### Vale Ray Young, Inaugural Club President

The Club's first President, Ray Young, died of cancer in December 2000, aged 62. Ray was an enthusiastic cricket supporter and a major benefactor of the club, contributing monthly to our bank account since 1977/78 when he presided over the merged club. In those days, he was an MP and then minister for Health and Community Welfare in the Sir Charles Court government. He retired from politics in 1983 and devoted much of the rest of his life to working for disabled people as the chairman of the Disability Services Commission as well as holding appointments as director of a number of public companies and charities. Ray will be missed for his energy, his willingness to help people and his resourcefulness. He was a regular attender at club functions – our condolences to his widow Sheenagh and children.

### BENEFACTORS

The Subiaco-Floreat Cricket Club would like to thank the following benefactors for the help and support received from them during the 2000/01 Season:

#### SPONSORS

Moon & Sixpence Tavern  
Kirke Securities  
Ramsays Retravision  
The Sports Specialists  
Associated Planners- David Philips  
Wembley Hotel  
Fitzgerald Realty

Wembley Settlements  
Leahy & Partners  
Inglewood Hotel  
Richie Hann Photographer  
Portfolio Design – Glen Bond  
ITC Project Management  
Floreat World of Travel

#### Special Non-Playing Members

Ross Bolton  
Greg Catlin  
Frank Collins  
Wayne Davies  
John Fitzgerald  
Paul Forrestal

John Gillam  
Keith & Nel Glew  
Clyde Goddard

4th GRADE BATTING AWARD <i>donated by Brian Kinsella</i>	D Sandhu
4th GRADE BOWLING AWARD <i>donated by Ted Leahy</i>	D Reddie

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### PRESIDENT'S REPORT

At the commencement of the season I wrote in Subi-Once that the 2 clubs Essendon & East Perth that I support had won premierships and I hoped that SFCC would give me the trifecta which they did. "How sweet it is!"

The 2000/01 pennant season was a very successful one for the Subiaco-Floreat Cricket club. The A Grade side were minor premiers and the club won the WACA Club Championship. All 4 grades finished in top positions, the 3rds being 2<sup>nd</sup> and all others finishing 1<sup>st</sup>. We were A Grade premiers, 4<sup>th</sup> Grade premiers and Colts premiers (3<sup>rd</sup> time in 4 years) with 2nds & 3rds semi-finalists. A top result and great team effort. I consider the club will be a force in the WACA competition for some years to come, as most present players will continue with the club.

Congratulations to the Captains, Gavin Swan A Grade, Tim Silinger 2nds, who by the way was runner up in the voting for the J P Robbins Medal for the 2nds best & fairest, Clinton Palmer 3rds, and Bernie Le Tessier 4ths. Their vice-captains and team-mates capably assisted them.

We saw the return of Murray Goodwin after a very successful term with Zimbabwe. This was a bonus for the club. His innings of 120no against Scarborough in the semi-final was a gem and no doubt paved the way to our final appearance. He was ably assisted with the bowling of our State Rep Gavin Swan who produced a match winning "7-for". We also saw the emergence of a talented batting & bowling line up.

Congratulations to our various state representatives - Murray Goodwin smashed an Australian record one-day score of 167 from 138 balls whilst Gavin Swan collected 3 for 31 versus the West Indies in a state game as well as performing well in a number of Pura Milk games. The State's Under 19 side was captained by Brett Jones and included Kim Wulff, whilst the Under 17 state team included Ian Hyland and Chad Jones. Ian was selected for the Australian Under 17 team as a result of his performance at the interstate carnival. Well done to all of you.

This year we gained the service of a highly profiled and qualified coach in Noel Knight who has added a 3<sup>rd</sup> A Grade WACA premiership to his belt in a period of 8 years and received the 2000/01 WACA Coach of the Year award. We have really appreciated his time and involvement with the club. Ian Herbert our previous coach, who due to family commitments did not reapply for the position, returned to assist with the batting coaching. Jim Hubble, a former Test and State player, assisted with the bowling side. Graham Gaunt got the Colts another premiership and Craig Harms did the motivation side. Thanks for your efforts and I guess your reward was the Club's achievement.

Sponsors are a major part of the club's survival and without your participation our club would not exist. Hopefully you will continue with the club for some years to come. Our policy is to foster youth and that is now paying off.

I wish to thank the committee for the support given to the players and myself during the season. Chris Beattie, vice-president, nets captain & bar manager, Dave Jones vice-president and sponsorship, Alan Bolton vice president, curator scoreboard and roller attendant! Ian Plaisted immediate past president, Kevin Payne delegate to the WACA, Kerry Darragh selector, Steve Petsos social, Sam Howman players rep., Brian Kinsella website,

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### President's report, continued

John Campbell, secretary – if it were not for John Campbell's drive & enthusiasm many of the tasks now completed would not have commenced. A very competent person, Clinton Palmer, treasurer for his first and sadly last year, as Clinton is leaving us for the UK - a top job as well as captain of 3rds!

