**Benefactors**

The Subiaco-Floreat Cricket Club would like to thank:

for wicket maintenance and support services at Floreat Oval and Alderbury Reserve.

We also thank Cricket Australia, the Australian Cricketers Association and the Western Australia Cricket Association for their ongoing support and the following sponsors for the help and support received during the 2022/23 season:

THE ISLAND at Elizabeth Quay

### President's Report

Whilst falling short of our stellar season last year, season 2022/23 was another very successful year for the club. The main highlights for the year were:

- 2<sup>nd</sup> position in the Male Club Championship to make it 4 years in a row in the top quartile
- Men's 4<sup>th</sup> Grade Premiers which showcased the remarkable depth of talent at the Club
- U/14 boys Premiers
- Runner up in the Men's 1<sup>st</sup> Grade T20
- Floreat Oval pitch ranked 1<sup>st</sup> in the WA Premier League competition
- The opening of the new Alderbury Reserve pavilion
- Significant improvements to the comfort and presentation of the Syd Cheek pavilion
- Significant portion of funding secured for the Syd Cheek change room upgrade project
- Stronger engagement with our sponsors and past player network
- The continued development of an inclusive environment with a strong desire to improve and perform at our best and to enjoy ourselves at the same time

The above highlights were the direct result of the tireless work done by our selfless volunteers, excellent coaching staff and first-class training/playing facilities.

The highlights above would not have happened if not for the exceptional work done by our respective coaching teams. We are very lucky to have Wayne Clark as the Men's Head Coach and he was very ably supported by Swanny, Phil Gregson, Jim Sansalone, Chris Isles, Tim Monteleone and Chris Hansberry. Nicole Bolton (Female Head Coach) continued to put in place the building blocks to make our female playing group stronger in the future and she was superbly supported by Lisa Griffith and Conor Moldrich.

The club's success is very much underpinned by the stellar efforts of our volunteers. In particular, I would like to acknowledge the amazing efforts of Stu McKenzie, Jordan Brock, Phil Gregson and Erik Carey who continue to put in huge hours of selfless service. Calvin Ko did a fantastic job co-ordinating the juniors. Once again, Larry Davies and Frank Collins did a great job as net captains for the guys and master chef Willo Snr continued to provide the priceless service of enticing all of our players to the club on a Thursday night. Many thanks also to Kim Morcom (Child Safety Officer), Gus McKenzie (social media and much more), Jamie Collins / Jack Retallack (social events & weekly podcast), Willo Jnr (uniforms and social functions), Jess Emery (Grants) and to Millie Monaghan for the work she did with our sponsors. Gary Green once again ran the Winter Academy, and this initiative continues to provide our players with some excellent coaching resources. It was also great to have Graeme Clayton join the Committee this season and his energy levels were needed to deal with the many Frogbox issues that kept coming our way. And thanks to our office bearers – Scully, Dos and Sam who were always willing to put their hand up to assist. I would like to sincerely thank all of the Committee and all of our other volunteers for their efforts and ongoing support.

Our very talented curator, Scott McLean continued to provide first class practice and match wickets with his efforts recognised when Floreat Oval won the 2022/23 award for the best pitch in WA Premier League Cricket. We are extremely fortunate to have these excellent facilities and to have Scotty's services who continues to put in over and above that expected.

Many thanks to the Town of Cambridge, WA Cricket, Cricket Australia, ACA, Whisk Creamery, Revo Fitness, Acton I Belle, General Public, Revo Cricket, Wembley Settlements, The Island at Elizabeth Quay, Image Seven, KC Australia, WOOM, Wembley Medical Centre, Greentops, The Park, eniQ, Trinix and Challenge Chemicals for their ongoing support. All of these partners provide significant amounts of funding to the Club and we would not exist without them.

The Committee's job is never ending, and the off season will see us progress the funding for the planned redevelopment of the Syd Cheek change rooms together with implementing other areas for improvement that were identified in our recent club survey.

Let me finish by saying that I love working with and being around good people, and I'm so lucky to have good people everywhere around this club and that's what makes my job so rewarding, so thanks to all of you and enjoy a well-earned break over winter.

**Greg Fitzgerald** – President

## **Coach's Report**

Well done to everyone for another great season! 2nd in the Club Championship; 3x final campaigns (1 premiership) and a T20 Grand Final. The obvious disappointment was the position we finished in, in the 1<sup>st</sup> Grade; though there were notable reasons, there are no excuses! Opportunities were available but unfortunately many weren't taken advantage of. The positive is we still have the players to turn it all around next year. It will take some hard work and team commitment, but I'm confident we will bounce back.

As far as the season goes, we started back in August and thanks again to Junior in preparing our players for the season. Noddy at Revo as always provided great facilities and has been a super supporter for many years. We thank him!

Of course, other thankyou's are needed:

- To the players – another fantastic effort across the board. Committed, hardworking, respectful, and fun to work with.
- The captains again did a superb job. Thanks to Gerry, Josh, Tom and Chris for their passion and commitment to the Club and their players. It's a tough role but a hugely important one that can define a Club. Well done guys and congratulations to Chris on the Premiership.
- To the Coaches, a massive thank you for your efforts. To Gavin, Phil, Chris I, Chris H, Tim and Jim – well done! I thank you sincerely for your support and the commitment you show to the players, the club and myself.
- Our T20 campaign just fell short again, but the job being done by Jim will, I feel sure, result in success sooner rather than later.
- Gianni does a great job wearing many caps within the club, this year was no exception. Thanks for your support as always!
- To Larry and Frank – I've said it before, and I'll say it again, without you guys' training would not work to the standard it does. It's a credit to you both, thank you.
- Stu and Willo again excelled with their Thursday nights. Two great clubmen and the passion they possess for the club helps make it the success it is!

- Again, Scotty has shown us his commitment to our training and playing facilities in winning the Pitch Rating Award. Well deserved.
- Fitzy and his committee continue to be great support and set the tone for our Club. They're committed, selfless and very hard working in their efforts to provide the best environment and facilities for all club members – well done and thank you.

I'll refrain from singling out specific players because everyone plays an important role in team and club success.

I look forward to next season knowing we need to improve in many areas but am confident that the playing group can deliver, if they maintain their work ethic and commitment to each other.

Enjoy your break!!

Cheers

**Wayne Clark** – Senior Coach

## 1<sup>st</sup> Grade Report

Unfortunately, the 2022/23 season did not go as planned or hoped. After the successes of 21/22 and a strong pre-season, we were full of confidence heading into the season. With the absences of Tim Monteleone and Aaron Lilly the side lost a considerable amount of experience although creating opportunities for many younger faces around the club. Throughout the season we found ourselves playing fantastic cricket and in strong positions, although we found ourselves unable to maintain this for the entirety of the fixture and ultimately coming up short too often.

Whilst this was extremely disappointing, we can take pride in our efforts and particularly in the T20 format, where we once again reached the final at the WACA. An undefeated run to the final had the side in high spirits and excited to avenge our defeat in last season's final. Unfortunately, this was not to be with a nail-biting defeat in the last over of the match. We did not bring our best cricket to the match and yet we pushed a star-studded Fremantle side right to the very last over, which we should be very proud of.

I'd like to highlight the performances throughout the season from Jayden Goodwin and Conor Moldrich. Both players excelled this year and showed their class. I look forward to both of them continuing to work hard and dominate in future seasons.

The club had three 1st grade debutants in 2022/23, with Bailey Gregson, Guy Taylor and Sam Smith. All three showed the talent and fight needed at 1st grade level, and I believe with continued hard work and support will play major roles in 1st grade moving forward.

I also believe we need to acknowledge the continued efforts of our coach Wayne Clark. Wayne's key ethos of the team coming first and our club goal of winning the Club Championship reverberates through the club. Wayne was once again supported by Gavin Swan (bowling coach), Phil Gregson (batting coach), Sam Pearce (treasurer) and Gianni Di Rosso (chairman of selectors), all integral members of our club and fantastic resources for the players to utilise.

I look forward to next season and pushing our way back to competing for flags!

**Jeremy Fatouros** – Captain

**T20 Premier League Grand Finalists 2022-23**

### 2<sup>nd</sup> Grade Report

It has once again been my privilege to lead the SFCC 2s in what was ultimately a very rewarding and successful season. We achieved many notable milestones together and despite just missing the grand final, we can look back with no regrets knowing we left everything out on the park.

