23 wickets at the good average of 14.52. His single-handed demolition of Claremont-Nedlands when he took 7/38 off 18 consecutive overs was outstanding. Ryan is big, strong, deceptively quick and gets the ball to lift of a good length. With a full pre-season, Ryan should progress up the grades next season.

Andrew Rintoul bowled well through out season, with a lot heart but not much luck, but still managed 16 wickets. Medium pacers Greg Catlin, Justin Dwyer and Steve Wright all bowled their outswingers to good effect. Developing leg spinners Robbie Parr and Daniel Barnes bowled well when called upon, but a lack of runs on the board, unfortunately reduced their opportunities.

Catching was a real problem. We couldn't. Three potential wins were lost (not withstanding our own low scores) because catches were grassed that should have been taken. We dropped anywhere between four and eight catches an innings, which was exasperating. This is an area that all 4th's players should work on for next season. Arriving to a game on time, sober and with few hours sleep under the belt, can also improve a player's catching ability.

To the half dozen or so players who turned out each week to play, thanks for your efforts.

With the graduation of most of this years U/17 players, hopefully next season there will be 44 or more senior players who want to play for Subiaco-Floreat each and every week, which will give the fourths a base to become a competitive team and play good cricket every week.

Greg Catlin
4th Grade Captain

SUBIACO - FLOREAT CRICKET CLUB (Inc)

VETERANS REPORT

That rugged band of wily warriors who represented the club in the veterans competition completed another memorable season. Memorable this season for the fact that over the course of 6 games there was not a single torn hamstring. A fact assisted by Alan Bolton and Ray Elliott not donning the creams this season.

Memorable also for the fact that the veteran of veterans, Ivan Lally (61 years young) has hung up his battered pair of boots. Ivan has been a wonderfully enthusiastic player for the club since the inception of the veterans competition.

Apart from a disappointing batting effort against North Perth all games were very good contests providing players with the chance to show that few of their skills had dimmed over the decades.

Haydn Chrystal was a fine acquisition to the team and showed rare batting ability and great control over his tricky leg spinners.

Reg Statham produced a great knock against Perth when he held the batting together and hit former state leggie, Bob Paulsen out of the ground. He also produced sterling efforts with his medium pacers .. the unluckiest bowler around the place.

Steve Mulhall returned to town this season and fitted back nicely into the side. Some useful efforts with the bat were overshadowed by his long spells of well controlled slow mediums.

Larry Davies was at the head of the team's long list of off spinners. Always tight, never spinning the ball he was great value at all times. Definite leadership material.

Peter Rudolph was a gutsy performer in all games with gritty batting and those looping legspinners.

Ross Bolton had a quiet season by his standards - look out next season. Always prepared to offer his advice to the skipper and avoid taking the keeper's gloves.

Peter Farmer was a superb recruiting coup .. a fit athletic fast bowler is a rare commodity in this comp.

Peter Farley is the consummate English pro .. bats a bit, bowls a bit, grabs the occasional one at slip, can always be relied upon in the crunch.

Ivan Lally kept wickets in every game in his livewire manner. When everyone is flagging Ivan is still jumping around and setting the standard. He kept finding ways to get out when batting this season. There is a big hole to fill with his retirement.

Tubby Mellows has lost none of his ability to swing the ball and in the two games he played had the ball ducking both ways on an immaculate length.

Paul Forrestal showed only flashes of ability with bat this year but what about the bowling? Why wasn't he given a bowl 25 years ago?

Paul Forrestal
Veterans Co-Ordinator

SUBIACO - FLOREAT CRICKET CLUB (Inc)

20th ANNIVERSARY ALLSTAR XII

The Subiaco Cricket Club was admitted to the Western Australian Cricket Association in 1907 and was formed from the remnants of a mercantile cricket club based at Whittakers timber mill in Subiaco. The Club played originally at Subiaco Oval before re-locating to Rosalie park in the 1960's. Some of the more well known Subiaco players were Johnny Rutherford, Jim Hubble, Des Hoare and a certain R. J. Hawke.

The Floreat Park Cricket Club was founded in 1956 and admitted to the Western Australian Cricket Association as a 2nd Grade Club. The most famous players to be produced by the Floreat Park Club were Australian Test players Kim Hughes and Terry Alderman who both went to the Subiaco Club to play 1st grade cricket before returning to Floreat Oval when the two clubs merged.

The Subiaco-Floreat Cricket Club was founded in 1977 as a result of the amalgamation between the Subiaco Cricket Club and the Floreat Park Cricket Club and commenced playing in the 1977/78 season. Ray Young was the inaugural President and Paul Nicholls the inaugural 1st Grade Captain.

Season 1996/97 was the twentieth season of cricket for the Subiaco-Floreat Cricket Club. While October 1997 is the official twentieth birthday the Club decided to celebrate the anniversary on the 16th March 1997 by hosting a match between the current 1st grade side and team made up of past 1st grade legends. This match was the last played on the old Floreat Oval pitch before it was replaced.

At the end of the match, Life Membership was presented to Greg Fitzgerald, who is the 1st grade games record holder with 163 games. Presentations were also made to Brian Raven, Peter Jones and Giles Bush who all played over 100 1st grade games for the Club.

As Subiaco-Floreat's first twenty years came to a close, it was considered appropriate to look back over the past and name an Allstar Team of the best players to have represented the Club over the past twenty years. To be eligible players must have been Australian and have played 25 1st grade games.

SUBIACO - FLOREAT CRICKET CLUB (Inc)

JUNIOR COUNCIL REPORT

Another extremely successful season was achieved by the three sides that make up our Junior Cricket Club. The U/13 Inverarity Shield team had an outstanding year in winning every game convincingly before having an outstanding win in the Grand Final to take the Premiership Flag. This team had tremendous depth in both batting and bowling, however Philip Edwards and Chad Jones were outstanding throughout the year and their opening partnership of 117 in the Grand Final set up the victory. Thanks are extended to Coach, Wally Edwards and assistant coach, David Jones for their work with the boys during the year.

The U/15 team had a mixed season and could easily have played off in the finals had they been able to field their best team more often. However school cricket commitments and injuries, to key players meant that the side struggled to win enough games to make the finals. David Kinsella was the sides best player during the season with both bat and ball and his efforts were very consistent all year. Thanks to Alan Bolton for coaching the side this year and to all the parents for their support.

The U/17 team had an extremely successful year and played off in the Grand Final, unfortunately losing to a very good Melville side. The season started slowly with a couple of early losses, but then a long sequence of good wins saw the team finish 2nd on the ladder.

Most of the boys in the U/17 team experienced senior cricket with Chris Cann, George Christodoulou, Sam Howman and David Bolton all playing 2nd grade cricket during the year. Congratulations are also extended to Chris Cann, Sam Howman and Kosta Kapinkoff for their selection in the state U/17 team. There were many outstanding individual performances during the year, Chris Cann and George Christodoulou making 100's, Daniel Barnes two eighties and Joel Hubble's innings in the semi final against Wanneroo were some of the many highlights. Because of the unavailability of college students, senior selection and the state U/17 tour, the team was rarely at "full strength" and it is a credit to all the boys and coach David Isles that this team achieved the success it did.

Special thanks are extended to David Isles who has "retired" as U/17 coach after doing a great job over the passed few seasons. Also thanks to Rod Cann and the other parents who assisted during the year.

Ross Bolton
Junior Council President

*"One fascination of cricket is that it never ceases to fascinate.
To become a devotee in childhood means being hooked for life.
Happily it is an addiction for which there is no need of
legislation nor government health warnings."*
DAVID RAYVERN ALLEN from "Cricket: An Illustrated History"