The club would not survive without the support of the ladies. Thanks to the ladies (and some Dads) who worked the afternoon tea rosters and thanks to Kate Cann for organizing the rosters. Our thanks to Jane Dyson the ever reliable and cheerful lunch lady and her assistant Trish. We rely very heavily on your assistance and the quality of food is second to none.

Phil Thomson, A Grade scorer - thanks Phil, I know you have performed this year under stress. Ritchie Hann has photographed all teams. Glen Bond for framing of photos and everyone who has assisted in any way. Thank you.

The Town of Cambridge has been prepared to discuss matters with the club and thanks to Ross Farlekas and curator Geoff Harvey and his assistant. The development of the Floreat complex was covered by John Campbell's report in the last Subi-Once. I suggest you read this.

Our Patron, Dr. Liz Constable was unable to attend the presentation dinner but I am sure she would have been celebrating the club's achievements this season.

It is with regret that we record the passing of Ray Young during the season. Ray was the inaugural president of the Subiaco-Floreat Cricket Club. We wish to acknowledge the work and support given by Ray to the Floreat and Subiaco-Floreat Cricket Clubs. No doubt he would have enjoyed our current success. We extend our condolences to his wife and family.

Thank you all for your work and support during the season and I look forward to another successful year.

**JOHN WORLAND**

**President**

### COACH'S REPORT

In terms of achievements, this season was an outstanding one. With a Club Championship, WACA Sunsmart Minor Premiers in Grades One, Two and Four and second in Grade Three, Premierships in Grades One and Four, Emu Draft Colts One Day Premiers and a Bankwest One Day Semi Final, you could not ask for any more. Every other WACA Club would be envious of that record.

July 30 was the start of our pre-season campaign and it seems so long ago that this fantastic journey started. The pre-season program consisted of fitness work in the form of boxing and small weight routines conducted one night per week at the SFCC clubrooms and in-door net sessions at the WACA one night per week and net practice/fitness sessions on Sunday mornings. Those players who attended on a regular basis built a strong foundation in readiness for the commencement of the season.

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### **Coach's report, continued**

Sixty four players represented the Club this season with First Grade (15 players), Second Grade (21 players), Third Grade (26 players) and Fourth Grade (29 players), as you would expect both lower Grades had the highest player representation. Nine U/17 players represented the Club at senior level and all acquitted themselves well at various stages of the season. We look forward to those players commencing full time duties in the seniors next season.

During the qualifying fixtures, there were eleven hundreds scored and forty nine times a player exceeded fifty runs in an innings and nineteen times a bowler took five wickets or more in an innings. There were some very good individual efforts during the qualifying fixtures, but I would like to highlight those performances in the respective Grades final's campaign. Hundreds were scored by Murray Goodwin – 1<sup>st</sup> Grade Semi Final, Daniel Barnes – 2<sup>nd</sup> Grade Elimination Final, Steve George – 3<sup>rd</sup> Grade Elimination Final and Adam Bolton – 4<sup>th</sup> Grade Elimination Final. Five wicket hauls were taken by Michael Clark – 1<sup>st</sup> Grade elimination Final and Gavin Swan – 1<sup>st</sup> Grade Semi Final and Grand Final.

In assessing the season, the following comments are made:

#### **Batting**

While there are a number of batsmen in each of the grades who can look back on the season with some degree of satisfaction, there were very few who consistently dominated the bowling attacks in their respective grade. On far too many occasions, batsmen got solid starts and failed to go on to bigger scores. The ratio of fifties to hundreds scored will support this. Batsmen through all grades must be prepared to develop their batting skills outside the normal Tuesday/Thursday practice nights. They must also realise that developing a mental toughness will enable them to be more patient and bat for longer periods, which is the key to successful batting.

#### **Bowling**

All grades were well equipped with bowlers, and there were very few occasions that any SFCC side failed to bowl an opposition side out. This is vital given the current format of "open" cricket adopted by the WACA. Many victories through the season were set up with strong bowling performances through the grades. The 1<sup>st</sup> Grade side in particular had a well balanced attack, with Gavin Swan, Sam Howman, Michael Clark, Robbie Campbell, Scott Moody and Phil Henryon until injury forced him out of cricket midway through the season, all making significant contributions.

#### **Fielding**

This facet of the game was of a generally high standard across the grades. It is an area, which has a significant impact on the result of any cricket game and was targeted for special emphasis at training this season. I believe part of the success of the 1<sup>st</sup> grade side can be attributed to the high standard of catching and ground fielding displayed during the season.