As a team, we achieved a competition record for the most points in a home and away season, earning 107 of a possible 118 points, losing only one regular season match. We have continued to develop our style of play, building on the foundations of the last few seasons and we have forged a reputation as a consistently difficult side to play against. Something we are all extremely proud of. We fielded 21 players across the season including five very impressive debutants in Michael Reynolds, Sravan Sivashanker, Ethan Petta, Sam Smith and 15 year old Will Malajczuk.

Our season started very strongly with dominant wins over Rockingham-Mandurah, Mount Lawley and Fremantle. Performances were evenly spread though **Andrew Nicholson** did set himself apart from the rest, taking wickets at will including a remarkable 4/0 vs ML. Nicho has taken his game to a new level, complementing his ruthless accuracy with newfound patience and guile. Before departing for South Africa in February, Nicho was one of competitions leading wicket takers and finished with 22 wickets from his 12 games at an average of 15.

One of our greatest ever wins came in Round 7 vs Gosnells. After week one had been completely rained off, we entered week two with an open mind, keen to attempt a result if possible. We won the toss and were indeed able to set the game up, working our way to 215 before declaring and leaving our opposition 45 overs to chase down the score. Though unlikely, we were unwavering in our belief that we could get the job done.

Wickets fell regularly however time was against us and with three overs remaining we still required 3 wickets. **Jamie Collins**, as he had developed a knack for doing, shifted the momentum for us, picking up the key wicket of their top scorer while with 8 balls left, **Jack Retallack** took his third wicket to give us a chance. Cometh the hour, cometh the competitions best bowler. **Angus McKenzie** did not let us down, though he did leave it to the last ball of the match! Gus ripped through their number 10, securing the 10 point, single day, victory. It was a moment and a match we won't easily forget!

There were a number of times during the season where Jack Retallack was called on to captain the side. Clearly a man for the times, Big Rets was undefeated as skipper across his three matches in charge including a rabbit-out-of-the-hat tie against Scarborough in Round 13.

After being disappointingly bowled out for 115 on a green top, we fought back late on Day 1 to give ourselves a slight sniff with the score at 6/76 at stumps (**Callum Stevenson** taking 4 of those). The following week started very slowly with Scarborough carefully navigating the first hour before **Ben Massey** was able to break the partnership, taking us to 7/94. Despite this, Scarborough were able to put together what looked to be a match winning partnership, progressing to 7/114 over the next ten overs.

With the game all but lost, Captain Rets kept the faith with Stevo – the yorker king. Taking 3 wickets in 4 balls, Callum single-handedly saved the match for us with the teams tied on 115 apiece. I'm certain my cheers could be heard at the ground despite being on Rottnest!

One of the most enjoyable parts of the season has been witnessing the evolution of a number of our players, particularly the debutants. **Michael Reynolds** acquitted himself superbly in his 2 games, highlighted by his 2/33 against Perth. **Sravan Sivashanker** also slotted into the side effortlessly, making his mark in the final round, bowling crucial overs and not missing a beat. **Sam Smith**, our English import, was a fantastic addition to our side. Smudge was classy with the gloves all year and worked into his season, showing his potential in a number of exciting (shall we say, 'Baz-Ball'-like) innings at the top of the order.

At just 15 years of age, **Will Malajczuk** is a very impressive individual and it has been a pleasure to have him around the group! Mala is a highly talented allrounder and proves his class every time he has the ball in hand or strides to the crease, he has every shot in the book and seems to have more time than anyone else! He finished off a number of innings for us through the year but arguably his most important knock was after coming in at 3/13 and putting on a 91 run partnership with **Bailey Gregson** vs Bayswater Morley. Will was the second highest scorer with 26 behind a dominant 80 from Bails (which included three massive sixes!).

Will also proved to be a match-winner with his bowling in our one-run win against Midland-Guildford. We posted a total of 283 in week one with Bailey's 61 anchoring the innings before **Ross Williams** (70 from 62) and Will (run-a-ball 25\*) put the finishing touches on a great team performance. On week two we toiled hard, with wickets evenly shared through the day however the game had tipped out of our favour when Will was called upon to change the game. He did, taking the remaining two recognised batsman and providing the opportunity for us to finish the job. With just one run to play with and after much discussion about who was best placed to take the final wicket required, Jack stood up, said that no one else was bowling that ball and ripped through the number 11 securing yet another memorable win for us!

After finishing on top of the ladder, we earned the right to host both our finals at home. Week One saw us comfortably account for Scarborough after setting 265 in our first innings. **Tom Wilson** and **Guy Taylor** anchored the top of the innings, Guy in particular with a solid half century. The finishing touches were then applied by the "engine room" of Jack, Ross and Jamie. The following day, Stevo again tormented the Scarborough boys, taking another 5fa and making his tally 12 wickets vs the Seagulls this season!

Finals Week 2 had us taking on Midland-Guildford and yet again batting first. After collapsing to 4/40 and 5/70, it was left to **Ben Parker** and Jack to breathe life back into the contest. The two put on a fighting 100 run partnership, demonstrating excellent judgement through the day. Jack fell just shy of a half-ton while Ben ended not out 87 in one of the more memorable knocks I have witnessed. Ben's ability to absorb pressure for long periods, and when most needed by the team, has become his trademark and he was able to time his run perfectly on this day to give us a score to defend.

Ultimately our total was not enough as the pitch flattened out and despite throwing everything at our opposition, unfortunately this saw our season end a week early.

Some final highlights from the season include:

- Angus had another outstanding season, taking a mountain of wickets and earning a sustained run at 1st grade level where he absolutely proved his class. Having witnessed Gus' skill for many years, I was thrilled to see him grab his opportunity with both hands and truly excel at the next level!
- The Subi 2nd grade environment is unique. We are genuine mates and enjoy each other's successes. The banter is brilliant whether in **Kiran Prashanth's** (often dictatorial) fines sessions or Ross's heavily accented and inspirational warm up stories.
- I had a good season but arguably my greatest contribution to the team was with the coin...we won 13 of 17 tosses for the season!

Many thanks to our supporters, both family and friends who show up each week and allow us to devote so much time to this sport. Thankyou also to the club's sponsors, to Fitzy and the committee, to Dunny and the coaches, to Scotty – the competitions best curator, to Phil Thompson – our statistician, to the master-chefs – Stu and Big Willo, to Rachel Wilson for the most amazing chicken sandwiches each week and to our net captains Larry and Frank.

Final thanks goes to our number one supporter, my wife Hannah, who will be adding a second cub to our pride in season 23/24!

**Josh Parker** – Captain

### 3<sup>rd</sup> Grade Report

After our strongest year for over 20 years, it was always going to be a good challenge to see if we could back up last year's Club Championship. With a number of senior players calling it a day, this challenge become even more so. What was really impressive from my point of view was that despite the turnover of players, especially many pushing up the grades, we were still a strong force once again. To finish second in the Club Championship with the changes that occurred is a really good result. Adding to this, younger players had many opportunities up the grades, and this included big finals games in the 2s, 3s and 4s which will set them up in good stead for the coming years. With further experience and confidence, along with the motivation to continue to get better there is no reason why we can't top the table in the Club Championship again in season 23/24.

A special congratulations must go out to Chris Isles and the Fourth-Grade side on a wonderful performance in the Grand Final! Well done to Chris in his first year, a fabulous and deserving result.

The Third-Grade squad had many new faces arrive in season 22/23 and we had a brand-new facility to welcome them into. It has been a long time coming, so thanks go out to Fitzy, Eric Carey and the committee for their work in the completion of the new changerooms at Alderbury Reserve. Debutants included Zachary and Alex Beattie, Blake Davies, Will Malajczuk, Thomas Hopwood, Jamie Williams and Sam Smith. All of these players contributed strongly, and each helped us win games and propel us into 3<sup>rd</sup> on the ladder at year's end. It was unfortunate and disappointing we couldn't deliver in two finals, but these experiences would have been so beneficial for the group, hopefully helping them understand what it takes to win these big games in the future.

Unity within the group continued on from past seasons, with many players assisting with leadership roles and jobs they didn't necessarily have to complete – but did without being asked. A special thanks must be extended out to Ross Williams, Sravan Sivashanker, Declan Evans, Jack Taylor and Cory Bradnam for their roles in a year that saw many new challenges. Their leadership and role modelling are so important for the up-and-coming players and keeps the club's culture strong into the future.