#### **Training**

In the main, training was well attended. I believe there is still room for some improvement, especially in the area of training start times. Where possible, players should be endeavouring to make arrangements with their employer to enable them to commence training by 5.15pm. This would ensure the Net Practice Captain's job of managing all aspects of training would be a less arduous one.

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### Coach's report, continued

#### Fitness

Player's must realise there is a correlation between fitness and the ability to concentrate for long periods which impacts on all facets of this great game of cricket. All players should be prepared to maintain their fitness once pre-season is finished by having a set fitness regime which is outside normal training sessions.

#### Practice Wickets

We are all aware that the practice wickets are sub standard and SFCC administrators are endeavouring to address this issue with the Town of Cambridge. It is easy to use this problem area as an excuse for poor batting performances, however, it can also serve to make batsmen more determined to succeed under difficult circumstances. It was always pleasing to see those players who took up the challenge and batted "tough" on practice nights and then translated that tough approach into good performances on match days.

#### **Special thanks go to:**

- **Grade Captains** - The job of Grade Captain is not an easy one and to Gavin, Tim, Clinton and Bernie, many thanks for jobs well done in this sometimes difficult task. Your ability to engender both team and Club spirit was an important factor in our Club Championship win. To take your respective side into the finals was I'm sure very rewarding for you all. Special thanks also to the Vice Captains of all the grades for your valuable support you provided the Captains. Thanks Lads.
- **Chris Beattie** – Chris' contribution as Net Practice Captain was an invaluable one. His professional approach to his duties and good rapport he had with the players made him an important cog in our performance this season. Thanks Chris.
- **Kerry Darragh** – Kerry's role of Club Selector was an important one in the team selection process. His knowledge of the players and time spent watching all the grades on Saturday afternoons ensured every player was given due consideration at the selection table. His communication and organisation skills were outstanding. Thanks Kerry.
- **Alan Bolton** – Alan was a great "sounding board" for me this season. He listened to my ideas and was prepared to provide positive feedback where appropriate. His knowledge of grade cricket and what it takes to be successful is second to none. His ability to be "up front" when talking to prospective recruits to the Club was also a vital and appreciated attribute. Alan is Subiaco Floreat through and through and it was very pleasing for me to see him so thrilled with the Club's successes this season. Thanks Bolts.
- **Graham Gaunt** – Graham again took on the role of Coach of the Colts and again he was successful guiding them to another Emu Draft One Day Premiership, the Club's third in four years. Thanks also Graham for your support on training nights.
- **Craig Harmes** – Craig resumed with the Club towards the end of the season and conducted a mental skills program for the First and Second Grade players. It is an area of the game where it is sometimes difficult to identify the tangible benefits attained from such programs. From my perspective, I believe players should "open up their minds" and take every opportunity to further develop their mental skills that will not only assist in further enhancing their sporting prowess but also their personal lives. Thanks Craig.

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### Coach's report, continued

- **Ian Herbert** – Herbie's policy of promoting talented juniors up through the grades in the previous four years at the Club finally bore fruit this season. He is highly respected by all at the Club and it was great to have him working with some of the batsmen through the season. Thanks Ian for your contribution.
- **Jim Hubble** – Jim worked with Michael Clark in particular early in the season and had a decided impact on his development as a competent left arm swing bowler. Jim's credentials made him an ideal mentor for Michael and it is hoped he can again further contribute to his and other bowler's development next season. Thanks Jim.

It doesn't get any better than what we achieved this season, and I'm sure it will be difficult emulating those successes next season. Everyone involved in the Club can feel very proud of their achievements as it has been a real team effort with every person making a contribution. However, it is vitally important that we don't rest on our laurels but strive to improve our respective performances. If this can be achieved then I'm confident further SFCC successes will follow and SFCC's standing as "Top Dog" in WACA cricket will be maintained.

**NOEL KNIGHT**  
Club Coach

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### 1st GRADE CAPTAIN'S REPORT

After many years, thirteen in fact, the first grade team has secured the first grade premiership. It was a tremendous day for the group of twelve players who achieved this and it was a great day for the club. To finish minor premiers and to win the Grand Final so convincingly, shows now that we have developed into a unit, which is mentally tough enough to be successful at this level. In last year's report I said,

"The 1<sup>st</sup> grade team this year performed very well with a good balance of youth and experience. The team's success I believe can be attributed to a much more disciplined approach to our bowling and batting and when this is compiled with quality fielding and catching, not many teams were good enough to beat us."

This comment can be paralleled to this season, except that now we have learnt from previous disappointments in finals and consequently more hunger was evident amongst the group.