In past seasons our bowling and fielding unit was extremely strong, however this season we gave up multiple 250+ scores which made it tough to chase down. Our fielding in particular declined compared to previous seasons, with countless catches and run out opportunities missed in many games. Despite this we had some strong performers – Cory again a standout with 27 wickets @ 15.15 and Sravan 19 wickets @ 23. It is hard to ignore the performances of Jamie Williams and Callum Stevenson who took their games to the next level and will no doubt continue to in the coming seasons.

Our batting improved with outstanding performances that were some of the best we've seen in many seasons. Ross Williams elevated his game big time – 381 runs @ 47.63 and a match-winning 122 to be the backbone of our successful chase of 278 against South Perth. First year player Blake Davies (292 runs @ 48.67), including an unbeaten hundred that secured an important two-day win later in the season and he was pivotal as an opener for us throughout the back half of the year. Will Malajczuk, a young 15 year old, was a revelation in our side. He made a match-winning knock of 94 in just his third game of grade cricket and continued this the following week with an outstanding 71. Zachary Beattie (273 runs @ 30.33) and Tatenda Makova (254 runs @ 23.09) also played important roles throughout the season to put us in winnable positions. Both have the potential to go to the next level, as do many others.

To be in the hunt for the flag next season, we'll need to improve at all three facets of the game for longer periods. A challenge I laid down to the group post-season, and as I always mention, the work ethic at (and away) from training will help their progress and see success fast-tracked.

There are a few thankyou's that cannot be missed. Each of these people continue to give back to the club, help it progress and their commitment is appreciated by all players.

- Fitzy and the Committee for their support and hard work behind the scenes.
- Dunny, Swanny, Phil & Dos for their guidance and leadership in some challenging moments.

- Larry and Frank as co-net captains did a wonderful job and training runs so smoothly with them at the helm.
- Stu and Willo didn't miss a beat and continue to provide much of their time to help put the club in a better position.
- To the sponsors who continue to support the club, thanks for your commitment which becomes so beneficial for the club.

Finally, it was a pleasure to lead the 3s again this season, in what will be my last season as captain. Thank you to everyone who has assisted and made my job that little bit easier over the past 6 years. It has been great fun, challenging, rewarding and an absolute honour. Something that has assisted my own development and for that I will always be grateful for the opportunity I have been given.

I look forward to the club raising the bar again in season 23/24.

**Tom Moscarda** – Captain

## 4<sup>th</sup> Grade Report

I'm going to start this with a massive thank you to my wife Gail. For those that didn't know she essentially volunteered me to not only come back and play this year but also to take on the 4th-grade captaincy. Without her encouragement and support, I'd likely have stayed in retirement!!

Now onto the cricket.

After agreeing to take the reigns as captain of what I knew was a very young side I hadn't set too many expectations in terms of the number of wins or playing finals etc. My priority was simply to enjoy playing again while trying to pass on some knowledge and experience to nurture a talented young group.

You can imagine how proud I am as I write this to say we ended up top of the table losing only 2 games all year and went on to claim the premiership! The first 4s flag since 2001-02!

This was a fantastic achievement for such a young group. The core of the squad had all played together in the junior teams over the last few years so their familiarity with each other was a real asset and formed the basis of strong team spirit. We played consistent, patient cricket all year and on multiple occasions were challenged but learnt to embrace the club philosophy to never ever give in (to be the frog) and almost always came out on top.

While there were stand-out performances throughout the most pleasing aspect was everyone who played made important contributions with bat, ball, or in the field at one point during the season to help achieve our success.

With the bat, slow steady starts from the top order were typical but this meant our middle order was able to up the ante at the back end of the innings with wickets in hand. On the occasions where we were in early trouble the middle and lower order were able to stay calm and get us a total with contributions all the way down to 11.

Jackson Schulze (287@29) had a decent year, registering 3x50s, and showed a real aptitude to bat for long periods (55no off 195 balls to make sure of a grand final berth). Tom Hopwood, when not in the 3s, showed his talent with some fluid knocks to tally 263@38 and Ahmer Syed averaged 60 in the 6 games he played. This included an amazing 99no vs Willetton in Round 11, combining with Preston Campbell (54) in a partnership of 121 to take us from 6-69 to a defendable total.

Zack Beattie (before being promoted to the 3s), Alex Beattie, and Joey Betts all played some eye-catching, hard-hitting knocks in the middle order and there were consistent contributions from Tom Hacker and Max Hinch.

The strength of our bowling attack was our trump card. Armed with a plethora of young seamers I was spoilt for choice.

Mani Kalia (18@24) proved reliable and versatile all season, whether at first change, with the new ball, or at the death, he was always happy to slot into whatever role the team needed. Piers Kirk (13@13) was a real threat, bowling in short sharp bursts with serious pace, he made a habit of taking wickets in bunches. Michael Reynolds (15@17) and the experienced Dec Evans (14@14) both picked up 5-fers and were consistent whenever they played for me, as was Joey Betts (13@13). Tom Hacker (13@21) could be a handful with his left arm googlies and young U17 Cy Dyson (5@15) also bowled with skillful control in the 3 games he played and is one to keep an eye on in the coming seasons.

The standout with the ball however was Jamie Williams. His 28 wickets at an average of 10.93 was seriously impressive and the improvement he showed throughout the season under the expert guidance of Swanny was significant. Post-Christmas figures in the 4th grade of 3-36, 6-44, 2-37, 6-41, and 5-32 in the Grand Final (plus 5-41 in the 3rd-grade semi), the young man was in scintillating form. I think the whole club is excited to see where his talent can take him over the next few seasons!

As well as we bowled all year the chances still needed to be taken and our standard of fielding was of the highest order. Our cordon was amazing putting down barely a handful of chances all year and our ground fielding was also top-class with numerous direct-hit run outs.

Regular season highlights were Round 9 when with some pre-xmas unavailability we fielded five U17s against then top-of-the-table Joondalup. We posted our biggest total (229) in the one-day format thanks to a quick-fire 60 from Alex Beattie but things looked bleak when they were 0-140 in reply. As we did all season however, we stuck in there and slowly but surely started pegging them back and picking up wickets. It all came down to the last over with 10 required and 5 wickets in hand. Mani Kalia (leading the attack on the day) got out his bag of tricks, took 2 wickets, and conceded just 5 runs! A great win!

Round 13 vs Midland-Guildford. Top of the table clash and batting first we were in trouble at 4-50. Joey Betts came to the crease and whacked a few (46) and young U17 Tristan Hearmon added 24 to put us back on track but the lower order fell away, and we could only scramble to 150. Enter Jamie Williams on the first evening who was virtually unplayable grabbing 3 before stumps. On the second day, MG started solidly and progressed to 3-49 until Jamie again broke the partnership. Kirky then joined the party claiming 2 in an over and another to Jamie soon after left Midland 7-51 and the game was all but won!

The finals campaign started less than ideally, losing to a strong Perth team after being inserted on an underprepared wicket at Breckler. We could only manage 105 which they knocked off easily only 2 down. We bounced back in the semi against Wanneroo. A solid team bowling display restricted them to 170 which we clinically chased 2 down.

The Grand Final vs Rockingham-Mandurah was a fantastic contest. Up against an 'aging' Rockingham-Mandurah team boasting plenty of former first-grade experience, the boys had their work cut out but were more than up to the challenge.

After some overnight rain, we were greeted with a greenish wicket and there was much debate about what we should do first. Thankfully the decision was taken out of my hands and Rocky won the toss and inserted us. They bowled incredibly tightly, and runs were hard to come by. After losing 3 wickets in the first session, we were in a spot of bother at lunch at 3-24.

The second session belonged to us through some patient batting and a decent partnership of 80 between me (69) and Tom Hopwood (27). We went into tea at 4-113 and had a platform for the final session. A less than ideal restart after I had my stumps rearranged very first ball, but Ahmer Syed batted sensibly with the lower order to get us to 185ao just before close. Three overs to bowl before stumps and we couldn't have wished for a better start with Mick Reynolds grabbing one in his only over to a low full-length diving catch to Kirky at 3rd slip.

On the second day, we started well with the ball, bowling tightly and grabbing another 3 wickets to be on top having them 4-37. They then had a strong partnership between two of their main batters to wrestle

back the momentum to 4-97 and looked like they might take the game away from us. Enter Piers Kirk who after being hit for a couple of massive bombs and having a catch dropped, took the hand brake off and bowled some serious heat, producing an unplayable yorker to clean up Guppy and we were back in the hunt. Mani was bowling with incredible control at the other end (we lost count of the number of play and misses) but Rocky ticked over another 40odd runs to once again be back in the driver's seat. The re-introduction of Mick and Jamie turned it back in our favour with Burt indiscriminately slogging Mick to be caught mid-off and Jamie claiming another in the next over to another flying Piers Kirk effort at first slip. 7-137 at tea and all to play for.

Am happy to say it didn't last too long after the break. Jamie picked up the remaining 3 wickets for the addition of only 9 more and we were Premiers by 38 runs. Jamie Williams with man-of-match figures of 5-32, well supported by Michael Reynolds with 4-42. A fantastic finish to the season and a performance that epitomized the way we had played all year.

Special mention to Declan Evans, Tom Hacker, Max Hinch, and Preston Campbell who all played large chunks of the season but were unlucky to miss out on selection for the Grand Final. Their contributions throughout the year can't be underestimated and the premiership is just as much theirs as the 11 who played on the day.

Finally, thanks to Fitzy and the committee for their hard work behind the scenes and to Wayne, Swanny, Phil, Jimmy, and the other skippers for all their support and advice throughout the season. Special thanks to Gianni, not only for all the work he does for the club, but also for the numerous Friday afternoon (or Saturday morning) phone calls to try a get me an eleven!

**Chris Isles** – Captain

#### The 2022-23 Fourth Grade Premiership Team

### Colts Report

The season of 2022/23 for the colts posed for an interesting challenge with many new young talented players getting a crack at 20/20 cricket. The first game of the season was a tough initiation, being set the sizeable target of 180 to win by Joondalup. In a huge run chase after an early collapse Jayden Goodwin lead the team with an innings of 64 off 43. He was supported well by Blake Davies in the middle order, combining to put on a handy 45 run partnership for the 6<sup>th</sup> wicket which helped us to scramble to 144 at the end of our 20 overs which all things considered was a solid outing with the bat in the first game for the season.

Looking to build and improve on our first game, we were keen to bounce back against South Perth in round 2. Losing the toss and bowling first, our two spearhead quicks Michael Reynolds and Jamie Williams started us off beautifully taking an early wicket whilst keeping the run rate well under a run a ball. From then on, some middle over magic from Blake Davies yielding 1 – 8 off 3 and some express pace from Piers Kirk kept the scoreboard under control. Despite not getting many wickets through the middle phase, we were able to restrict the boundaries with smart bowling to build the pressure, culminating in 2 run outs. Being set 131 to win, we knew it was going to be a tricky chase without the class of Jayden. The chase started slow, with the South Perth bowlers keeping it tight. We struggled to gain the ascendancy with a consistent loss of wickets. Needing 9 an over after the 13<sup>th</sup> we accelerated with some bombs being hit, as well as some hard aggressive running between young gun Will Malajczuk and Guy Taylor who combined for a 50-run partnership to put the boys back within a chance needing only 12 off the last. Unfortunately, despite a straight big hit from Joey Betts on the second last ball, we still fell 3 runs short of the target.

After coming agonisingly close in game 2, our final game of the season was against a strong UWA side. With the chance of making finals gone, the boys had nothing to lose. Losing the toss and fielding, we had a dream start dismissing their captain and ex Subi player with the second ball of the innings. From there it became difficult to wrestle any momentum back on a flat James oval wicket. With a star studded UWA line-up featuring numerous 1<sup>st</sup> grade players, we were set 178 to win. Our death bowler Mani Kalia showcased some pretty special skills with an array of slower balls and yorkers who combined well with Jamie to minimise the damage at the back end of the innings. Chasing another large target, the boys started extremely well racing to 50 within the first 6 overs thanks to some aggressive stroke play from Maxwell Hinch and Robert Powell. The loss of key wickets from here made it difficult to continue, but thanks to some bombs from Joey Betts (37 off 25) and the tail wagging, we managed to post a very respectable score of 151. This performance was the highest score posted against UWA for the season, with them becoming the eventual winners of the Colts competition, a very commendable performance.

Whilst it was a tough season for the Colts, with a relatively young and inexperienced side, it was a great opportunity for numerous young lions. The build across the season and continual improvement across each game was awesome to see. With such a young team, the future of the SFCC Colts looks bright. Special thanks to Coach Jim Sansalone and Bailey Gregson for helping out down at the games throughout the season. It was a pleasure to play another year of Colts and I'm quite jealous of the boys who still have a year or two of Colts eligibility, except if you're Will Malajczuk who has 6!

**Guy Taylor** – Vice-captain

## **Under 17s Report (Hussey Shield)**

The 2022-23 season could probably be summarised as “the one that got away” or “so close yet so far.” With at least 5 out of 14 games being lost by less than 10 runs or in the last over or so, our position of 14<sup>th</sup> on the ladder at the end of the season didn’t truly reflect the underlying talent or the effort by the boys.

Close losses and inconsistency were also dotted with some fantastic displays of cricket throughout including a comprehensive win over Midland Guildford at the end of the season - top on the ladder at the time.

I believe every player in the squad developed as players and as individuals showing persistence, resilience, and teamwork throughout. It was a privilege to be involved with the growth and development of the quality young men in this team - parents and the club can be extremely proud of the way in which they played the game.

The side was captained by two individuals during the season, James Hart and Neel Kalia, both of whom had not captained at district level previously. By its very nature, leadership positions are a tough gig, and improvement and growth in these roles is an iterative process. Both were encouraged to develop their own leadership style, and to push themselves even if it meant making mistakes. Both James and Neel can hold their heads high both in relation to improvements in their tactical decision making and game awareness whilst also leading from the front through their actions.

Our batting didn’t reach its full potential until later in the season. Neel Kalia was typically determined throughout with a couple of well-deserved 50s whilst Louis Clayton showed his immense talent later in the season scoring 62, 109 and 46 in the last three games. Tristan Hearmon has exquisite timing and I believe that he will come of age next season in his second year of 17s.

James Hart, elevated up the order in the second half of the season showed that not only is he an extremely good bowler, but that he has the ability to bat at 3 or 4, scoring 27, 72 and 45 in the last three games - I hope James continues to work hard on this aspect of his game.

I would also like to mention Will Malajczuk – by Will’s standards, he didn’t have a great season in U17s but his talent is undisputed. I have no doubt that Will will play at a high level and it will be amazing to watch his journey from here on in. Added to this he is a grounded individual and a genuinely good guy.

Our bowling was quite solid all year punctuated with some brilliant James Anderson-like spells by James Hart. James ended up with 21 wickets at an average of 14.9.

One of the great things about being a coach is seeing the improvement in players unfold over the season. Chilli Bostwick came from nowhere to becoming the first-choice spinner in a team full of talented spinners. His dedication and team focussed attitude made him a fantastic addition to the club this season.

A special mention also to Gus Kikeros and Mitch Trimboli, guys who train and play with their hearts on the sleeves, always elevating the standards at training and true team players.

I hope the players learnt a lot during the season and can look back knowing they expanded their game even if it meant making mistakes along the way.

Last but not least, a thanks to the team manager Bhupesh Kalia and all the parents for the support.

**Richard Hacker – Coach**

### Under 15s Report (Mann Shield)

Our 15's season was one in which we were confident that our past competitiveness and success would stand us in good stead. Through pre-season many of the squad were able to get a good block of indoor session work in, however a wet Perth spring restricted our turf training sessions. Thankfully we were fortunate enough to get a scratch match on turf prior to season start, and that gave every indication the side would continue to be competitive and a place in finals was possible.

The season proper commenced with a tough loss to Rockingham Mandurah. Jackson Cattalini led the way with 68no, anchoring the innings to get us to a competitive score of 4/166. At 6/103 it looked like the game was on our terms. The final wickets proved elusive in a narrow loss that was characterised by some momentary lapses in concentration and focus - some lessons were learnt.

Our best performance of the season came the following match, dismissing Mt Lawley for 136 with Leo Mason taking 4/16 in his 10 overs. In response, we challenged our players to get in, and cash in. Our 247 was outstanding, Aidan Carberry making 65 was thoroughly deserved, with Will Malajczuk (39) and Jackson Cattalini (42) making solid contributions.