Our team spirit and camaraderie, coupled with our discipline to play to the team plan, ensured our success this season. There was not one weak link amongst the group and there was a terrific balance of youth and experience. In previous years our batting has struggled at times but this year it was much improved. This improvement may be attributed to the return of Murray Goodwin from Zimbabwe and although he did not score a huge number of runs, his presence and guidance of younger players was a great benefit to the team. Our dominance with the ball continued this season with all bowlers contributing at all times with few teams able to last more than two sessions.

Our batting was consistent and the main reason for its improvement was the contribution from many players. Our top five batsmen all averaged around 30 or above and our two openers, Brett Jones and David Bolton, scored 564 @ 30 and 581 @ 28 respectively which meant that the rest of the top order were rarely exposed to the new ball. Brad Hart had the difficult task of batting in the number three position in Murray's absence. Hart played as his name suggests, with plenty of heart and consequently occupied the crease for long periods of time and always put the team's goals before his own. Stephen Glew won the batting average scoring 649 @ 36 and played some outstanding innings with all the shots. Murray Goodwin batted three all season and played a sensational innings in the semi-final against Scarborough, where he scored 120 against a first class attack to effectively win us the game. Kosta Kapinkoff batted at the number five position for the entire season, averaged 30 which included a fantastic disciplined 100 containing some of the hardest straight hitting I have seen (your straight hitting was okay Clarky). Scott Moody spent a large portion of the season batting in the 'engine room' as it is referred to by the tail but filled in as night watchman on a few occasions and proved that he is no mug with the bat. He scored 342 runs @ 26.3 including a great 80 odd against Scarborough and perhaps Moods' greatest asset is his pride in his wicket.

The remainder of the batting was solid throughout the season with all players contributing, and there were a number of excellent innings during pivotal periods in games from us all.

Our bowling was exceptional this season and because of this fact it made captaincy difficult at times, not in terms of winning games, but getting everyone a bowl to maintain their match readiness. Our pace attack for the vast majority of the season bowled most teams out in two sessions. Before the finals all the seamers were averaging 15 or less with the ball which shows how well they had bowled throughout the season.

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### First Grade Captain's Report, continued

Sam Howman bowled into the wind for the majority of the season, opened the bowling on most occasions and swung the ball both ways to capture a lot of top order players. Sam did an excellent job, captured an impressive bag of seven and finished the season with 30 wickets. A great addition to the first grade bowling line up this season was Michael Clark. Having played football at the elite level his competitiveness and experience during heated competition were welcomed. The big left armer in his first season since his schoolboy days snared a convincing 35 wickets at 15 and improved as the season progressed. Phil Henryon cannot go without mention having played all the games up until Christmas, bowling with good pace and control and taking 27 wickets before a side strain finished his season.

Our spin bowling trio of Scott Moody, Brett Jones and Brad Hart all performed exceptionally this season with Jonesy and Harty not bowling as much as their ability suggests, due to the fact that most teams were in disarray before they had the chance to get the ball. Moods, the leg spinner with the full bag of tricks bowled skillfully and had many good batsmen bamboozled by his bowling. It would be safe to say that Moods played the season as our all rounder by completing it with 33 wickets @ 22 and took three unbelievable outfield catches in the semi-final.

Michael Simpson took a club record number of catches finishing with a record number of 47 (one stumping- better not forget that hey Simmo !!). Simmo's leadership and determination were terrific throughout the season and he was always the one to keep us going and on task when the pressure went on. I would like to thank him for doing an outstanding job as captain in my absence and for all his subtle help throughout the year as vice-captain. Thank you mate.

I would like to thank all of the 'quality' blokes that I had the privilege of playing cricket with this season. I have made some great friendships at Subiaco-Floreat. We have achieved something quite remarkable because as you know, 'It is not everyday that you win a premiership'. Thank you all for your support and mateship.

Thanks must go to our coach Noel Knight. Thank you 'Hammer' for showing us the way to the premiership and for the hours that you have put in to help us to our success.

Thank you Phil for scoring so meticulously each week and thank you to John Worland and his committee. Without you people there is no Subi Lions.

Now we know what to do, next season, let's get both trophies !!

**GAVIN SWAN**  
**1<sup>st</sup> Grade Captain.**

### 2nd GRADE CAPTAIN'S REPORT

The second grade rose from finishing last in the previous season to finishing top of the table at the end of the regular season - eleven wins and two losses. Unfortunately, the semi-final was lost to eventual premiers Melville and third was where the side finished.

The great improvement in the side was due to a number of factors. There was a return to the club of a number of senior players giving the side more depth, there was a more disciplined approach to practice and game day, and also the improved performances of a number of players.