The lose one, win one began a bit of a pattern in the first half of the season. We couldn't get on a roll, and in many respects, we leant on too few to do too much. Jackson Cattalini had scores of 68, 42 and 55 in his first three games before injury prevented him from playing again until after Christmas.

Through the second half of the season, we saw strong innings' from Mithuru Perera (70no v Claremont Nedlands), Aidan Carberry (59 v Claremont Nedlands), Oscar Willis (63 v Midland-Guildford) and the return of Jackson Cattalini (53 v Willetton). A particular highlight from a new player to the team this season came from Mithuru Perera – making 183 runs and taking 20 wickets – he lead our bowling during the 2<sup>nd</sup> half of the season and it was there, in a stretch of 8 games that he took 17 wickets. Aidan Carberry's season predominantly opening the batting was a highlight of a batter taking his game to the next level – 303 runs for the season, with a highest score of 65.

Our leadership group had more opportunity to develop their leadership skills – with Will Malajczuk, Jackson Cattalini, Oscar Willis and Aidan Carberry all taking the captaincy role at various times through the season. Each of them brought their own strengths to get the best from the team, and better from themselves. They will have all learnt from the experience, and will stand them all in good stead, not if, but when future leaderships roles come their way.

Leigh Malajczuk was a huge support as our team Manager this past season. His support at training, game day, at various times through the week, was invaluable. His willingness to talk about match status, team balance, to talk to players, to encourage and assess were qualities that made our team and our broader group better. Tom Wilson's work as assistant coach at net training was invaluable – he was equally at ease talking to individuals as he was sharing his insights into match-play and match-awareness.

Whilst our season did not pan out with the success we'd hoped for, it was one in which, as a group, we all learned more about the game, our own game, and our team-mates. I have little doubt that through some of the success, some of the adversity experienced, more developed cricketers will be continuing their journey next season, and seasons to come.

**Anthony Appelbee** – Coach

## **Under 14s Report (McKenzie Shield)**

The 22/23 season for the under 14s was one to remember. There were a couple of new faces, but the majority of players were coming off a semi-final loss in the previous year.

From day one of preseason, everyone was eager to learn and develop their skills with the end goal of winning that long-awaited premiership. One thing I loved about this group was the camaraderie they all shared, there was no selfish cricket throughout the season, and everyone just loved playing together as a team.

The season started off with a bang, Dan Richards scoring 110 and getting the team going. The regular season saw everyone contribute at different stages, this was evident when looking at the stats at the end of the year. The runs and wickets were shared evenly proving the depth of talent in the squad, 8 players averaging over 20 with the bat and 7 bowlers taking 5 wickets. Dan Richards led the runs with 258 runs @28.67 whilst Lucas Landers led the wickets with 14 @10.36.

The team won the first 6 games cementing first spot going into the last regular season game. The last game of the regular season saw a complacent display with the inevitable result as the boys lost in what I thought was a fantastic lesson for them going into finals.

The finals series was where the boys showed their real character and ability, with the semi-final being against reigning premiers Claremont-Nedlands. Bowling first at this age can definitely be a disadvantage but the boys did not see it that way, they started superbly with just 3 runs conceded in the first 8 overs. With Claremont-Nedlands ending on 170, the boys had a tough chase on their hands. Jake Carlson and Dan Richards had an excellent partnership before Leo Mason scored the winning runs in the last over to send us into the grand-final.

Last over thrillers seemed to be a theme for the team, bowling first in the GF, and again the boys bowled exceptionally, restricting Fremantle to 146. In reply, an early collapse saw us at 3/10 and then 5/47. This is where the real growth of the boys came on show, Sam Malajczuk scored a crucial 35 but the real star was Jacob Holmes, someone who wasn't even playing Premier cricket last season. Jacob saw wickets around him fall but did not stop him working singles and smashing bad balls to the boundary. We ended up chasing down the total with 8 wickets down and 5 balls to spare, Jacob taking man of the match with 42\* in one of the more mature knocks I have seen for someone his age. It was a great moment, and I was so proud of all the boys for getting the job done, everyone played an important role in the season which showed what the team was all about.

Special mention to Koby who captained on the day, along with Jake and Dan who also captained during the season. Also, a special thanks to all the parents who were great throughout the season and to Calvin who was an awesome manager and does a fantastic job behind the scenes.

**Matthew Sculthorpe – Coach**

### The 2022-23 Under 14 Premiership Team

### Under 13s Report (Inverarity Shield)

It was an honour to take the reins of the Subi-Floreat Under 13s this year. With only two players with district cricket experience, we had an almost blank slate to build our team with, and very quickly the boys set about creating a team culture and a style of cricket they wanted to play.

A tough loss first up against a polished Joondalup side showed our teams clear inexperience, but the boys bounced back from this disappointment, proceeding to win the rest of our games in the regular season. A loss in the semi-final to eventual premier Rockingham Mandurah cut our season short by a week, but I am immensely proud of the boys season.

As a coach, the most impressive thing was seeing how our young players dealt with adversity throughout the season. At one stage or another, each player came up against a challenge, from injury or dips in form, to lack of opportunity and playing in unfamiliar roles, the boys always took this in their stride and worked a way through it.

All the boys had a point in time where they faced a challenge, but a few stood out for me as a coach. **Harry Campion** faced the disappointment of not having many opportunities with the bat or the ball in the first half of the season. He had to wait until Round 5 to really get his opportunity, and he took it with both hands. An unbeaten 38\* to win us the game resulted in Harry being moved up the order and he continued to take his opportunities, piling on runs to finish as our third top scorer for the season, with an average of 52. A great example to other players on taking your opportunity. **Nick Campbell** and **Spencer Hathrill** were others who took their opportunity with both hands. At times Nick was stuck behind his two senior spinners, but whenever Nick got the opportunity he bowled exceptionally well, finishing with 8 wickets for the year. Spencer, in his first game of district cricket was asked to open the batting, something he had never done before. Spencer, despite being the smallest player on the ground, top scored with 32, and held his opening spot for the rest of the season.

The team very quickly developed a clear game style, based largely around the success of our team's spinners. **Elijah Sterpini** was a key for our team this year with his off spin, and he deservedly finished third in the league on wickets, with 13. He was ably supported by **Daniel May**, whose leg spin bamboozled opposition batters, to net Dan 9 wickets for the season. Dan also made many fine contributions with the bat, including a 50 against Bayswater-Morley.

Our pace bowlers worked their way into the season, but both our big quicks, **Alex Kingwell** and **Seb Wright** hit form at the right time of the year with the ball. They both had good moments as well with the bat and look to be players with a lot of potential.

Our season was nearly derailed by a few injuries to key players, including **Jake Rubens**, the ever-consistent **Elliott Smyth**, and co-captain **Max Nelson**, but the squad depth was really on show as all the boys stood up at times to fill the gaps left behind.

Captaining any cricket side is tough, but captaining an inexperienced under 13s side would have to be one of the tougher jobs in cricket. Both this year's captains, **Lincoln O'Brien** and **Max Nelson** did a stellar job leading their peers, while also having exceptional seasons themselves. Lincoln batted extremely well throughout the season, finishing with the second most runs in the competition with 244 at an average over 40, highlighted by an unforgettable maiden century against Scarborough. Max also had an exceptional season with the bat. Thrust into different roles at times, Max finished the year with two half centuries, including a gutsy one up at Joondalup, that including some outrageous power hitting and switch hits.

Thanks to the SFCC Committee and the Junior Coordinators Calvin and Natasha. Thanks especially goes to the parents of the U13 boys this year. The atmosphere at all the games was incredible and the support for all the players and for myself was incredibly appreciated. My biggest thanks goes to Jamie O'Brien and Mark Batina, our managers this year. They made my job as coach incredibly easy every week and put in so much work most days to ensure the season ran smoothly.

Lastly, congratulations and thanks to the boys in the team. They worked hard at every training and every boy improved throughout the season and had moments in games they will look back on and be proud of. They made the season a very enjoyable one to coach and I looked forward to every training session with the boys.

Here's hoping we can emulate the Under 14s success next year.

**Jamie Collins** – Coach

### Female Coach's report

After coming off a successful season in the Ladies A Grade 50 over competition and winning the Club Champion Award it was also going to be a challenge to back up and compete again. The B Grade team featured in a wonderful finish to their season last year which showed promising signs to work on throughout the pre-season.

Our pre-season program was about creating a "One Program" approach to the Female side of the club with Junior and Youth players invited down to our skills sessions at Revo's working alongside the Senior players on developing their craft. As always fielding and conditioning was added into the schedule once the weather improved and the girl's application to the sessions were second to none and their understanding of positioning and the importance of fielding was further developed from the season before.

One thing that was front of mind for the A Grade group was to put ourselves in a position to battle it out for another flag in the 50 over competition and chasing down a T20 flag which has eluded this team since its inception into the club. As for the B Grade we wanted to continue to build on the momentum we created at the back end of the season last year whilst continuing to develop a pipeline of players playing consistent cricket and getting opportunities up the pipeline.

One of the challenges we faced early on was our A Grade team went through a big transformation in the off-season losing a few players from the premiership winning team. While this could have been seen as a dent in the season, it provided more opportunities for players and gave them the responsibility to perform consistently across the season. Our B Grade team was dealt a huge blow before the start of the season with the recently appointed Captain of the team Claire going down with a season ending injury leaving a hole not just within the leadership space but also the experience Claire brings.

The season certainly was a tale of two sides with matches before the Christmas break proving to be our Achilles heel again with both sides with juggling players from team to team and also the unavailability of our state representatives which all clubs' experienced across the season.

Our A Grade team failed to find its "spark" with players struggling to find form at different times, but it was Lisa Griffith who took on the responsibility as a Senior player/ Coach leading the way across both formats culminating in her inaugural Karen Read Medal for the season 2022/23. Lisa's form and leadership was instrumental in the back end of season after the Christmas break leading our team into a really exciting spot in both formats after a less than desirable start. Another player who seemed to relish coming back to club land was Maddy Darke, her performances again at the top really set the innings up and it was amazing to see Maddy go on and have one of her best seasons to date for WA in the WNCL notching her maiden 100 for WA at the WACA as a SFCC player. Another player who enjoyed resetting after the festive break was Jess Emery, true to style Jess rediscovered her mojo with the ball and set the tone as the captain of the team. It was another impressive season across both formats for Jess and she is truly becoming one of the all-time greats for the club and a player that everyone wants to play with and for. While the girls turned it around to play some good cricket, unfortunately it wasn't to be as we ended up finishing 3<sup>rd</sup> in both formats for the season. It was great to see across the season some English imports choosing SFCC as their club of choice to play with both making considerable contributions across the season at different stages as well as Crofty making the move from Vic and settling in nicely to the team environment and providing a lot with the ball as a leggie.

While our B grade suffered at different times of the year the heart of this team cannot be underestimated. A big contributor in this space leading to her most improved award was Sarah. Although Sarah didn't have the season she would have liked, the way she took to batting in the last few games of the season should give her and the group enough confidence moving forward that with a positive approach to their game, they really can start to put pressure on some of the top teams in the competition. Cassie Mackenzie was

another absolute star with the bat again leading the way in the middle overs and putting pressure back on the attack. Cassie is fast becoming the all-round player with her medium pace bowling proving to be a little ace up our sleeves and batters finding it hard to find rhythm and power. The return of Yi Shan was another exciting moment for this group and as always it didn't take long for that animated send-off which we got to experience 5 times in a match as Yi Shan went on to take a 5-wicket haul including a hat trick! Evelyn Brock played an outstanding role for this team settling into the captaincy alongside Monica and leading from the front when she could with bat up the top. Although our group didn't reach the heights we wanted this year, the attitude of the girls throughout the year was pleasing. The way they turned up to training to keep getting better and supporting each other on game days, this group is very special and with a bit more experience added back in they could begin to experience some consistency with the way they play.

I would like to finish by saying a huge thankyou to the playing group for allowing me to take on this role again as it's something that has brought a lot of joy over the past 2 years.

Thank you to Lisa & Connor for your amazing efforts throughout the season and juggling your own playing commitments. The work you both did in stepping up when I wasn't around was huge and I will be forever grateful for being able to work with you both across the last 2 seasons.

Lastly to Jordan, your tireless efforts across the season were very much appreciated and hopefully your workload was a little lighter to allow for more time to sit back and enjoy watching the game!

**Nicole Bolton** – Coach

## **Female A Grade Report**

The 2022/23 season was somewhat of a transition year for the team, with numerous senior players not playing. This provided a lot of opportunities for younger players however it also came with inconsistency in performance. Overall, it was a bit of an almost year, with us often playing good cricket for significant portions of matches but just not getting it done when it matters most. Much to work on!

We were fortunate to have a number of state players represent the club, with Nicole Bolton, Lisa Griffith, Maddy Darke and Charis Bekker all featuring in A grade this season. We were also very fortunate to have Ria Fackrell from the Birmingham Phoenix and Central Sparks, as well as Phoebe Wilkinson and Hannah Wooldridge from local teams come over from England to play at the club. It was great to have these players around the club to contribute both with their on-field performance and their attitude off field.

The coaching group remained the same as the previous season, with Nicole Bolton, Lisa Griffith and Conor Moldrich guiding the group. I'd like to thank all three for their significant contribution to the program, and their professionalism in ensuring all responsibilities were looked after even with differing schedules. The female program manager, Jordan Brock also played an important role in managing the work often unseen and I would also like to thank him for his tireless efforts.

T20 season (W, W, L, L, NR, L, W, L, L, W, W, L)

As mentioned earlier, with a young team often comes inconsistency and that was the case for our T20 season. We started the season well before things started to slip in the middle. Some outstanding performances with the bat from Lisa and Maddy kept us in the hunt for finals, with the round 12 fixture a quasi-semi-final against Midland. Unfortunately, although Jess took wickets and Lisa made runs, we just couldn't quite get the runs to get us the place in the final. This was a bit symptomatic of the year, with us often being competitive but not quite taking a hold of the key moments.

50 over season (L, L, L, L, W, W, L, L, W)

Our 50 over season didn't get off to a good start, but things turned around a bit after Christmas. Lisa was absolutely incredible with the bat throughout and truly dominated the competition. Unfortunately, too many times we managed to squander match winning positions, which led to us not winning enough matches. That said, we were still a chance of making the final until round 8, but again we didn't grasp the opportunity.

The standout individual performances are listed below:

**T20:**

Round 6 - L Griffith 59 (46)

Round 7 - M Darke 71 (47)

Round 8 - M Darke 59 (46)

Round 10 - L Griffith 71 (55); L Nicholson 3/29 off 4.0

Round 11 - J Emery 3/24 off 4.0

Round 12 - J Emery 4/16 off 4.0; L Griffith 66 (64)

**50 over:**

Round 1 - L Griffith 53 (60); R Fackrell 4/44 off 10

Round 2 - L Griffith 73 (98); R Fackrell 58 (99)

Round 4 - L Griffith 105\* (124)

Round 5 - L Croft 3/18 off 6.0

Round 6 - L Griffith 131\* (136); M Monaghan 64 (109); O McSweeney 4/30 off 10.0

Round 7 - M Darke 52 (57); J Emery 3/58 off 10.0

Round 8 - L Croft 4/20 off 10.0

Round 9 - N Prashanth 3/25 off 7.0; M Darke 150\* (120)

We continued our award for the "Lioness of the Year", as voted in a 3-2-1 system by our players in each grade after matches, based on who they believe best represented our values. Our values were maintained from the previous season's selection by the female senior playing group and were Commitment, United, Respect and Enjoyment. The Lioness of the Year went to Sarah Stramsek. Sarah came to the club this year and was a great driver of energy in the group. She was an asset to the club, always bringing a great attitude particularly during the fielding innings. She was always getting involved, whether that was running drinks, substitute fielding or coming to Thursday dinners. She is always striving to improve and really took on the values of the program which was great to see in a first-year player. Her Mum, Gale was also a great help to the program, and you can see where Sarah got her passion from. Congratulations Sarah!

I would like to end off by thanking the committee, who without we would not have a program to play in. Thank you for all the work you do behind the scenes to allow us players to have the best experience possible. Thank you to all the players, coaches and anyone else involved with the club for an enjoyable year. Looking forward to what the next season brings.

**Jess Emery – Captain**

### **Female B Grade Report**

The 2022/2023 season was full of many great moments, with a tightly knit team to play with. Each game was extremely fun to be at, as all the girls got along very well. The team improved greatly throughout the season, both on and off the field. We both are looking forward to working with this team again next season, and hopefully getting a few more wins.