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### 2nd Grade Captain's Report, continued

The batting was very consistent throughout the season and rarely was the team dismissed for less than 250. This was highlighted by the batsmen making 4 hundreds and 22 fifties between them. In all six batsmen made more than three hundred runs for the season. The two most outstanding were Daniel Barnes and Tim Beattie, who both batted in the top three and almost always got the team away to a good start. There were also a number of other players who made steady contributions throughout the season, the most prominent being Dan O'Regan, Chris Payne, David Kinsella and Chris Cann.

The bowling proved to be as equally consistent as the batting with opposition sides rarely passing two hundred runs (highest was 254 runs). Victorian recruit Kevin Lowe was a great contributor to this, picking up thirty six wickets and taking a wicket in almost every spell he bowled. Duncan Bond, after a slow start to the season, was another good performer taking twenty nine wickets, including a highlight of 8 for 37 against Fremantle.

There were a number of other valuable contributions from Michael Clark and Rob Campbell who went on to play A grade, and Andre Casson, Paul Isaachsen and Kim Wulff, who if they continue to work hard at their games will play a lot more second grade next season.

Playing 2<sup>nd</sup> grade cricket for Subiaco-Floreat this season was some of the most enjoyable and memorable cricket I have played in my life. The performances and camaraderie of the team were terrific, and it was great to be a part of a club championship. Unfortunately the goal of a premiership didn't come along, but with the same hard work of the players next season as there was this season, it is not out of reach.

Finally I would like to congratulate the coaching staff and committee on a wonderful season for the Subiaco-Floreat Cricket Club, and am already looking forward to next season.

**TIM SILINGER**

**2<sup>nd</sup> Grade Captain**

### 3rd GRADE CAPTAIN'S REPORT

The 2000/01 season saw the threes record a win, a loss, a tie, an outright win and nine first innings wins in the home and away fixtures. This was good enough to secure second place in the minor premiership and got us into the finals knowing we had the ability to put some silverware away for the club.

*How we got there and what went wrong.*

Despite the fact that batting collapses seemed to be a feature of a lot of our games, there was enough belief and maturity in the team to get us through these tight situations. Something that in previous years was perhaps the difference in winning and losing the close ones.

Twenty-eight players had at least one game in the threes this year, and every one of them had a positive impact at some stage. We didn't have the luxury of a particular batsman who consistently produced but we did have the good fortune of having someone produce some runs on a given day or take a catch which turned a game our way. Examples being centuries from Steve George, Daniel Barnes and Simon Leahy, a 94 from Kim Wulff, 3 sixties from Andre Casson, a couple of seventies from Vinny Sandhu, a couple of sixties from Vince Rule and David Darragh, significant contributions from Chad Jones, Dylan

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### 3rd Grade Captain's Report, continued

Allsopp, Simeon Botsis, Paul Issachsen and Damien Hughes. Rarely did two of these efforts occur in the same game.

Our bowling stocks were again very healthy this year, with the stand-out performer being Dylan Allsopp who captured 39 wickets at just under 16. Andrea Casson also had a very successful year before his promotion to the seconds. As with the batting, many players contributed with the ball at various times throughout the year. The swing came from Ian Hyland, the terror from Sinbad, the seam from Paul Isaachsen, the spin from Luke Sweeney, Simon Leahy and Dave Darragh and the partnership breaking hand grenades from Vince Rule.

The strength of the club this year made positions in all grades very tightly contested and some players inevitably lost their places in the higher grades. The experience of having these players in the side was a huge bonus for the younger members of the team and I'm sure they benefited from seeing first hand what a successful Subi-Floreat cricketer is made of. On the raw talent side, new faces such as Kim Wulff, Ian Hyland and Chad Jones will ensure the club remains a force in the competition as they continue to improve. Your selections in the state, and with Ian, national side, were richly deserved.

So it was with a good combination of experience and youth that the thirds commenced another finals campaign. After a hard fought elimination final which came down to holding our nerve in the final session against a good combination from Wanneroo, our first two sessions with the bat in the semi-final made winning the flag a very difficult task. To the team's credit however, we fought all the way and despite having our score passed with three wickets in hand, were always in the game. Our second loss for the year unfortunately bought our season to a disappointing end, short of the mark that we set ourselves, and short of what we were capable of. Individual reflection upon what could have been done better for both self and team will ensure the club is stronger in the future. Putting the loss down to the vagaries of sport is too easy an option.

On the upside, invaluable finals experience was gained. These games make the rest of the season pale into insignificance and are the games that stay in the minds of the players for years to come. The stakes are higher, the level of competition better, the pressure more intense, making the pleasure of success sweeter and the pain of a loss more enduring.

Personally, I would like to thank all the players who represented the thirds this year for your support. Your various personalities, which this game brings out, made playing the season with you both challenging and rewarding. You also played your part in a club championship and helped build the successful atmosphere that surrounded Subi-Floreat this year. I would also like to congratulate the premiers of the first, fourth and colts sides and acknowledge the tremendous effort of the seconds. As has been said, Hammer was arguably the driving force behind our success, and for the time and effort, and discipline that you brought to our club, - thank you and well done.

Whilst I am looking forward to a term in the UK, it is with a touch of sadness that I leave the club for a little while. Not just because I think we are on the verge of a very successful era and would like to be a part of that but because I love playing cricket with the people that are the Subi-Floreat Cricket Club. Best of Luck to you all for 2001/02.

### 4th GRADE CAPTAIN'S REPORT

Wins 14 Losses 2 - Ladder Position 1<sup>st</sup> - Minor Premiers and Champion Team/Premiers!

In looking to write this year's annual report, there are a lot of different ways of looking back on the year that has passed. On a game by game basis there would be reports of success. On a highlight by highlight basis, it would be the recalling of one good performance followed by another good performance. On a team basis it would be one of a sailing ship cruising over smooth seas. As a captain, it could be one of fewer phone calls and more overs. And as a leg spinner or middle order batsman it could be the story of hair cuts, hair styles, white caps and horse racing on top of the game. However from a team perspective it was season where in virtually every game, someone put their hand up to perform when it needed to be done.

We did this all year. A look in the score book will show a significant effort in almost every innings with either bat or ball. Our batsmen had a very good year overall. We exceeded 300 runs four times and bowled sides out in every game. Significant performances from the batsmen included Adam Bolton making 474 runs at nearly 25, including a magnificent 114, the year's top score, in the first final. On top of this, Bolts also took the ball to effect taking 9 scalps, including an L.B.W. v Joondalup bowling left handed. Damian Hughes arrived back in the team late in the year and performed well at the top of the order as well as with the ball. Damian took 6 wickets twice during the year and an excellent first ball wicket in the grand final. Damian was unlucky to miss out on a hundred in the semi final making 90 against Joondalup. Ross McQueen also came back to Perth and after a slow start hit top pace in the finals. His catch in the semi final turned the game our way and he really lead from the front in the grand final making an excellent 75. Sam Pearce also had an excellent finals series making very good scores and helping us win all three finals games. Vinnie Sandhu, our opening bowler & 'keeper also had a good year for us in the time he was in the team. Vinnie made 112 versus Rockingham, won the batting award, won the club champion, played a lot of third grade and then took the new ball in the grand final and took the first three wickets.

Brad Barnes, Graham Pearson and Justin Stafford also enjoyed fruitful years with the bat and all made significant contributions at one stage or another. Phil Edwards also deserves a mention too, making his debut hundred for us and also putting in other good performances.

In the bowling area David Reddie had a top deck year taking 33 wickets and winning the bowling award. He was well supported through the year by Mike Winter and Robbie Parr, with other cameos from Dave Garnsey, Simeon Botsis, Ian Hyland and Richard Catlin. Other valuable support came from Damien Hughes whose 20 wickets came at a cost of only 7.9.

It was extremely pleasing to captain such a well balanced and happy team, to meet with such success in winning a premiership and to experience personal success in scoring my first 100 and to take the second most runs and wickets.

There are many people who have put a lot of work in to the successful running of the club and I know that the players could not have enjoyed their year without the efforts of the coach Noel Knight, president John Worland, Kerry Darragh, Chris Beattie and the rest of the committee. My thanks go to you for your support as they go to the players for their support as well. Our team spirit was evident with such things as the white hat, and our ability to win those close games.

**BERNIE LE TESSIER**  
**4th Grade Captain**

### COLTS XI

Success is about doing the best we can regardless of winning or losing. If we can succeed and win we enjoy a rare victory.

The Colts of 2001 played throughout the year with the quiet assurance that comes from many years of careful preparation and tough competition. It is now four years since the first of the current string of Colts victories and, unlike those early nail biting wins, this year the final was won with a ruthless professionalism that has taken all those years to develop.

The first match of the season was an ordered affair against Gosnells and was won with thirteen overs to spare. As was to be the case for all of the season our batting was sound and bowling miserly. Brett Jones, David Kinsella and Kosta Kapinkoff scored the winning runs on their own whilst bowling honours were shared by all.

The next two qualifying matches against Scarborough and Melville were won relatively easily. Both were marked by strong batting performances and disciplined and accurate bowling. Again, Brett Jones, Kosta Kapinkoff, David Bolton and Chris Cann made significant contributions.

Of significance in these opening games was the fact that on two occasions we were able to pass good scores with the loss of only one wicket. This proved a boon later in the season as players realised that any opportunity to bat and score runs was to be prized.