This season was a difficult season for our girls, but they persevered all throughout. Losing our captain halfway through the T20 season was quite challenging, and the team had to figure out how to deal with that. Sharing the captaincy between us two was also something to figure out for the two of us, especially

since neither of us had any major experience in this role. Working out how to lead a team, and working alongside another captain, who may have contrasting ideas was something we had to work through. However, the experience of leading the girls together was great, and it meant that we both had someone to rely on, and that the team wasn't let down if one of us wasn't playing that week. This was also a big season for me (Monica) because it was my first full season at Subi, and co-captaining really helped me get to know the girls better. I'm really grateful to have had an opportunity to captain the team.

A few highlights of the season include the 63 run win against Rockingham-Mandurah in the T20 season, the win in the last over of the game in the other game against Rockingham-Mandurah in the T20 season, including a 110 run partnership, and the 10 run win coming down to the last three overs in one of the games against Midland-Guildford in the one day season. We'd also like to make a special mention to Steph on her first catch at short mid-wicket, and Lucy's first wicket against Midland-Guilford. These accomplishments were so well deserved and put a big smile on everyone's face.

Listed below are some of the individual stand out performances:

### T20

Round 1 - Olivia McSweeney 49\* (69) & Monica Rallabhandi 35 (45) & Neha Prashanth 2/25 (4)

Round 2 - Monica Rallabhandi 47\* (50) & Kailin Vinning 16 (35) & Cassie MacKenzie 2/25 (4)

Round 3 - Erika Yeo 20\* (23) & Monica Rallabhandi 20 (38) & Holly Appleby 1/8 (1)

Round 6 - Olivia McSweeney 51 (46) & Holly Appleby 30 (46). This was a great team effort especially after that morning's debacles.

Round 7 - Evelyn Brock 29 (33)

Round 8 - Monica Rallabhandi 50\* (57) & Olivia McSweeney 23 (30) + 2/26 (4)

Round 9 - Cassie MacKenzie 51 (52) & Holly Appleby 38\* (51) and Jade Ross 2/21 (4)

Round 10 - Holly Appleby 45\* (53) & Evelyn Brock 42\* (45). First T20 win of the season!

Round 11 - Cassie MacKenzie 2/8 (2)

Round 13 - Phoebe Wilkinson 92\* (62) & Cassie MacKenzie 2-25 (4)

### 40 Overs

Round 1 - Monica Rallabhandi 33 (77) & Cassie MacKenzie 27\* (23) & Holly Appleby 5 overs 6 runs

Round 2 - Phoebe Wilkinson 56 (90) & Cassie MacKenzie 32\* (33) + 5/22 (8)

Round 5 - Kailin Vinning 22\* (47)

Round 6 - Evelyn Brock 20 (32)

Round 8 - Cassie MacKenzie 23 (31) & Monica Rallabhandi 17 (49)

Round 9 - Cassie MacKenzie 19 (26) & Renee Bugg 15 (48) & Yi Shan Lim 3/9 (5) with a hat-trick!

We would like to say a big thank you to everyone who helped us this year, in particular, Bolts, Conor, Lisa and Jordan. We couldn't have made it through the season without your immense support and help. Your patience and positivity have underpinned every training session and game and have lifted the team spirit even in the toughest weeks.

We'd also like to give a shoutout to Gale and Tansi who came down to almost every game. Your support has meant the world and we thank you so much for this.

Although parts of the season were tough, we're so proud of the perseverance and hard work the girls have put, always showing up to training with a big smile, no matter what. We couldn't have done this without you all. Thank you for it all, and we can't wait for next year!

**Evelyn Brock and Monica Rallabhandi – B Grade Captains**

### Female Youth League Report

After coming off a disappointing season in 2021/22, it was clear when I accepted the role as Coach of our Female Youth Team for this season, that some hard work and change was required. Our previous season only netted two wins and we were comprehensively beaten on most occasions.

As a team, we committed to a higher level of attention to our training practices in the nets as well as our overall fielding standards. With a belief that our training was effectively the study before our exam (playing games) on Sunday's, we embarked on a season of improvement whilst maintaining the fun and enjoyment aspect of playing a team sport. The buy-in from our girls was fantastic, with early season wins the reward for all their hard work.

We finished the season with 8 wins from 18 games played, with 6 wins recorded in the T20 format and 2 wins in the 40 over format. The 6 wins in the T20 format had us finishing 4<sup>th</sup> and playing finals. After being the first team to bowl Melville out for under 100 (95) in the semifinal, we couldn't sustain our performance and were bowled out for 57. We became far more competitive in this format against the stronger teams in the league and beat all teams except the two eventual grand finalists in Wanneroo and Melville. A highlight of our season was a new record for our woman's team in compiling 144 in a T20 against Rockingham Mandurah. A great effort by our ladies.

In the 40 over format, we beat Perth twice and lost to all other teams in our league. Whilst we were much more competitive and stayed in games longer this year, we were unable to put together a complete 80 over game, and that was reflected in our results. At times when on top of our opposition, a lapse in concentration resulted in costly overs with the ball or batting collapses which ultimately sealed our fate. These lapses occurred due to a lack of experience in the longer format, when our ability to stay engaged in games for longer periods of time is important. Our ladies learnt a great deal about the need to maintain high levels of concentration throughout a whole day of cricket, with a big coaching emphasis on getting the ladies to concentrate intently for a few seconds each ball. That certainly improved throughout our season and has them well placed to consolidate into next season or senior woman's cricket depending upon their age.

All of our ladies had starring moments throughout the season, with plenty of growth and better performances still to come. Our top order had many individual efforts of note but never really put together a complete performance, except for perhaps the Rockingham Mandurah game mentioned above. The ladies need to believe in their ability and execute their skills accordingly to see continual improvement. We had periods of consistent bowling but then let ourselves down with many wides and no balls in games. Maturity and great work ethic in the nets will see that continue to improve.

We are very proud of the fact that three of our team members in Mahalia Upton, Alison Healey and Olivia Pearcey represented Western Australia in the annual state cricket carnival during the season. Whilst it stretched our resources when they were on tour, we were so happy for them all in being selected. Congratulations to them all from their fellow teammates and our parent group.

On our wind-up trophy presentation night, we had some worthy recipients of awards as follows:

Batting Award – Alison Healey

Bowling Award – Mahalia Upton

Coaches Award – Amy Summers

Lioness Award – Ava Danholt

As a coach I am so very proud of all of our ladies for their commitment to the cricket program, and their want to improve. They are an absolute pleasure to coach, with their fantastic personalities and manners a credit to all of our parents.

A special thank you to our brilliant Team Manager, Sophie Gerrick. Sophie did a mountain of work for our team and is much appreciated for all of her time and commitment to making our team run smoothly.

Thank you very much Soph. To Colin Yoong and Jordan Brock for looking after the ladies on game day when other coaching commitments didn't allow me to be in two places at once, I personally thank you both. To Jordan for his commitment to our team as part of his role as Women's Cricket Coordinator, a huge thank you for his efforts.

To all our parents for their time and commitment in getting our ladies to training and game days, as well as taking on scoring duties when rostered to do so. Sophie and I thank and congratulate you all on the outstanding young ladies you are parenting. You should all be justifiably proud of the young ladies they are all becoming.

And lastly but most importantly, thank you to my wife Suzanne for allowing me the time to coach the team throughout the cricket season. With coaching commitments at senior men's level, community girls' level and woman's youth league level I am not home a great deal, so Suzanne shoulders a lot of the home duties, for which Kate and I are eternally grateful.

I trust all of our ladies will be back to play next season and look forward to keeping a keen eye on their development and results. Best of luck to Jeff for next season as I hand over the baton.

**Brett Johnson** – Coach

### Club History

The Subiaco-Floreat Cricket Club was formed in 1977 when the Subiaco and Floreat Park clubs merged.

#### 1896 to 1949

A cricket club in the Subiaco area was first formed in 1896 and played in the Senior Matting Association based at the Shenton Park Lake ground. In 1907-08 the Subiaco Club was admitted to the WACA A Grade competition but after two seasons were relegated to B Grade. During this time the Club moved to the newly developed Mueller Park in Subiaco where at the western end (later Subiaco Oval) they shared the playing fields with the Subiaco Football Club.