The qualifying final saw another 100 plus opening stand between David Kinsella and Brett Jones and a final score of 246. This would have seemed a difficult target for most teams to chase, however to their great credit Perth came within 15 runs of victory and caused a few anxious moments.

The Semi-final against Joondalup was played in very hot weather and tested the endurance and concentration of both teams. Batting first we scored 205 which was our lowest score of the season. David Bolton and Paul Isaacson batted well in the middle order to boost what may have been an even lower total. Given the conditions, this proved to be a creditable performance as Joondalup battled to score 161 in reply. Bowling honours were shared, with Kim Wulff taking wickets when they were most needed.

Every Grand Final is unique. The match at Hillcrest against Wanneroo saw success in its truest form. Not only did players to a man play at their best, they won. It was perhaps one the most professional displays put on by a Subi-Floreat team in many years in any grade. There was no fuss or bother, no moments of alarm or despair, just a workmanlike attention to the job in hand.

Brett Jones set the tone of the day with a faultless 130. He was supported by all who batted with him throughout the innings but with major contributions from Kosta Kapinkoff and Daniel Barnes. A total of 248 was scored without fuss.

The bowling was, to say the least exceptional. Sam Howman, Ian Hyland and David Bolton bowled some of the 'driest' overs seen in this level of cricket. Between them they surrendered only 74 runs for 5 wickets in the opening 30 overs. Kim Wulff followed this up with four wickets off 6 overs to leave Wanneroo without hope. All players involved in this game can take with them for life a blueprint for professionalism in the game of cricket.

This season sees the end of long and successful under-age careers for Chris Cann, Sam Howman and Kosta Kapinkoff. They have been great ambassadors for the game and the

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

club and are already established senior players. It is significant that almost each time they have played in a final they have won. Each has played in at least five Premiership sides and much of this experience is evident in this year's success. We wish them well in their senior careers.

The players who return for season 2001/02 are young, but not inexperienced. To each of them we commend the high standards now set for performance in this team and look forward to seeing them maintain this in the coming year.

To David Bolton and Kotsa Kapinkoff, who at different times captained the team, well done and to all of the players congratulations on an exceptional season. Few would have predicted just how good 2000/01 would be for the club. It is heartening to know that we have not seen the last of the last of the 'good young Colts' and who knows, maybe there are more to come.

**GRAHAM GAUNT**  
Coach

### MASTERS REPORT

The 2000/2001 season was a good one for the team. One of the most pleasing features was that we had a larger than usual squad of willing players and the introduction of some younger masters saw our average age reduced.

After the disappointment of the first game being called off, the second game against Perth was a terrific contest with both sides scoring about 200, but with our team getting across the line. It was following this game that Graham Stafford rewrote the medical procedures for relieving pressure under a toenail. He was hit on the big toe by a yorker. That night as his toe was throbbing he was still angry about being given out and even more angry that the hot needle would not go through the nail to relieve the pressure. Out came the electric drill. After a couple of slips it went through the nail easily – too easily. Needless to say the result was an infected toe and a trip to the doctor.

Staff recovered in time for our next match at Wanneroo. It started well. We managed to get 12 players for the game with the idea that we would rotate a fielder, thus giving some of the less energetic members a rest. We batted first and made 201 but lost three batsmen retired hurt with hamstrings. John Fitzgerald kept his body together in making 51 not out.

Defending a score of 200 with three injured fielders was not going to be easy but we quickly did another two hamstrings and an ankle. We were rotating those most incapacitated off the ice blocks under the tree and I was trying to hide five crocks in the field. We lost.

For the first time in living memory we got to play Midland - Guildford at home. We won the game convincingly with some good performances by a number of players, but the highlight was undoubtedly getting Brian Rakich run out for a duck.

Scarborough was next and it did not look good when Bruce Palmer pulled up lame after the first over. We recovered to have them out for 156. A very indifferent batting performance saw us rolled for 119.

Claremont – Nedlands were our next opponents and we dismissed them for 165. Barry Wilson bowled well and surprisingly our fielding was sensational. Wayne Davies outfield catch, running in and diving forward was the highlight. We lost seven wickets in the chase but were always on target after Staff scored 58 not out in a style few of us remembered he was capable of.

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### Master's Report, continued

Another team withdrew from our last game but we were able to reschedule a return match with Claremont – Nedlands. Unfortunately the game was a little one-sided. They were dismissed for 101 with Bruce Palmer (3 for 7) Wayne Davies and John Gillam too much for their batsmen to handle. We passed their total in the 18<sup>th</sup> over with one wicket down. Paul Forrestal, the star, scoring a 50 retired and out-scoring his opening partner Steve Mulhall which takes some doing.