In the 1910-11 season, Subiaco combined with fellow B Grade team; Whittaker's and was re-admitted to A Grade as the Subiaco Cricket Club. The following season Subiaco merged with the neighbouring Leederville club to form the Subiaco-Leederville Cricket Club and played under this name until 1930-31, when they reverted to Subiaco Cricket Club.

By this time Mueller Park had been renamed Subiaco Oval and from 1929-30 the Club enjoyed sustained success winning six premierships in the 17 seasons until 1946-47. Many Subiaco players from this era represented Western Australia, in the days before WA was admitted into the Sheffield Shield competition. Future Prime Minister, R.J. Hawke, played for the Club in the post-war years.

#### 1950 to 1977

The Subiaco Club did not enjoy team success during the 1950's and 1960's finishing runner-up twice and making the finals one other time. The highlight for the Club from this era was Jack Rutherford being the first Western Australian to be selected for Australia on a major tour and the first to be capped when he was included in the Australian side which visited England, India, and Pakistan in 1956. Rutherford's single test was against India in Bombay.

In 1965-66 the Subiaco Club left Subiaco Oval and moved to Rosalie Park on the west side of Thomas Street. Jim Hubble became the Club's second Australian representative, touring South Africa in the summer of 1966-67, playing in nine matches, but not in the Tests. During the 1960's former England player Tony Lock played for the Club.

The Floreat Park Cricket Club was formed in the post-war years. In the 1959-60 season, Floreat Park was admitted into the WACA competition as a 2<sup>nd</sup> Grade club fielding teams in the lower grades only. Talented Floreat Park juniors seeking to play 1<sup>st</sup> Grade invariably moved to the neighbouring Subiaco Club. Notable Floreat Park juniors who made the move to Subiaco were Kim Hughes, Terry Alderman and Sam Gannon who all played Tests for Australia.

The recruitment of former Australian player Des Hoare as Captain-Coach in the late 1960's saw the Subiaco Club play in the finals four times in seven years, winning Premierships in 1971-72 and 1973-74. However, while the Subiaco Club was competitive at 1<sup>st</sup> Grade level, a small district and declining junior player numbers saw the Subiaco Club merge with the 2<sup>nd</sup> Grade Floreat Park Club. The Club was named Subiaco-Floreat Cricket Club and commenced playing in the 1977-78 season.

The last match played between the two clubs was the 1976-77 4<sup>th</sup> grade grand final where the Subiaco 4<sup>th</sup> grade team captained by future President Larry Davies triumphed.

The amalgamation was a true merger with administrators and players from both Clubs sharing the roles. The new Club's headquarters was Floreat Oval, with Rosalie Park retained as the second ground (until 1981) along with Floreat's Alderbury Street Reserve. Subiaco's Lion emblem and gold and maroon colours were combined with the royal blue of Floreat Park, but there was no room for the Floreat Park grey.

### **1977 to 1999**

WA Parliamentarian Ray Young was the inaugural President and Jim Hubble the inaugural Captain of Subiaco-Floreat and Terry Alderman returned to Floreat Oval but the first season did not bring instant success. During the following three seasons the Club were runners-up twice and semi-finalists once, as well as being Club Champions in 1978-79. All-rounder, Graeme Porter played for Australia in the 1979 World Cup.

1<sup>st</sup> grade success was finally achieved in the 1987-88 where a strong squad including Test players Terry Alderman, Kim Hughes and Tom Hogan alongside present or future 1<sup>st</sup> class players Giles Bush, Todd Breman and Peter Gonnella won the first 1<sup>st</sup> grade flag for the amalgamated Club and the ninth overall.

In 1983-84 future cricket broadcaster Glenn Mitchell, captained the Colts undefeated for nine matches to capture the Club's first Colts Premiership.

The 1980's decade was overall successful, in addition to the 1<sup>st</sup> grade and Colts, the Club also won a 2<sup>nd</sup> grade and a 3<sup>rd</sup> grade flag, while the 4<sup>ths</sup> won a hat-trick of flags under the wily leadership of club stalwart Alan Bolton.

The 1990's were fairly lean for the 1<sup>st</sup> grade with only three final appearances. However, this decade saw the debut of Bunbury junior, Murray Goodwin, who would go on to play Test cricket for his native Zimbabwe. In 1990-91 all four senior sides qualified for the finals and the Club was once again Club Champion. The lower grades continued to be successful in this decade, the 2<sup>nds</sup> and 4<sup>ths</sup> both won two flags each as did the Colts. The 1997-98 Colts were captained by Steven Glew in his first of many Premierships for the Club.

### **2000 onwards**

The 21<sup>st</sup> Century began with a bang. Under the inspiring leadership of fast bowler Gavin Swan, the 1<sup>st</sup> grade team won three successive premierships from 2000-01. The 1<sup>sts</sup> competed in the finals eight times in the first decade of the new century. The dominance of the 1<sup>st</sup> grade team in this period saw the Club also claim the Club Championship in successive seasons 2000-01 and 2001-02. The Colts added three more flags to their collection, while the 3<sup>rds</sup> with two flags and the 4<sup>ths</sup> with one continued the success of the lower grade teams. In the One Day Sunday League competition, the Club finally found a winning formula, winning titles in 2004-05 and 2008-09.

Success continued into the 2010's. Under David Bolton the 1<sup>st</sup> grade did the "double", winning both the Pennant competition and the One Day League in 2010-11. The following season, the Club finished runners-up after losing a close grand final. The 1<sup>st</sup> grade bowling attack was particularly strong with fast bowlers Nathan Coulter-Nile and Jason Behrendorff operating. Coulter-Nile has gone on to represent both WA and Australia while Behrendorff debuted for WA in 2011 and subsequently represented Australia.

The 3<sup>rd</sup> grade won a flag in 2012-13 and in the following season with Noel Knight returning to the Club as Head Coach the 1<sup>st</sup> grade once again won the Sunday League Championship.

2014/15 saw the Club expand when the local WA Female Cricket Council A and B grade teams elected to join Subiaco-Floreat. It was a homecoming of sorts, as back in the 1970's the Subiaco men's and women's cricket clubs shared the facilities at Rosalie Park. The ladies made an immediate impact, winning the T20 final at the WACA ground.

Season 2016-17 saw Chris Hansberry lead the First-Grade team to a premiership, with gritty victories against top teams Fremantle and Claremont in the semi-finals before a memorable victory over Joondalup in the grand final. Cameron Green also made his debut for Western Australia and in 2020 made his test debut for Australia.

In 2017-18, the Colts competition was changed from a 50 over format to 20 overs. In 2018-19, the Subi-Floreat Colts produced one of the most remarkable performances seen at the WACA. After reaching 9/86 off 20 overs, an inspired spell of opening bowling dismissed Scarborough for 66 and saw the boys bring home the premiership. They then repeated the dose, going back-to-back, with a convincing victory over Claremont in 2019-20. The end of the 2019-20 season was disrupted by the Covid-19 pandemic which culled the finals aspirations of the 1st grade but saw the table topping 3rd grade team crowned as premiers.

Season 2021-22 was a remarkable season and perhaps the most successful in the Club's history. Winning the men's Club Championship for the first time in 20 years and the female Club Championship for the first time ever was a tribute to the entire club and a mark of the consistent, high-quality performances across the grades. It was also a season of multiple premierships, with the First-Grade premiership and one day title, the Third-Grade team finishing runners up and the female A Grade team claiming the premiership after an undefeated season in the 50 over competition. Hamish McKenzie becoming the Club's fifth Olley Cooley medallist was the icing on the cake. The First-Grade grand final was a stunning game of cricket – sent in to bat in challenging conditions, the boys rallied to be 3-98 before collapsing to be all out for 118. An inspired spell of seam bowling from Michael Hart (7-47) saw South Perth dismissed for 117, which effectively sealed the premiership. Special mention must be made of Nicole Bolton who coached the Female A Grade team and had a profound impact, both on and off field, which culminated in a dominant performance to claim the 50 over title in emphatic fashion.

Despite injuries and retirements presenting challenges for season 2022-23, performances remained competitive, with the men finishing second in the Club Championship and the females finishing fourth. The two highlights for the season were the premiership won by the fourth grade under the astute leadership of Chris Isles, the Club's first premiership in that grade since 2000-01 and the Under 14s premiership, which was the Club's first male junior premiership for many years.