In summary, a most enjoyable season and the post match get togethers were especially enjoyable. It was good to see more involvement by the masters players in general club activities and I hope to improve that further next season.

**LARRY DAVIES**  
Master of Masters

### JUNIOR COUNCIL REPORT

Season 2000/01 proved to be one of under-achievement for the three junior teams representing Subiaco-Floreat in the WACA under-age competitions.

The Inverarity Shield (u/13) side, coached by former 1<sup>st</sup> grade premiership player Hayden Chrystal, unfortunately did not make the finals for the first time since the inception of the competition. This relatively inexperienced team won four out of their seven qualifying games but a batting collapse and a lapse in concentration in crucial games cost them dearly. The positive news however is that a number of the boys from this year's team will still be eligible to play next year and will no doubt provide valuable experience to the team. Our pool of talent at this level still remains very strong and with a number of ex-Subi-Floreat senior players now involved in coaching roles I am sure our past success in this competition will soon be emulated.

Ron Birmingham's u/15 team also had a lacklustre season finishing mid-table and having to suffer the disappointment, on three occasions, of losing matches in the last over of the day - winning just two of those games would have resulted in them finishing in fourth position. Injuries to key players at various stages throughout the season and school commitments also hampered the team's results adversely. There remain however a number of exciting young cricketers in this age group and we look forward to watching their continued development as they progress through the junior ranks. In particular, captain Ben Hansberry had an outstanding season for the club, twice carrying his bat through an innings, being named WACA u/15 Cricketer of the Year, and being selected in the WA u/16 Schoolboys team.

The u/17 team, again coached by club stalwart Graham Stafford, had an inconsistent year and also just missed out on qualifying for the finals. At full strength, and playing to their potential, this team was the equal of any in the competition but were never quite able to perform at that level on a consistent basis. The continued problem of player unavailability due to school commitments again forced Graham to look far and wide to supplement his squad. He successfully recruited several very good young cricketers from nearby districts who performed admirably throughout the season and we hope that they were suitably impressed by our club that they will remain with us next season.

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### Junior Council Report, continued

To those boys who played their final year of junior cricket we thank you for your contributions to the Junior Club over the last five or six years and wish you every success in your senior cricket career with Subiaco-Floreat.

Congratulations also to Ian Hyland and Chad Jones for representing WA in the National u/17 Championships in Brisbane. Ian's performances in that carnival subsequently earned him selection in the Australian u/17 team.

In closing I would like to thank the Committee, Coaches, Managers, Players and Parents for their efforts and support throughout the season. Special mention should be made of Graham Stafford and Ron Birmingham who after many years of tireless work have decided to retire (and see more of their families!). Their contributions to the success of the Junior Club are greatly appreciated.

**DAVID JONES**

**Junior Cricket Council President**

### SUBI-FLOREAT'S HISTORY

The Subiaco Cricket Club was admitted to the Western Australian Cricket Association in 1907 and was formed from the remnants of a mercantile cricket club based at Whittaker's timber mill in Subiaco. The Club played originally at Subiaco Oval before re-locating to Rosalie Park in the 1960's. Some of the better known Subiaco players were Johnny Rutherford, Jim Hubble, Des Hoare and a certain R. J. Hawke.

The Floreat Park Cricket Club was founded in 1956 and admitted to the Western Australian Cricket Association as a 2nd Grade Club. The most famous players to be produced by the Floreat Park Club were Australian Test players Kim Hughes and Terry Alderman who both went to the Subiaco Club to play 1st grade cricket before returning to Floreat Oval when the two clubs merged.

The Subiaco-Floreat Cricket Club was founded in 1977 as a result of the amalgamation between the Subiaco Cricket Club and the Floreat Park Cricket Club and commenced playing in the 1977/78 season. Ray Young was the inaugural President and Paul Nicholls the inaugural 1st Grade Captain.

*"One fascination of cricket is that it never ceases to fascinate.  
To become a devotee in childhood means being hooked for life.  
Happily it is an addiction for which there is no need of  
legislation nor government health warnings."*

DAVID RAYVERN ALLEN from "Cricket: An Illustrated History"

## SUBIACO - FLOREAT CRICKET CLUB (Inc)

### GOAL SETTING PROGRAM

**Step 1 Write down the specific goal**

"An important goal which I want to achieve is."

---

**Step 2 Give it a time frame**

"The time frame for achieving this goal is."

---

**Step 3 Explain why it is important**

"This goal is important because."

---

**Step 4 Note where you are now**

"My current position in relation to this goal is."

---

**Step 5 Identify the potential blocks**

"The things which may block me in achieving this goal are."

---

**Step 6 Identify the resources**

"The resources needed to achieve my goal are."

---

**Step 7 Construct your detailed plan**

"My plan to achieve this goal is."

---
